Proposal and Comment Information

Title: Regulatory Capital Rules: Regulatory Capital and Standardized Approach for Risk-weighted Assets, R-1888

Comment ID: FR-2026-0008-01-C135

Submitter Information

Name: Douglas Hauck

Submitted Date: 05/09/2026

Stop the unfair treatment of Bitcoin Bitcoin should be treated as other currencies not as an ultra risky stock. The current treatment does not allow banks to utilize bitcoin and is unfair bad for consumers bad for the public bad for Bitcoin Bitcoin will fix the world.
