LEGAL DISCLAIMER

SUMMARY In accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the OCC, the Board, and the FDIC (collectively, the "agencies") may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number. On July 30, 2012, the agencies, under the auspices of the Federal Financial Institutions Examination Council (FFIEC), published a notice in the Federal Register (77 FR 44714) and requested public comment for 60 days on a proposal to extend, with revision, the Foreign Branch Report of Condition (FFIEC 030 and FFIEC 030S), which is a currently approved information collection for each agency. The comment period for this notice expired on September 28, 2012. The agencies are now submitting requests to OMB for approval of the extension, with revision, of the FFIEC 030 and FFIEC 030S.

Abstract

[Back to Top](#)

The FFIEC 030 contains asset and liability information for foreign branches of insured U.S. banks and is required for regulatory and supervisory purposes. The information is used by the agencies to analyze the foreign operations of U.S. banks. All foreign branches of U.S. banks with total assets of \$50 million or more regardless of charter type file this report with the appropriate Federal Reserve District Bank. The Federal Reserve collects this information on behalf of the U.S. bank's primary federal bank regulatory agency. The FFIEC 030S contains five data items that branches with total assets between \$50 million and \$250 million file on an annual basis in lieu of the FFIEC 030 reporting form.

Current Actions

[Back to Top](#)

On July 21, 2011, supervisory responsibility for federal and state-chartered savings associations was transferred from the former Office of Thrift Supervision to the OCC and the FDIC, respectively, pursuant to Title III of the Dodd-Frank Wall Street Reform and Consumer Protection Act, [Public Law 111-203](#). Accordingly, the Foreign Branch Report of Condition would be applicable to foreign branches, if any, of insured U.S. savings associations beginning as of the December 31, 2012, report date. No other changes are proposed to the FFIEC 030 or FFIEC 030S reporting forms or instructions in connection with the agencies' request for approval to extend for three years, with revision, this collection of information. The agencies collectively received one comment on their July 30, 2012, **Federal Register** initial notice that supported the collection of the Foreign Branch Report of Condition.
