PayPal, Visa, Mastercard, or any other banking corporation should **\*\*NOT\*\*** dictate what I can or cannot purchase! Neither should they dictate other businesses, having to force that business to alter their policies to fit the bank's needs. As adults, we have everyone right to dictate our financial decisions. At some point, these banks will decide which political party to support, this is clear violation of freedom of speech and the banks must be STOPPED BEFORE ITS TOO LATE!
