Borrowing and Repayment Terms	
Length of Credit Plan	25 or 40 years (depending on the balance at the beginning of the repayment period), divided into two periods: <ul style="list-style-type: none">• Borrowing Period (Years 1-10): During this time you can borrow money.• Repayment Period (starts in Year 11): During this time you cannot borrow money.<ul style="list-style-type: none">• If your balance at the beginning of the repayment period is less than \$20,000, the length of the repayment period will be 15 years.• If your balance at the beginning of the repayment period is \$20,000 or more, the length of the repayment period will be 30 years. You must make a minimum monthly payment during both periods.

How Your Minimum Monthly Payments Are Calculated

- **Borrowing Period (Years 1-10):** Your minimum monthly payment will cover only interest and will not pay down your balance.
- **Repayment Period (starts in Year 11):** Your minimum monthly payment will cover interest plus enough principal to pay off your entire balance by the end of the repayment period.

Sample Payments on an \$80,000 Balance

The table shows examples of your first monthly payments at the current and maximum APRs if you borrow **\$80,000** when you open your account and do not borrow any more money.

These are not your actual payments. Your actual payment each month will depend on the amount that you have borrowed and the interest rate that month.

Sample Payments

APR	Borrowing Period (Years 1-10) First Payment	Balance at Start of Repayment Period	Repayment Period (Years 11-40) First Payment
5.25% (current)	\$350.00	\$80,000.00	\$442.00
24.99% (max.)	\$1,666.00	\$80,000.00	\$1,667.00

Fixed Interest Rate Option

During the borrowing period, you have the option to borrow at a fixed interest rate an amount up to your available credit limit. Ask us for details.

Risks

You Could Lose Your Home	Your credit plan will be secured by your home. This means you could lose your home if you cannot repay the money you owe, or otherwise default.
You May Not Be Able to Borrow From Your Line of Credit	<p>Under certain circumstances, we can:</p> <ul style="list-style-type: none">• Terminate your line of credit, make you pay the outstanding balance in one payment, and charge you fees upon termination;• Not allow you to borrow any more money, even you have borrowed less than your credit limit;• Lower your credit limit; and• Make other changes to the plan. <p>Ask us for more information about when we can take these actions.</p>
The Interest You Pay May Not Be Tax-Deductible	If you borrow more than your home is worth, the interest on the extra amount may not be deductible for federal income tax purposes. Consult a tax advisor to find out whether the interest you pay is deductible.
