**Title:** Prohibition on Use of Reputation Risk or Other Supervisory Tools to Encourage or Compel Banking Organizations to Engage in Politicized or Unlawful Discrimination, R-1884

**Comment ID:** FR-2026-0002-01-C5272

## Submitter Information

**Name:** Anonymous

**Submitted Date:** 03/12/2026

I strongly agree that banking and payment processor companies should not be allowed to decide what we do with our own money. Moral ethics aside, it poses a strong risk to our first amendment rights as well as allows them (the payment processors) to weaponize themselves within politics.

It has been and will continue to be of my opinion that money, and consequently corporations, should have no influence within our political system as it allows for the disenfranchisement and manipulation of the poor and vulnerable.
