# Parent Company Only Financial Statements for Small Bank Holding Companies—FR Y-9SP

## Report at the close of business as of the last calendar day of June and December

This Report is required by law: Section 5(c) of the Bank Holding Company Act (12 U.S.C. 1844) and Section 225.5(b) of Regulation Y [12 CFR 225.5(b)].

This report form is to be filed by the parent company of small bank holding companies. For purposes of this report, small bank holding companies are bank holding companies that have total consolidated assets of less than \$500 million, except bank holding companies

that meet certain criteria to file the Consolidated Financial Statements for Bank Holding Companies (FR Y-9C). When such bank holding companies are tiered bank holding companies, separate reports are also to be filed by each of the subsidiary bank holding companies. The Federal Reserve may not conduct or sponsor, and an organization (or a person) is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

NOTE: The Parent Company Only Financial Statements for Small Bank Holding Companies must be signed and attested by the Chief Financial Officer (CFO) of the reporting bank holding company (or by the individual performing this equivalent function).

I, the undersigned CFO (or equivalent) of the named bank holding company, attest that the Parent Company Only Financial Statements for Small Bank Holding Companies for this report date have been prepared in conformance with the instructions issued by the Federal Reserve System and are true and correct to the best of my knowledge and belief.

## **Notes to the Parent Company Only Financial Statements**

Enter in the lines provided below any additional information on specific line items on the financial statements that the bank holding company wishes to explain, that has been separately disclosed in the bank holding company's quarterly reports to its shareholders, in its press releases, or on its quarterly reports to the Securities and Exchange Commission (SEC).

Also include any transactions which previously would have appeared as footnotes to the Balance Sheet and Income Statement. Each additional piece of information disclosed should include the appropriate reference to schedule and item number, as well as a description of the additional information and the dollar amount (in thousands of dollars) associated with that disclosure.

## **Example**

A parent bank holding company has guaranteed a new loan for its leveraged Employee Stock Ownership Plan (ESOP) for \$50 thousand and that amount has increased the parent company's long-term unsecured debt by a material amount. Enter on the line item below the following information:
