Subject: My Support for the OneWest and CIT Merger

Dear Chair Yellen, President Dudley and Comptroller Curry,

I am writing to express my validation and support for the proposed merger between OneWest and CIT.

OneWest has offered banking services to the Southern California community and provided capital to local business. Not only would this continue in the combined entity, this merger will retain and create badly needed new jobs in California.

The outstanding reputation and track record of OneWest in the community speaks for itself. Management is committed to expanding its presence while serving its clients and the Southern California community.

I do not believe there is a need for a public hearing.

Sincerely,

Keith Tigue

Dear Chair Yellen, President Dudley and Comptroller Curry,

I am writing to offer my support for the pending OneWest Bank and CIT merger. I think this would be a good thing for Southern California. OneWest serves as a strong source of capital and banking services to the Southern California community. This merger will retain and create new jobs in California. I believe the management team and OneWest have demonstrated their commitment to our community and to serving the needs of not only their clients but the community at large. We used to have many much larger banks in Southern California, and they were good corporate citizens. We miss them. I do not believe there is a need for a public hearing.

Kind regards,
Kenneth Merchant

Dear Chair Yellen, President Dudley and Comptroller Curry,

I am writing to offer my support for the pending OneWest and CIT merger. OneWest serves as a strong source of capital and banking services to the Southern California community. But that strength stretches beyond just California. My company has benefited from OneWest Bank's location in Austin, Texas, as well. There are many people here in Texas that enjoy the same sources of capital and banking services as well.

This merger will retain and create new jobs in California. I believe the management team and OneWest have demonstrated its commitment to a number of communities in this country, serving the needs of not only their clients but those surrounding cities in which they operate. It is for this reason, that I do not believe there is a need for a public hearing.

Kind regards,

I am writing you to express support for the pending merger of OneWest Bank with CIT. As a member of the Los Angeles business community, it is very important to have access to not only local banks but to local banks with strong management and capital. A strong banking sector is critical to support local growth, keep local jobs and further the interest of the region. The management of OneWest Bank has done a terrific job supporting the local community and Los Angeles looks forward to the benefits of a CIT/OneWest Bank merger.

Dear Chair Yellen, President Dudley and Comptroller Curry,

I am writing to offer my support for the pending OneWest and CIT merger. From everything I have read about the merger and the two companies, this is a perfect marriage of two businesses. OneWest's strong branch network and commitment to local businesses seems like the perfect compliment to CIT Group's foothold in the commercial financing and lending sector. Given the limited cross-over between the two businesses, I would expect limited duplicity, avoiding local job losses.

Further, OneWest serves as a strong source of capital and banking services to the Southern California community. This merger will retain and create new jobs in California. I believe the management team and OneWest have demonstrated its commitment to our community and to serving the needs of not only their clients but the community at large and due to this, I do not believe there is a need for a public hearing.

I am writing to offer my support for the pending OneWest and CIT merger. OneWest serves as a strong source of capital and banking services to the Southern California community. This merger will retain and create new jobs in California. I believe the management team and OneWest have demonstrated its commitment to our community and to serving the needs of not only their clients but the community at large and due to this, I do not believe there is a need for a public hearing.

Kind regards,
S S

I am writing to offer my support for the pending OneWest and CIT merger. As a former employee of OneWest Bank, I saw firsthand the strength of the leadership team and their dedication to the employees, customers and markets they serve.

Through the merger with CIT, this proven commitment to all it serves, sets a positive precedent for the future and stands to expand its reach to include a broader range of customers through an expanded service offering thereby adding strength and stability to the entire Southern California market.

I urge you to approve this merger as it is the best possible outcome for its customers and all parties involved.

Dear Chair Yellen, President Dudley and Comptroller Curry,

As the Publisher & CEO of the Los Angeles Business Journal, I am a firm believer in supporting business opportunities that will strengthen our regional economy and enhance our community. With this in mind, I am writing to offer my support for the pending OneWest and CIT merger.

OneWest serves as a strong source of capital and banking services to the Southern California community, and this merger will retain and create new jobs in California. Furthermore, OneWest has demonstrated over time their dedication to good corporate citizenship by helping to cultivate a stronger economy through servicing businesses of all sizes in the LA area. I believe the management team and OneWest have demonstrated their commitment to our community and to serving the needs of not only their clients but the community at large and due to this, I do not believe there is a need for a public hearing.

In summary, I enthusiastically support the interests of OneWest, and in particular their planned merger with CIT. If I can be of any further assistance in this matter, please do not hesitate to contact me directly.

Subject: Support for the OneWest and CIT Merger

Dear Chair Yellen, President Dudley and Comptroller Curry,

I am writing to offer my support for the pending OneWest and CIT merger. OneWest serves as a strong source of capital and banking services to the Southern California community. This merger will retain and create new jobs in California. I believe the management team and OneWest have demonstrated its commitment to our community and to serving the needs of not only their clients but the community at large and due to this, I do not believe there is a need for a public hearing.

Kind regards,
owen commons

Dear Chair Yellen, President Dudley and Comptroller Curry,

I am writing to offer my support for the pending OneWest and CIT merger. The management team at OneWest has been a pleasure to work with and has been an important source of capital and banking services for our company and for our clients. Without OneWest's support, we would not have been able to fund loans over the past four years, which have helped to retain and create jobs in the Southern California community. This merger will allow us to continue to be able to utilize OneWest's banking services, which will impact our firm and our future client's firms in Southern California. I believe the management team and OneWest have demonstrated its commitment to our community and to serving the needs of not only their clients but the community at large and due to this, I do not believe there is a need for a public hearing.

Kind regards,
Christopher Farlow

Dear Chair Yellen, President Dudley and Comptroller Curry,

Please allow me to introduce myself. My name is Richard Wolff and I am the Chief Financial Officer of Fox Rent A Car, Inc., a privately held company headquartered in Los Angeles, California. Our company employs over 1,000 people and we generate revenues in excess of \$200 million annually.

Recently, our company established a working relationship with OneWest bank. Previously, when I was the CFO of other southern California companies, I worked closely with OneWest Bank and in the past I also worked with CIT. Both institutions bring excellent products and services to the market and a consolidation would serve the business and consumer segments well.

I am writing to offer my support for the pending OneWest and CIT merger. OneWest serves as a strong source of capital and banking services to the Southern California community. This merger will retain and create new jobs in California. I believe the management team and OneWest have demonstrated its commitment to our community and to serving the needs of not only their clients but the community at large and due to this, I do not believe there is a need for a public hearing.

Please feel free to reach out directly if you would like to discuss this in person or if I can assist in any way.

Kind regards,

Richard Wolff

Dear Chair Yellen, Secretary deV. Frierson and others in the FRS:

This is a fifth comment in extraordinary circumstances opposing and requesting public and evidentiary hearings on the Application by CIT Group Inc. and Carbon Merger Sub LLC to acquire and merge with IMB HoldCo LLC, and indirectly acquire voting shares of OneWest Bank.

This comment is submitted in light of OneWest's President and CEO asking Wall Street and other financial firms to lobby Chair Yellen and others to NOT hold public meeting on this proposal. For the record:

Subject: Support For OneWest Bank

Dear Friends,

We were excited to announce on July 21, 2014, that IMB HoldCo LLC, the parent company of OneWest Bank entered into a merger agreement with CIT Group Inc. As part of the applications for regulatory approval of the transaction, our regulators are interested in the perspectives of the public. We are writing you to seek your support of the Bank and pending merger. This merger, if approved, would create the largest bank headquartered in Southern California with a full suite of banking products and services, which will allow us to better serve our customers. We would retain and grow jobs and are committed to continuing and expanding our efforts to serve the economic and development needs of our community. I would like to ask you to take a moment to click on the link below and submit a letter of support adding any of your own words or thoughts.

Please submit your letter by clicking here, or by visiting our website at www.OneWestBank.com/merger-support (if the link isn't clickable or part of the link is cut off, please copy and paste the entire URL into your browser's address bar and press Enter)

Thank you for your support. Best wishes for a successful 2015 and please call on me if I can ever be of assistance.

Inner City Press believes this is inappropriate, that the comment period should be re-opened and extended and public hearings held.

Again, the CIT CRA Plan which CIT improperly withheld states, in Section III, that “the Bank has lending and support operations primarily located in Florida, New York and New Jersey” -- then states its CRA Program is in Salt Lake City, Utah and “the western United States.”

This makes a mockery of CRA, explicitly separating the bank's lending operations from its “CRA” operations.

In Section IV, CIT makes claims about outreach and “public participation” in its CRA Plan - but in outreach and participation excluded the communities in which CIT has its lending operations (FLA, NY and NJ) and from which, on information and belief, it collects insured deposits.

This makes a mockery of CRA, explicitly separating the bank's deposit taking from its “CRA” operations and outreach. See limited list of contacts in Appendix C, and proof of publication in (only) the Salt Lake Tribune and Deseret News.

Even in its artificial limited assessment area, CIT's “New CRA Assets” are less than 1% of its Assets.

While still improper, the above provide a motive for CIT's attempt to withhold its CRA Plan from the public. And now, OneWest.

As to the October 8 letter, ICP has already timely commented “there is also the question of the agreement the FDIC reached with IndyMac / OneWest, and whether wannabe SIFI CIT would assume it, as a windfall. These are important questions militating for both the required extension of the comment period, and for public hearings.”

In the October 8 letter, CIT begins a sentence on page 3 “Clawback provisions exist for the First Fed and La Jolla portfolios [REDACTED.]” CIT also redacts, on page 6, information related to the OnWest / IndyMac Consent Order; HAMP (Page 7); deposits collected over the Internet (Page 8); Lending (Page 9); Governance and Risk Management (page 10-12); and Resolution Plan (Page 12). CIT also heavily redacts what it calls “confidential questions” (pages 14-16), and exhibits. This information must be released, and the comment period extended. In an abundance of caution, ICP has submitted a FOIA request to this effect.

We also note that while the FRB extended the comment period from September 24 to October 10, it never changed the date on its online H2A, leaving the public to believe for 16 days that the comment period was already closed. This has still not been explained, and remedied. The comment period must be further extended.

For now, consider that OneWest in the Los Angeles MSA in 2012 made 28 home purchase loans to whites and NONE to African Americans; it made 12 home improvement loans to whites and NONE to African Americans.

Re: Fourth Timely Comment on Application of CIT Group Inc. and Carbon Merger Sub LLC to acquire and merge with IMB HoldCo LLC, and indirectly acquire voting shares of OneWest Bank, N.A.

Dear Chair Yellen, Secretary deV. Frierson and others in the FRS:

This is a fourth timely comment opposing and requesting public and evidentiary hearings on the Application by CIT Group Inc. and Carbon Merger Sub LLC to acquire and merge with IMB HoldCo LLC, and indirectly acquire voting shares of OneWest Bank.

While the FRB's comment period was set to expire on October 10 at 5 pm, tellingly just afterward at 6:46 pm and 6:49 pm Inner City Press received from CIT Group's outside counsel a slew of documents, some of them improperly withheld by the applicants and the rest heavily redacted. The FRB has extended its comment period through October 22. This is ICP's fourth timely comment.

The CIT CRA Plan which CIT improperly withheld states, in Section III, that “the Bank has lending and support operations primarily located in Florida, New York and New Jersey” -- then states its CRA Program is in Salt Lake City, Utah and “the western United States.”

This makes a mockery of CRA, explicitly separating the bank's lending operations from its “CRA” operations.

In Section IV, CIT makes claims about outreach and “public participation” in its CRA Plan - but in outreach and participation excluded the communities in which CIT has its lending operations (FLA, NY and NJ) and from which, on information and belief, it collects insured deposits.

This makes a mockery of CRA, explicitly separating the bank's deposit taking from its “CRA” operations and outreach. See limited list of contacts in Appendix C, and proof of publication in (only) the Salt Lake Tribune and Deseret News.

Even in its artificial limited assessment area, CIT's “New CRA Assets” are less than 1% of its Assets.

While still improper, the above provide a motive for CIT's attempt to withhold its CRA Plan from the public.

On August 26, Inner City Press & Fair Finance Watch requested from the Federal Reserve System the entire application, and the FRS' communications with the companies since January 1, 2014.

On September 26, despite the comment period, the FRB's FOIA Office wrote to Inner City Press:

“Pursuant to section (a)(6)(B)(i) of the FOIA, we are extending the period for our response until October 9, 2014, in order to consult with two or more components of the Board having a substantial interest in the determination of the request. If a determination can be made before October 9, 2014, we will respond to you promptly.”

But on the eve of the expiration of the comment period, no response had been received. On the evening of October 9 ICP second comment to the FRB said that “the comment period must be extended. As provided so far, the application withholds the “CRA Plans” of both banks, while making claims about these plans:

“Since the 2013 performance evaluation, CITB has implemented its CRA Plan covering 2013-2017, which is included in Confidential Exhibit 9;”

“OWB has a strong CRA compliance program and has developed a CRA plan, included in Confidential Exhibit 9;” and

“CITBNA will create and operate under a new CRA plan, which it will develop subject to regulatory review.”

ICP stated: this is a mis-reading, even a perversion of the Community Reinvestment Act, that these two documents and the projected third one can be withheld or subject only to “regulatory” review, and not public review. The documents, timely requested, must be released and the comment period must be extended.”

In fact, these were documents CIT then emailed to Inner City Press just after the comment period closed on October 10, along with heavily redacted letters to the FRB dated October 8 and October 9. ICP is, understandably, still reviewing the documents and joins in other protestants' demand that the comment period be further extended and public hearings held.

As to the October 8 letter, ICP has already timely commented “there is also the question of the agreement the FDIC reached with IndyMac / OneWest, and whether wannabe SIFI CIT would assume it, as a windfall. These are important questions militating for both the required extension of the comment period, and for public hearings.”

In the October 8 letter, CIT begins a sentence on page 3 “Clawback provisions exist for the First Fed and La Jolla portfolios [REDACTED.]” CIT also redacts, on page 6, information related to the OnWest / IndyMac Consent Order; HAMP (Page 7); deposits collected over the Internet (Page 8); Lending (Page 9); Governance and Risk Management (page 10-12); and Resolution Plan (Page 12). CIT also heavily redacts what it calls “confidential questions” (pages 14-16), and exhibits. This information must be released, and the comment period extended. In an abundance of caution, ICP has submitted a FOIA request to this effect.

We also note that while the FRB extended the comment period from September 24 to October 10, it never changed the date on its online H2A, leaving the public to believe for 16 days that the comment period was already closed. This has still not been explained, and remedied. The comment period must be further extended.

For now, consider that OneWest in the Los Angeles MSA in 2012 made 28 home purchase loans to whites and NONE to African Americans; it made 12 home improvement loans to whites and NONE to African Americans.

Dear Chair Yellen, Secretary deV. Frierson and others in the FRS:

This is a third comment opposing and requesting an extension of the FRB's public comment period on the Application by CIT Group Inc. and Carbon Merger Sub LLC to acquire and merge with IMB HoldCo LLC, and indirectly acquire voting shares of OneWest Bank.

While the FRB's comment period was set to expire on October 10 at 5 pm, tellingly just afterward at 6:46 pm and 6:49 pm Inner City Press received from CIT Group's outside counsel a slew of documents, some of them improperly withheld by the applicants and the rest heavily redacted. This is unacceptable; the comment period must be extended.

On August 26, Inner City Press & Fair Finance Watch requested from the Federal Reserve System the entire application, and the FRS' communications with the companies since January 1, 2014.

On September 26, despite the comment period, the FRB's FOIA Office wrote to Inner City Press:

Re: Second Comment on Application of CIT Group Inc. and Carbon Merger Sub LLC to acquire and merge with IMB HoldCo LLC, and indirectly acquire voting shares of OneWest Bank, N.A. - comment period must be extended, Aug 26 FOIA Request STILL not responded to

Dear Chair Yellen, Secretary deV. Frierson and others in the FRS:

This is a second comment opposing and requesting an extension of the FRB's public comment period on the Application by CIT Group Inc. and Carbon Merger Sub LLC to acquire and merge with IMB HoldCo LLC, and indirectly acquire voting shares of OneWest Bank.

On August 26, Inner City Press & Fair Finance Watch requested from the Federal Reserve System the entire application, and the FRS' communications with the companies since January 1, 2014.

On September 26, despite the comment period, the FRB's FOIA Office wrote to Inner City Press, see below:

“Pursuant to section (a)(6)(B)(i) of the FOIA, we are extending the period for our response until October 9, 2014, in order to consult with two or more components of the Board having a substantial interest in the determination of the request. If a determination can be made before October 9, 2014, we will respond to you promptly.”

But now, on the eve of the expiration of the comment period, no response has been received. The comment period must be extended. As provided so far, the application withholds the “CRA Plans” of both banks, while making claims about these plans:

“Since the 2013 performance evaluation, CITB has implemented its CRA Plan covering 2013-2017, which is included in Confidential Exhibit 9;”

“OWB has a strong CRA compliance program and has developed a CRA plan, included in Confidential Exhibit 9;” and

“CITBNA will create and operate under a new CRA plan, which it will develop subject to regulatory review.”

This is a mis-reading, even a perversion of the Community Reinvestment Act, that these two documents and the projected third one can be withheld or subject only to “regulatory” review, and not public review. The documents, timely requested, must be released and the comment period must be extended.

For now, consider that OneWest in the Los Angeles MSA in 2012 made 28 home purchase loans to whites and NONE to African Americans; it made 12 home improvement loans to whites and NONE to African Americans.

There is also the question of the agreement the FDIC reached with IndyMac / OneWest, and whether wannabe SIFI CIT would assume it, as a windfall. These are important questions, raised by NCRC / members, militating for both the required extension of the comment period, and for public hearings.

FOIA Request No. F-2014-00380

Dear Mr. Lee,

On August 27, 2014, the Board of Governors ("Board") received your electronic message dated August 26, pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, for the following:

the entirety of [the] pending application [for] CIT Group Inc., Livingston, New Jersey, and its subsidiary, Carbon Merger Sub LLC, New York, New York to acquire 100% of the voting shares of, & thereby merge with, IMB HoldCo LLC, & thereby indirectly acquire voting shares of OneWest Bank, N.A., both in Pasadena, CA. In addition, Carbon Merger Sub LLC also has applied to a become bank holding company[.] [You would also like] all records reflecting or related to FRS communications with or about the two entities or their affiliates since January 1, 2014.

On August 28, 2014, the Board's Freedom of Information Office made an interim production of responsive documents consisting of the public portion of the application by CIT Group Inc. and Carbon Merger Sub LLC to acquire and merge with IMB HoldCo LLC, and thereby indirectly acquire voting shares of OneWest Bank, N.A., including Carbon Merger Sub LLC's application to become a bank holding company.

Pursuant to section (a)(6)(B)(i) of the FOIA, we are extending the period for our response until October 9, 2014, in order to consult with two or more components of the Board having a substantial interest in the determination of the request.

If a determination can be made before October 9, 2014, we will respond to you promptly. It is our policy to process FOIA requests as quickly as possible while ensuring that we disclose the requested information to the fullest extent of the law.

Very truly yours,

/signed/

Dear Chair Yellen, President Dudley and Comptroller Curry,

I am writing to offer my support for the pending OneWest and CIT merger. OneWest serves as a strong source of capital and banking services to the Southern California community. This merger will retain and create new jobs in California. I believe the management team and OneWest have demonstrated its commitment to our community and to serving the needs of not only their clients but the community at large and due to this, I do not believe there is a need for a public hearing.

Kind regards,

Subject: Support for the OneWest and CIT Merger

Dear Sharon Chase,

I am writing to offer my support for the pending OneWest and CIT merger. OneWest serves as a strong source of capital and banking services to the Southern California community. This merger will retain and create new jobs in California. I believe the management team and OneWest have demonstrated its commitment to our community and to serving the needs of not only their clients but the community at large and due to this, I do not believe there is a need for a public hearing.

Kind regards,
Sharon Chase
