Proposal and Comment Information

Title: Prohibition on Use of Reputation Risk or Other Supervisory Tools to Encourage or Compel Banking Organizations to Engage in Politicized or Unlawful Discrimination, R-1884

Comment ID: FR-2026-0002-01-C5164

Submitter Information

Name: Robert Guthrie

Submitted Date: 03/11/2026

Prohibition of any kind of purchase stopped by a card/banking service due to their personal beliefs (religious, political, or any other kind) goes contrary to the rights given by a democratic country.

If this continues, purchases in total could be subject to the whims of any or all sellers in CONUS. And if propagated to other countries critical of the US, they could use this “belief” system to stop any purchase based on any reason, cutting the flow imports of any kind.
