## Proposal and Comment Information

**Title:** Prohibition on Use of Reputation Risk or Other Supervisory Tools to Encourage or Compel Banking Organizations to Engage in Politicized or Unlawful Discrimination, R-1884

**Comment ID:** FR-2026-0002-01-C5160

## Submitter Information

**Name:** Anonymous

**Submitted Date:** 03/11/2026

The choice of a customer to make purchases of legal content should not be controlled by the vague "morals" or "risk assessment" of any bank or payment processing entity. Allowing the ability to make purchases freely to be controlled by such organizations is a flagrant attack on first amendment rights, of which should be dealt with swiftly and with punishment strong enough to ensure it is not repeated.
