The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposal to approve under OMB delegated authority the extension for three years, without revision, of the following information collections:

(1) *Report title:* Disclosure and Reporting Requirements of CRA-Related Agreements

Agency form number: Reg G

OMB control number: 7100-0299

Frequency: On occasion, annual

Reporters: Insured depository institutions (IDIs) and nongovernmental entities or persons (NGEPs)

Annual reporting hours: 78 hours

Number of respondents: 3 IDI; 6 NGEPs

Estimated average hours per response: 1 hour (7 disclosure requirements); 4 hours (2 annual reports)

General description of report: This information collection is required pursuant the Federal Deposit Insurance Act (FDI Act), 12 U.S.C. 1831y(b) and (c). The FDI Act authorizes the Federal Reserve to require the disclosure and reporting requirements of Regulation G (12 C.F.R. 207). In general, the Federal Reserve does not consider individual respondent commercial and financial information collected by the Federal Reserve pursuant to Regulation G as confidential. However, a respondent may request confidential treatment pursuant to section (b)(4) of Freedom of Information Act, 5 U.S.C 552(b)(4).

Abstract: Section 48 of the FDI Act imposes disclosure and reporting requirements on IDIs, their affiliates and NGEPs that enter into written agreements that meet certain criteria. The written agreements must (1) be made in fulfillment of the Community Reinvestment Act of 1977 (CRA) and (2) involve funds or other resources of an IDI or affiliate with an aggregate value of more than \$10,000 in a year, or loans with an aggregate principal value of more than \$50,000 in a year. Section 48 excludes from the disclosure and reporting requirements any agreement between an IDI or its affiliate and an NGEP if the NGEP has not contacted the IDI or its affiliate, or a banking agency, concerning the CRA performance of the IDI.

Regulation G contains four disclosure requirements and two reporting requirements for IDIs and affiliates and three disclosure requirements and one reporting requirement for NGEPS. Please see the agency's OMB supporting statement for a summary of the disclosure and reporting requirements of Regulation G, <http://www.federalreserve.gov/boarddocs/reportforms/review.cfm>.

The disclosure and reporting requirements in connection with Regulation G are mandatory and apply to state member banks and their subsidiaries; bank holding companies; affiliates of bank holding companies, other than banks, savings associations, and subsidiaries of banks and savings associations; and NGEPS that enter into covered agreements with any of the aforementioned companies.

(2) *Report title:* Disclosure Requirements in Connection With Regulation H (Consumer Protections in Sales of Insurance)

Agency form number: Reg H-7

OMB control number: 7100-0298

Frequency: On occasion

Reporters: State member banks

Annual reporting hours: 14,159 hours

Number of respondents: 899

Estimated average hours per response: 1.5 minutes

General description of report: This information collection is mandatory pursuant the Federal Deposit Insurance Act, 12 U.S.C. 1831x. Since the Federal Reserve does not collect any information, no issue of confidentiality normally arises.

Abstract: Section 305 of the Gramm-Leach-Bliley Act requires financial institutions to provide written and oral disclosures to consumers in connection with the initial sale of an insurance product or annuity concerning its uninsured nature and the existence of the investment risk, if appropriate, and the fact that insurance sales and credit may not be tied.

Covered persons must make insurance disclosures before the completion of the initial sale of an insurance product or annuity to a consumer. The disclosure must be made orally and in writing to the consumer that: (1) the insurance product or annuity is not a deposit or other obligation of, or guaranteed by, the financial institution or an affiliate of the financial institution; (2) the insurance product or annuity is not insured by the FDIC or any other agency of the United States, the financial institution, or (if applicable) an affiliate of the financial institution; and (3) in the case of an insurance product or annuity that involves an investment risk, there is investment risk associated with the product, including the possible loss of value.

Covered persons must make a credit disclosure at the time a consumer applies for an extension of credit in connection with which an insurance product or annuity is solicited, offered, or sold. The disclosure must be made orally and in writing that the financial institution may not condition an extension of credit on either: (1) the consumer's purchase of an insurance product or annuity from the financial institution or any of its affiliates; or (2) the consumer's agreement not to obtain, or a prohibition on the consumer from obtaining, an insurance product or annuity from an unaffiliated entity.

Board of Governors of the Federal Reserve System, October 13, 2006.
