Notes to the Parent Company Only Financial Statements

Enter in the lines provided below any additional information on specific line items on the financial statements that the bank holding company wishes to explain, that has been separately disclosed in the bank holding company's quarterly reports to its shareholders, in its press releases, or on its quarterly reports to the Securities and Exchange Commission (SEC).

Also include any transactions which previously would have appeared as footnotes to the Balance Sheet and Income Statement. Each additional piece of information disclosed should include the appropriate reference to schedule and item number, as well as a description of the additional information and the dollar amount (in thousands of dollars) associated with that disclosure.

Example

A parent bank holding company has guaranteed a new loan for its leveraged Employee Stock Ownership Plan (ESOP) for \$50 thousand and that amount has increased the parent company's long-term unsecured debt by a material amount. Enter on the line item below the following information:
