

BOARD OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM
WASHINGTON, DC 20551

January 29, 2015

Mr. Emanuel J. Friedman
Chief Executive Officer
EJF Capital LLC
2107 Wilson Boulevard, Suite 410
Arlington, Virginia 22201

Dear Mr. Friedman,

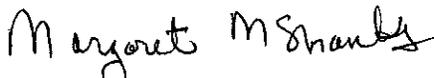

This letter responds to your request of July 22, 2014, on behalf of EJF Capital LLC (“EJF”), Arlington, Virginia, for relief from commitments that EJF made to the Board in connection with its purchase of an aggregate principal amount of \$2.8 million of the preferred shares (collectively, the “Bank of George CPP Shares”) that were issued by Bank of George, Las Vegas, Nevada, to the Department of the Treasury (“Treasury”) as part of the Troubled Asset Relief Program’s Capital Purchase Program (“CPP”). EJF’s purchase amounted to 100 percent of the total Bank of George CPP Shares outstanding as of the purchase date and 28.2 percent of Bank of George’s total equity. The requested relief would completely relieve EJF from the commitments.

In 2009, as part of its effort to support the banking system and promote new lending, Treasury invested \$2.8 million in aggregate principal amount of Bank of George CPP Shares. Beginning in 2012, as it proceeded to wind down and recover its investments under the CPP, Treasury sold the CPP shares of a number of banking organizations through an auction process. On October 21, 2013, EJF acquired its Bank of George CPP Shares from Treasury through this auction process and, in that connection, provided the commitments to the Board.

On April 21, 2014, EJF consummated transactions to sell all of its Bank of George CPP Shares back to Bank of George. EJF does not have the right to appoint a director to the board of directors of Bank of George or have representation on the board. Further, there are no existing or contemplated business relationships between the two firms. EJF has also provided a written representation that it will not exercise or attempt to exercise a controlling influence over the management or policies of Bank of George.

Based on all the facts of record, the Director of the Division of Banking Supervision and Regulation, acting pursuant to authority delegated by the Board under section 265.7(a)(2) of the Board's Rules Regarding Delegation of Authority (12 CFR 265.7(a)(2)), and after consulting with the General Counsel, has approved your request on behalf of EJF for relief from the commitments provided in connection with the investment in Bank of George. This action is based on the representations and commitments set forth in all of your communications and in correspondence related to your request, including the representations discussed above. Any change in the facts presented could result in a different conclusion and should be reported to Board staff immediately. This determination should not be construed as granting relief from any other conditions or commitments to which EJF may be subject.

Very truly yours,

Margaret McCloskey Shanks
Deputy Secretary of the Board
