FINANCIAL HOLDING COMPANY ELECTION 32

OVERVIEW

I. Introduction

On December 10, 2025, Enova International, Inc. (“**Enova**”), a publicly traded financial services company incorporated under the laws of Delaware, entered into an Agreement and Plan of Merger (as amended by that certain Amendment No. 1 to the Agreement and Plan of Merger dated as of December 18, 2025, the “**Merger Agreement**”) to acquire Grasshopper Bancorp, Inc. (“**Grasshopper**”), a bank holding company registered with the FRB under the Bank Holding Company Act of 1956, as amended (the “**BHCA**”), and its FDIC-insured national bank subsidiary, Grasshopper Bank, National Association (the “**Bank**” or the “**Target Bank**”). Enova is submitting this application to the FRB and the Federal Reserve Bank of Chicago (collectively, the “**Federal Reserve**”) on form FR Y-3 pursuant to Section 3 of the BHCA (the “**Application**”) to become a bank holding company and has included a financial holding company election as a part of this Application.

Under the Merger Agreement, Enova’s acquisition of Grasshopper and the Bank will be effected through a series of transaction steps outlined below:

1. Formation of Enova Interim Bank, National Association: An interim national bank and wholly owned subsidiary of Enova will be formed (the “**Enova Interim Bank**”). Enova Interim Bank’s main office will be in South Jordan, Utah, where Enova has existing operations.
2. The Merger: Grasshopper will merge with and into Enova (the “**Merger**”), with Enova continuing as the surviving corporation and becoming a bank holding company.
3. The Bank Merger: Enova Interim Bank will merge with and into the Bank (the “**Bank Merger**,” and together with the Merger, the “**Mergers**”), with the Bank as the surviving entity. The resulting Bank will designate Enova Interim Bank’s main office in Utah as the Bank’s main office.¹
4. Contribution of Assets: Immediately following the Bank Merger, Enova will contribute certain assets to the resulting Bank, and the resulting Bank will begin to execute on its proposed business plan (the “**Contribution and Business Plan Execution**”). For additional information regarding the Contribution and Business Plan Execution, see Confidential Exhibit 1.

In this Application, we refer to the Mergers and the Contribution and Business Plan Execution collectively as the “**Proposed Transactions**.”

In addition to this Application, Enova is submitting to the Office of the Comptroller of the Currency (“**OCC**”) an Interim National Bank Application, and related forms, to form Enova Interim Bank. Enova Interim Bank is submitting an Interagency Bank Merger Act Application to request OCC approval for the Bank Merger. The Bank also is filing a Substantial Asset Change Application and

¹ The name for the resulting Bank will be determined at a later date. The parties will comply with all applicable OCC and Federal Reserve requirements to effect the change in name.

Material Noncash Contribution to Capital Surplus Application to facilitate the Contribution and Business Plan Execution.

Enova also is simultaneously submitting to the Federal Reserve a financial holding company election as a part of this FR Y-3 application and an application on form FR Y-4 pursuant to Section 4 of the Bank Holding Company Act to engage in nonbanking activities if necessary prior to the effectiveness of its financial holding company election.

The Proposed Transactions will allow Enova to create a differentiated financial services company that responsibly provides banking products and services to underserved consumers and small businesses across the U.S. under the uniform and robust supervision of the prudential bank supervisory and regulatory framework. Enova's online business expertise, diversified consumer and business offerings, technology, proprietary analytics, and financial resources position the resulting firm to become a unique banking organization. As described in this Application, Enova satisfies the requirements of section 3 of the BHCA to become a bank holding company and the requirements of section 4(1) in the BHCA and Regulation Y to become a financial holding company.

II. Parties to the Proposed Transactions

A. Enova International, Inc.

Enova is a publicly traded financial services company headquartered in Chicago, Illinois; listed on the New York Stock Exchange (NYSE: ENVA); and included in the S&P SmallCap 600 and Russell 2000 indices. Founded in 2004, Enova is an established online lender that has expanded through organic growth and acquisitions to operate today in all 50 states and Washington, D.C. and Brazil. To support these operations, Enova employs 1,787 employees (as of December 31, 2024), with offices located in South Jordan, Utah; New York, New York; Denver, Colorado; Chicago, Illinois; São Paulo, Brazil; and Mexico City, Mexico.

In 2024, Enova extended approximately \$6.1 billion in aggregate credit or financing to borrowers, and, as of September 30, 2025, Enova had approximately \$5.96 billion in total assets. Since 2004, Enova has served over 13 million customers and originated or purchased over \$65 billion in loans.² Enova's 2024 net income was approximately \$209.4 million, and its 2024 revenue was \$2.7 billion.

Over the past twenty-one years, Enova has developed deep experience working with nonprime consumers, managing credit risks to help bring credit to an otherwise underserved consumer segment. Enova is currently subject to and complies with a broad array of state and federal regulatory requirements that govern its business and its financial products. Enova and its subsidiaries currently hold over 200 state licenses to provide services such as lending, servicing, collections, brokering, and money transfer.³

Enova offers a variety of services through its proprietary lending platform to consumer borrowers as well as small business borrowers. As of December 31, 2024, Enova facilitated consumer loans or lines

³ See Confidential Exhibit 28 for a list of regulatory licenses held by Enova and its subsidiaries.

of credit to consumers in 37 states in the United States and in Brazil⁴ and offered financing for small businesses in 49 states and Washington D.C. Enova currently offers consumer installment loans; small business installment loans; consumer line of credit accounts; small business line of credit accounts; a credit services organization or credit access business program in Texas, under which Enova guarantees consumer loan payment obligations to third-party lenders and provides services such as arranging loans and assisting in the preparation of loan applications and loan documents; and “bank programs” through which Enova provides marketing services and loan servicing to bank partners, currently consisting of Capital Community Bank, Transportation Alliance Bank, Republic Bank & Trust Company, Celtic Bank, and Banco Afinz S/A Banco Multiplo, for certain installment loans and line of credit accounts.

Enova’s consumer segment operates under five primary brands: CashNetUSA, NetCredit, Simplic, Align Balance, and Pangea. CashNetUSA offers personal installment loans, credit access business loans, and lines of credit. NetCredit provides personal loans and lines of credit while also operating servicing companies that enable banks to offer these products. Simplic serves the Brazilian market, managing a services program for banks to offer personal installment loans. Align Balance provides debt collections services for Enova’s U.S. consumer loans and lines of credit under the CashNetUSA and NetCredit business units. Pangea offers outbound international money transfer services from 49 U.S. states to 40 countries, primarily in Latin America and the Philippines.

Enova’s small business segment operates under the OnDeck and Headway Capital brands. OnDeck offers a wide range of term loans and lines of credit customized for the needs of small business owners. Headway Capital is a dedicated small business lender offering revolving lines of credit designed to help with everyday small business needs.

B. Enova Interim Bank

Enova will form Enova Interim Bank for the purposes of facilitating the Proposed Transactions. Enova Interim Bank will merge with and into the Target Bank in the Bank Merger. Enova Interim Bank’s main office will be in South Jordan, Utah, where Enova has existing operations, and the resulting Bank will designate Enova Interim Bank’s main office in Utah as the resulting Bank’s main office.

C. Grasshopper Bancorp, Inc. and Grasshopper Bank, National Association

Grasshopper is a bank holding company headquartered in New York, New York, subject to supervision by the Federal Reserve, and the parent company for the Bank, which has its main office in New York, New York. The Bank is an FDIC-insured national bank that began operations in 2019 as a privately owned, full-service digital bank. The Bank serves primarily small businesses, venture-backed companies, fintech-focused Banking-as-a-Service (“**BaaS**”) and commercial banking platforms, and engages in Small Business Administration (“**SBA**”) lending, commercial real estate lending, and yacht lending. The Bank’s operational scope expanded on April 1, 2025, through the acquisition of Auto Club Trust, FSB. This transaction diversified the Bank’s prior monoline commercial focus by adding a dedicated consumer banking division and an established auto-secured lending portfolio.

The Bank’s lending primarily consists of commercial and industrial loans for small to medium sized businesses (to which we refer collectively as small businesses), including all-purpose loans, term

loans, owner-occupied and non-owner occupied commercial real estate term loans, revolving lines of credit, and letters of credit, supplemented by niche financing for venture funds and yacht lending. The Bank's deposit offerings include small business checking and saving accounts, checking and saving accounts tailored to startup companies, and bank products tailored to venture capital and private equity sponsors and their portfolio companies. The Bank's fintech segment offers embedded finance solutions, API Banking, and BaaS partnerships with third-party companies. Following the 2025 acquisition of Auto Club Trust, FSB, the consumer segment provides checking and savings products to a national market and originates auto-secured loans through both direct-to-consumer and white-label channels.

As of September 30, 2025, the Bank had approximately \$1.4 billion in total assets and approximately \$1.3 billion in total deposits on the balance sheet (with an additional \$1.2 billion of off-balance sheet deposits). As of September 30, 2025, the Bank's common equity Tier 1 capital ratio was 10.22 percent, its Tier 1 risk-based capital ratio was 10.22 percent, its total capital ratio was 11.03 percent. Through the first three quarters of 2025, the Bank earned approximately \$52 million in total interest income and approximately \$15 million in total noninterest income.

III. Purpose of the Proposed Transactions

The Target Bank's digital banking business model aligns well with Enova's online lending business model, and the merger of these institutions will further Enova's tradition of innovation and enhance its ability to serve underserved businesses and consumers throughout the credit cycle, without the costs associated with a large brick and mortar footprint. The business maturity, size, and proven capabilities of Enova make it well suited to increase financial inclusion by gaining a depository institution's ability to operate nationwide largely under one set of rules, consistent interest rates, and simplified licensing with federal supervision and Community Reinvestment Act ("CRA") obligations that support accountability and fair access.

The Proposed Transactions will provide a number of important benefits to Enova, the Target Bank, and their customers and communities across the United States, including the following:

Better Serving the Underserved Community. Building on the existing robust efforts of Enova and the Target Bank, the Bank Merger will allow Enova to further expand its ability to provide access to the banking system to underserved businesses and customers throughout the credit cycle. Enova's product set does this well today, but will be strengthened in its ability to lend across the credit continuum when it can operate under a uniform federal legal framework and fund loans with low cost deposits. By combining a bank with complimentary capabilities with Enova's online-lending presence, the Bank Merger will allow Enova to create a cohesive portfolio of financing, deposit, and financial management solutions to meet the needs of consumers and small businesses that are not well served by other financial institutions. This portfolio will include affordable checking accounts, loans, lines of credit, financial management products and services. Following the Bank Merger, Enova will be able to directly lend to more individuals and small businesses, and will over time wind-down its business of providing services to community banks, and therefore should have greater capabilities to lend directly to underserved borrowers throughout the credit cycle.

Stability of Funding Model. As a nonbank financial services company, Enova currently depends on external sources of funding, such as warehouse lines of credit, to fund its loans. As a result of the Proposed Transactions, Enova would predominantly lend to customers through its FDIC-insured bank subsidiary, the resulting Bank. Deposits, which are a stable and low-cost source of funding throughout

economic cycles, will form the majority of funds for operations. Further, the resulting Bank could turn to other sources of liquidity, like the Federal Reserve Discount Window in addition to capital markets, to continue to support borrowers as necessary or advisable, including during periods of market instability.

Operational Efficiencies Achieved Through Enhanced Uniformity of Regulation and Supervision. As a nonbank financial services company, Enova currently must obtain lending licenses from numerous states in the U.S. and is subject to a complex patchwork of state laws and regulations. Enova and its subsidiaries presently possess lending licenses in 32 states. As a national bank, the resulting Bank would benefit from the consistency of uniform, nationwide standards to govern its lending, as well as supervision by a single primary prudential federal regulator, the OCC, in lieu of a patchwork of state regulation.

Driving Innovation in the Banking Sector. Enova and the Target Bank are each currently promoting innovation in the financial sector through cutting-edge analytical capacities and digital platforms. As a result of the Proposed Transactions, the resulting Bank will leverage the existing technology and capacity of Enova and the Target Bank, and the benefits of operating as an FDIC-insured depository institution, to quickly and efficiently lend to consumers and small businesses in a readily accessible online platform.

IV. The Merger Agreement

Upon the terms and subject to the conditions of the Merger Agreement, Grasshopper will merge with and into Enova, with Enova as the surviving corporation resulting from the Merger, and Enova Interim Bank will merge with and into the Target Bank, with the Target Bank as the surviving bank.

Under the Merger Agreement, if the Merger is completed, each share of Grasshopper common stock (excluding certain specified shares owned by Grasshopper or Enova and shares held by stockholders who properly exercise appraisal rights) that is issued and outstanding immediately prior to the effective time of the Merger (the “**Effective Time**”) will be converted into the right to receive (1) approximately 0.038185 of a share of Enova common stock, with cash paid in lieu of fractional shares (the “**Stock Consideration**”), and (2) \$4.845 (the “**Cash Consideration**” and, together with the Stock Consideration, the “**Per Share Merger Consideration**”). The Per Share Merger Consideration is subject to adjustment pursuant to the terms of the Merger Agreement such that the total consideration for all outstanding shares of Grasshopper common stock (the “**Merger Consideration**”) remains no higher than approximately \$350 million in the aggregate (excluding cash paid for Grasshopper stock options and Grasshopper warrants).

At the Effective Time, each stock option granted by Grasshopper to purchase a share of Grasshopper common stock (a “**Grasshopper Stock Option**”) that is outstanding and unexercised immediately prior to the Effective Time, will be fully vested then cancelled and converted into the right to receive from Enova, not less than 10 business days following the Effective Time, a cash payment (less any required tax withholding) equal to the product, rounded up to the nearest cent, of (1) the number of shares of Grasshopper common stock subject to such Grasshopper Stock Option immediately prior to the Effective Time, multiplied by (2) the difference, if positive, between the Cash Consideration multiplied by two (the “**Per Share Cash Amount**”), and the exercise price of such Grasshopper Stock Option. Any Grasshopper Stock Option with an exercise price that equals or exceeds the Per Share Cash Amount, will be canceled with no consideration being paid to the optionholder.

Prior to the Effective Time, Grasshopper will use reasonable best efforts to cause any outstanding and unexercised warrant in respect of Grasshopper common stock (a “**Grasshopper Warrant**”), whether vested or unvested, as of immediately prior to the Effective Time to be canceled and the holder thereof will have no further rights with respect to such Grasshopper Warrant, unless the holder of such Grasshopper Warrant executes prior to the Effective Time a warrant cancellation agreement in form and substance reasonably satisfactory to Enova (which will include a full release of any rights each holder has with respect to a Grasshopper Warrant, other than the cash payment described below), in which case such Grasshopper Warrant subject to an executed warrant cancellation agreement will instead be canceled at the Effective Time without any consideration other than the right to receive from Enova at the Effective Time a cash payment (less any required withholding) payable to such holder of such Grasshopper Warrants of a pro rata amount of the aggregate amount payable by Enova with respect to all the Grasshopper Warrants of \$2,500,000.

The Merger Agreement provides that the directors of Enova in office immediately prior to the Effective Time shall serve as the directors of Enova (as the surviving corporation) from and after the Merger.

The Merger Agreement, which has been approved by the boards of directors of each of Enova and Grasshopper prior to its execution, must also be approved by the affirmative vote of a majority of the votes cast at a meeting of Grasshopper stockholders called for the purpose of voting on the Merger. Enova prepared and filed a Form S-4 on December 29, 2025 to register the shares of Enova common stock that will be delivered to the Grasshopper stockholders as part of the Stock Consideration.⁵

V. Analysis and Due Diligence Conducted by Enova of the Target Bank and Grasshopper

Enova and Grasshopper both leveraged extensive merger and acquisition experience to conduct a comprehensive reciprocal diligence process. Confidential Exhibit 8 contains a summary of the diligence process.

VI. Factors Under Section 3 of the BHCA

When evaluating an application for a company to become a bank holding company under Section 3(a)(1) of the BHCA, the Federal Reserve must consider the competitive impact of the transaction,⁶ the financial and managerial resources and future prospects of the company or companies and the banks concerned,⁷ the convenience and needs of the community to be served,⁸ the effectiveness of the company or companies in combatting money laundering activities,⁹ and the risks posed by the transaction to the stability of the United States banking or financial system.¹⁰ For the reasons described below, this Application satisfies each factor.

⁵ See Form S-4, Enova International, Inc. (Dec. 29, 2025), <https://www.sec.gov/Archives/edgar/data/1529864/000119312525335296/d27021ds4a.htm>

⁶ 12 U.S.C. § 1842(c)(1).

⁷ 12 U.S.C. § 1842(c)(2).

⁸ 12 U.S.C. § 1842(c)(2).

⁹ 12 U.S.C. § 1842(c)(6).

¹⁰ 12 U.S.C. § 1842(c)(7).

A. Effects on Competition

Under Section 3(c)(1) of the BHCA, the Federal Reserve must not approve a merger that would “result in a monopoly, or which would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the business of banking in any part of the United States.”¹¹ The Federal Reserve is also prohibited from approving any merger “whose effect in any section of the country may be substantially to lessen competition, or to tend to create a monopoly, or which in any other manner would be in restraint [of] trade, unless it finds that the anticompetitive effects of the proposed transaction are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served.”¹²

The Mergers will have no effect on competition as measured through deposit share, as Enova is not currently a bank holding company and does not own a depository institution. The Enova Interim Bank will be a de novo institution that does not offer any lending products and has no deposits. As such, there is no competitive overlap between the deposit markets of Grasshopper and Enova. More broadly, the Proposed Transactions will have *pro-competitive* impact. Enova and Grasshopper currently do not overlap in any product markets. As a new entrant into banking, Enova will introduce a new source of competition among banking organizations in the market for lending and other financial services, particularly because it intends to expand on the current offerings of Grasshopper Bank and compete on a national basis using a digital platform that is convenient for consumers and small businesses.

B. Financial and Managerial Resources

Under Section 3(c)(2) of the BHCA, the Federal Reserve must “take into consideration the financial and managerial resources and future prospects of the company or companies and the banks concerned.”¹³ Founded in 2004, Enova has grown over the course of two decades into a well-established online financial services provider with core offerings for consumers and small businesses. As described in greater detail throughout this Application, Enova and Grasshopper have sufficient financial and managerial resources to consummate the Mergers and to integrate Grasshopper’s operations and activities into Enova’s business model in a manner consistent with safe and sound banking principles.

Enova is a large and well-established lender with a history of profitability. Including its third quarter 2025 results, Enova has experienced six consecutive quarters of year-over-year adjusted Earnings per Share growth of at least 25 percent. Enova reported total revenue of \$803 million in the third quarter of 2025, which was a 16 percent increase from \$690 million in the third quarter of 2024. As noted above, since 2004, Enova has served over 13 million customers and originated or purchased over \$65 billion in loans. As of September 30, 2025, Enova had approximately \$5.96 billion in total assets. The Proposed Transactions contemplate that Enova will contribute certain assets to the resulting Bank, infusing the resulting Bank from Day 1 with the financial benefits of operating under the Enova umbrella. For additional information, see Confidential Exhibit 1.

Enova has a track record of several successful integrations, acquiring Pangea Money Transfer (2021), OnDeck (2020), and The Business Backer (2015). The Target Bank currently operates a digital

financial services business model that aligns well with Enova’s online platform. As a result, Enova’s management is already highly experienced with digital product offerings and will be prepared to oversee added online offerings from the Target Bank. Enova’s Board of Directors and management team will bring extensive experience to their roles at the bank holding company, including experience at banks and technology companies. The Enova board will remain the same, and the resulting Bank board will be the same as the Enova board with the addition of the Target Bank CEO as a director at the Bank level. The CEO of Enova will become the CEO of the resulting Bank, and the current CEO of Grasshopper will become the President of the resulting Bank and join the Enova Executive Leadership Team. The resulting Bank’s management will consist of existing Grasshopper Bank management with the addition of several Enova leaders.

Enova believes the risk management and compliance resources of the combined institution will adequately support the combined institution’s strategic objectives and regulatory obligations. Both Enova and Grasshopper currently use the three lines of defense model of risk management, with board committees that currently oversee Internal Audit and Compliance functions with regular reviews of critical areas, activities, and credit risk. The resulting institutions will continue to maintain robust risk and compliance systems, drawing from the best elements of the merging institutions. In addition, the combined institution will continue to invest in and bolster its risk management and compliance resources. Confidential Exhibit 5 provides pro forma and projected financial statements reflecting the resulting Bank’s balance sheet, projected income, and regulatory capital following the Proposed Transactions. Following consummation of the Proposed Transactions, Enova and the resulting Bank will be well capitalized.

C. Convenience and Needs of the Communities to Be Served

Under Section 3(c)(2) of the BHCA, the Federal Reserve must “take into consideration ... the convenience and needs of the community to be served.”¹⁴ The foundation of Enova’s business is to support the credit needs of consumers and small businesses that are underserved by the banking sector, including nonprime borrowers. Enova has deep experience managing credit risk of nonprime consumers and growing small businesses through multiple business cycles with steady performance resulting from a consistent focus on risk-based unit economics decisioning and a highly adaptable, online-first operating model, along with a liquidity profile supported by cost-effective and diverse funding, maturity laddering, customer payment frequency and demonstrated access to secured and unsecured capital markets that will support regulatory capital requirements and expectations. Through the Proposed Transactions, Enova will acquire an FDIC-insured bank that will provide it with a simpler product and licensing regime, as well as access to a consistent and stable source of funds for lending to these segments throughout the economic cycle and across the credit continuum.

The resulting Bank plans to build on the solid CRA performance record of the Target Bank. Having only begun operations on May 13, 2019, the Target Bank has earned a Satisfactory rating on its initial CRA evaluation as a small bank in 2022.¹⁵ The evaluation report explained that the lending activity was “reasonable, given the de novo status, size, and business strategy of the institution.” Following the Mergers, the resulting Bank will have no branches aside from its main office in Utah. The resulting Bank

will work with community groups in the community surrounding the main office to ascertain the needs of the community and how best to serve those needs. At this time, Enova anticipates that the resulting Bank will be able to make the greatest impact in its communities through a strategic plan to be developed in consultation with community members following the consummation of the Mergers.

Beyond the resulting Bank's responsibilities under the CRA, the Proposed Transactions will bring benefits to Enova, the Target Bank, and their customers and communities across the United States, including the following:

Efficiencies of Uniform Standards and Stability of Funding Model

As described further above, the Proposed Transactions will result in the efficiencies that come from operating a banking business through a national bank, as the resulting Bank will not have to manage licensing and operations on a state-by-state level. Deposits will provide stable funding that will enable Enova (through the resulting Bank) to better serve its customers throughout economic cycles.

Small Business Lending

Both Enova and Grasshopper have strong small business lending infrastructures, and the synergies of the combined institution will benefit small business clients nationwide. Enova currently offers small business lending through its OnDeck and Headway Capital brands. The Target Bank is a Preferred Lender for SBA 7(a) and 504 loans, through which it provides needed capital to small businesses and businesses located in low- and moderate-income ("LMI") census tracts.

Shift to Focus on Underserved Consumers and Small Businesses

The resulting Bank's strategy and operations will include contributed businesses with associated products consisting of NetCredit consumer installment loans and lines of credit, along with OnDeck small business installment loans and lines of credit, and Headway Capital small business lines of credit. The business strategy and operations will add to the Bank's current focus on deposit-gathering and lending to consumers and growing small businesses. The Target Bank will maintain its strategy of offering a premier banking experience for commercial and consumer customers, adapting to the demographics served by the NetCredit and small business products.

Convenient Access to Banking Products and Services

The resulting Bank will provide a customer centric digital-first banking experience operating 24 hours a day, 7 days a week. Consistent with both Enova's and Grasshopper's existing customer acquisition models, customers of the resulting Bank will be able to submit loan and banking applications using computers, tablets, and mobile devices at any time of day. This approach maximizes convenience for many Americans, and it promotes financial inclusion by reaching consumers who may be physically distant from a bank branch, whose working hours preclude them from visiting a traditional branch, or who are otherwise underserved. Enova believes that the convenience of its online products and 24/7 availability to accept applications with quick approval decisions are important to its customers and to the lending system.

While the resulting Bank will engage with customers in a digital first manner, its technology enabled business model will be paired with an available personal support team to assist in answering

questions and meeting financial needs. This customer support team will be available daily during extended hours.

D. Record of Anti-Money Laundering Compliance

Under Section 3(c)(6) of the BHCA, the Federal Reserve must “take into consideration the effectiveness of the company or companies in combatting money laundering activities, including in overseas branches.”¹⁶ Enova is dedicated to serving its customers with the highest standards of financial integrity and industry compliance. Enova is already subject to certain anti-money laundering (“AML”) compliance obligations in the United States and other jurisdictions in which Enova conducts business. In the United States, the USA PATRIOT Act and the Bank Secrecy Act require Enova to maintain an anti-money laundering compliance program to cover certain business activities. The program is required to include: (1) the development of internal policies, procedures and controls; (2) designation of a compliance officer; (3) an ongoing employee training program; and (4) an independent audit function to test the program. Enova has a strong record of compliance with AML compliance requirements and is not, and has not previously been, subject to any AML enforcement actions.

Enova will expand its AML program following the Proposed Transactions to encompass obligations of an insured depository institution, leveraging and extending the existing AML framework of the Target Bank to cover the full range of products that the resulting Bank will offer. Target Bank also has a strong record of compliance with AML compliance requirements and has implemented compliance controls corresponding with the five pillars of an effective AML compliance program. The Target Bank is not subject to any formal AML enforcement actions.

E. Impact on U.S. Banking or Financial Stability

Pursuant to Section 3(c)(7) of the BHCA, the Federal Reserve must consider the extent to which the proposed merger transaction would pose a risk to the financial stability of the U.S. banking or financial system.¹⁷ In assessing the impact of the transaction, the Federal Reserve considers factors including (1) the size of the resulting firm, (2) the availability of substitute providers for any critical products and services offered by the resulting firm, (3) the interconnectedness of the resulting firm with the banking or financial system, (4) the extent to which the resulting firm contributes to the complexity of the financial system, (5) the extent of the cross-border activities of the resulting firm, and (6) qualitative factors, such as the opacity and complexity of an institution’s internal organization, that are indicative of the relative degree of difficulty of resolving the resulting firm.¹⁸ On each of these factors, the Proposed Transaction will not pose a financial stability risk:

1. ***Size of Resulting Firm.*** The Federal Reserve has stated that “[t]he Board’s experience has shown that proposals involving an acquisition of less than \$10 billion in total assets, or that result in a firm with less than \$100 billion in total assets, generally are not likely to pose

¹⁶ 12 U.S.C. § 1842(c)(6).

¹⁷ 12 U.S.C. § 1842(c)(7).

¹⁸ See Federal Reserve System, Federal Reserve Order No. 2015-16: Order Approving the Acquisition of a Bank: HPB Holding, Inc. (Oct. 16, 2025), <https://www.federalreserve.gov/newsevents/pressreleases/files/orders20251016a1.pdf>.

systemic risks.”¹⁹ Enova following the Mergers will have significantly less than \$100 billion in combined assets. Based on Enova’s and Grasshopper Bancorp’s balance sheets as of September 30, 2025, the Bank Merger will involve the acquisition of approximately \$1.41 billion in total assets and the combined holding company will have approximately \$7.4 billion in total assets.

2. ***Substitutability of Critical Products and Services of the Resulting Firm.*** None of Enova’s or Grasshopper’s products (or those of Enova following the Proposed Transactions) should be regarded as “critical products and services.” These institutions primarily offer lending and deposit services provided by numerous financial institutions nationwide.
3. ***Interconnectedness of the Resulting Firm.*** The combined institution will not be so interconnected with the banking or financial system that financial distress of the combined institution would cause risks to other institutions. Enova has no plans for the resulting Bank to lend to or borrow from other banking organizations, and instead will focus the Bank’s business plan on retail target markets. Enova will continue to maintain debt facilities from other financial institutions, but does not plan to lend to other financial institutions.
4. ***Complexity of the Resulting Firm.*** Following the Proposed Transactions, neither Enova nor the resulting Bank will have a corporate structure, a funding model, branch network, or relationships with other depository institutions or counterparties that will materially contribute to the complexity of the financial system. Neither Enova nor the resulting Bank will engage in extensively complex activities such as clearing or settlements. Instead, the resulting Bank will have a straightforward lending and deposit-taking business model with a straightforward corporate structure. The resulting Bank will focus on consumer and small business lending, retail-deposit gathering, and a proven BaaS business model.
5. ***Cross-Border Activities of the Resulting Firm.*** The resulting Bank does not intend to engage in cross-border activities after final approval by the Federal Reserve.
6. ***Resolvability of the Resulting Firm.*** The Target Bank is currently an insured depository institution that would be resolved pursuant to the Federal Deposit Insurance Act (“**FDI Act**”) in the event of failure or insolvency. The combined institution would continue to be subject to resolution under the FDI Act in the event of failure or insolvency. The resulting Bank will not engage in any complex business activities that would be an impediment to an orderly resolution that does not present risk to the Deposit Insurance Fund. Likewise, Enova could be resolved effectively under the U.S. Bankruptcy Code.

¹⁹ See Federal Reserve System, Federal Reserve Order No. 2015-16: Order Approving the Acquisition of a Bank: HPB Holding, Inc. (Oct. 16, 2025), <https://www.federalreserve.gov/newsevents/pressreleases/files/orders20251016a1.pdf>. Also, the legislative history of the Economic Growth, Regulatory Relief, and Consumer Protection Act, indicates that an institution with less than \$100 billion in total consolidated assets is not systemically important or risky. See 164 Cong. Rec. S1572 (Executive Session, daily ed. Mar. 8, 2018) (Senate sponsor Mike Crapo citing testimony from Federal Reserve Board Chair Jerome Powell for the notion that banks with under \$100 billion in assets do not present systemic risks to the economy).

I. Proposed Transaction

- 1. Describe the transaction’s purpose. Identify any changes to the business plan of the Bank/Bank Holding Company to be acquired or the Resultant Institution. Identify any new business lines.**

As described in further detail in Section I of the Overview, the Mergers will allow Enova to further expand its ability to provide access to the banking system to underserved businesses and customers throughout the credit cycle. As described in more detail in the Bank Business Plan, included as Confidential Exhibit 1, following the Proposed Transactions, the Target Bank will maintain or expand certain key Target Bank business lines, including SBA lending, small business lending and banking, consumer auto lending, and the BaaS business lines. Enova will migrate its existing small business lending business line and existing NetCredit installment loans and lines of credit products to the resulting Bank, such that the resulting Bank will originate new loans in these segments following the Proposed Transactions. The Target Bank also will make certain other changes to existing business lines that are not expected to impact LMI consumers or small businesses.

- 2. Provide a copy of the Applicant’s integration plan to merge the operations of the combined organization. The integration plan should specify how risk management systems, operational processes, products and services, and other functions/processes of the Applicant and Target companies would be combined to achieve the strategic, financial, and operational goals of the proposed transaction. The plan should delineate the expected timeline to complete the integration process, focusing on core system conversions, and should identify the integration plan leadership and/or key personnel responsible for monitoring and completing the principal elements of the plan. As appropriate, the plan should specify completion dates for key elements of the integration plans.**

Please see Confidential Exhibit 23 for a summary of Enova’s integration plans.

- 3. Provide the following with respect to the Bank/Bank Holding Company to be acquired:**

- a. Total number of shares of each class of stock outstanding;**

As of November 12, 2025, 36,115,044 shares of common stock, par value \$0.01 per share, of Grasshopper (“**Grasshopper Common Stock**”) were issued and outstanding, and no shares of Grasshopper preferred stock were issued and outstanding.

b. Number of shares of each class now owned or under option by the applicant, by subsidiaries of the applicant, by principals of the applicant,²⁰ by trustees for the benefit of the applicant, its subsidiaries, shareholders, and employees as a class, or by an escrow arrangement instituted by the applicant;

Enova and its direct and indirect subsidiaries do not currently own shares of any class of Grasshopper stock nor any options to buy such shares. No such ownership is held by trustees for the benefit of Enova or its subsidiaries, stockholders, or employees, or by an escrow arrangement instituted by Enova. Based on publicly-available beneficial ownership filings as of April 23, 2025, as summarized in BlackRock, Inc.'s Schedule 13G/A filing dated April 23, 2025, BlackRock, Inc. controls approximately 14 percent of Enova's common stock. BlackRock does not currently own any shares of Grasshopper.

c. Number of shares of each class to be acquired by cash purchase; the amount to be paid, per share and in total; and the source of funds to be applied to the purchase;

At the Effective Time, all shares of Grasshopper common stock (excluding certain specified shares owned by Grasshopper or Enova and shares held by stockholders who properly exercise appraisal rights) issued and outstanding, which as of December 10, 2025 totaled 36,115,245, will be converted into the right to receive (1) approximately 0.038185 of a share of Enova common stock, with cash paid in lieu of fractional shares, and (2) \$4.8452, subject to an adjustment pursuant to the terms of the Merger Agreement. Accordingly, the aggregate amount of cash to be paid by Enova for all shares of Grasshopper common stock (excluding certain specified shares owned by Grasshopper or Enova and shares held by stockholders who properly exercise appraisal rights) issued and outstanding immediately prior to the Effective Time will be (a) cash paid in lieu of fractional shares – the amount of which is currently undetermined, *plus* (b) \$174,978,362, subject to an adjustment pursuant to the terms of the Merger Agreement. The cash paid per fraction of a share will be determined by reference to the average closing price of Enova Common Stock in the 10 trading days preceding the determination date, which will be the fifth business day prior to closing.

At the Effective Time, shares of Grasshopper common stock underlying in-the-money Grasshopper Stock Options, which as of December 10, 2025 totaled 2,797,000, will be canceled and converted into the right to receive a cash payment from Enova; out-of-the-money Grasshopper stock options will be canceled.

If the holder of a Grasshopper Warrant executes prior to the Effective Time a warrant cancellation agreement in form and substance reasonably satisfactory to Enova, such Grasshopper Warrant will be canceled at the Effective Time without any consideration other than the right to receive from Enova at the Effective Time a cash payment payable to such holder of such Grasshopper Warrants of a pro rata amount of the aggregate amount payable by Enova with respect to all the Grasshopper Warrants of \$2,500,000.

The source of the funds for these payments will be proceeds from secured debt facilities.

²⁰ The term principal as used herein means any individual, corporation, or other entity that (1) owns, or controls, directly or indirectly, individually or as a member of a group acting in concert, 10 percent or more of any class of voting securities or other voting equity interest of the entity; (2) is a director, trustee, partner, or executive officer; or (3) with or without ownership interest, participates, or has the authority to participate in major policy-making functions, whether or not the individual has an official title or is serving without compensation. If the applicant believes that any such individual should not be regarded as a principal, the applicant should so indicate and give reasons for such opinion.

d. Number of shares of each class to be acquired by exchange of stock, the exchange ratio, and the number and description of each class of the applicant's shares to be exchanged; and

At the Effective Time, all shares of Grasshopper common stock (excluding certain specified shares owned by Grasshopper or Enova and shares held by stockholders who properly exercise appraisal rights) issued and outstanding, which as of December 10, 2025 totaled 36,115,245, will be converted into the right to receive (1) approximately 0.038185 of a share of Enova common stock, par value \$0.00001 per share, with cash paid in lieu of fractional shares, and (2) \$4.8452, subject to an adjustment pursuant to the terms of the Merger Agreement.

e. A copy of the purchase, operating, shareholder, trust or other agreements associated with the proposed transaction. Also, provide the expiration dates of any contractual arrangement between the parties involved in this application and a brief description of any unusual contractual terms, especially those terms not disclosed elsewhere in the application. Note any other circumstances that might affect timing of the proposal.

The Merger Agreement for the Holding Company Merger is attached as Public Exhibit A to the Application. The Merger Agreement includes customary terms for a transaction of this type. The Amendment No. 1 to the Merger Agreement is attached as Public Exhibit B to the Application. Either party generally may terminate the Merger Agreement if the Mergers have not been consummated by 12 months after the date of the Merger Agreement.²¹

4. If the proposed transaction is an acquisition of assets and assumption of liabilities, indicate the total price and the source of funds that the applicant intends to use for the proposed purchase, and discuss the effect of the transaction on the operations of the applicant.

Not applicable. The proposed transaction is a merger, not an acquisition of assets or assumption of liabilities.

5. If the proposed transaction involves the acquisition of an unaffiliated banking operation or otherwise represents a change in ownership of established banking operations, describe briefly the due diligence review conducted on the target operations by the applicant. Indicate the scope of and resources committed to the review, explain any significant adverse findings, and describe the corrective action(s) to be taken to address those weaknesses.

Enova and Grasshopper both leveraged extensive merger and acquisition experience to conduct a comprehensive reciprocal diligence process. Confidential Exhibit 8 contains a summary of the diligence process.

²¹ The Form of Voting Agreement is attached as Public Exhibit C. The Investor Presentation is attached as Public Exhibit D. The Proposed Transactions' press release is attached as Public Exhibit E.

The pro forma balance sheet should reflect the adjustments required under business combination and fair value accounting standards;**

Not applicable. Enova and the resulting Bank will be subject to consolidated capital standards following consummation of the Proposed Transactions.

²² This type of applicant includes a company or similar organization that on a pro forma basis would be subject to the Board's Small Bank Holding Company Policy Statement.

b. For an applicant that is or would be subject to consolidated capital standards following consummation of the proposed transaction,²³ provide parent company and consolidated balance sheets as of the end of the most recent quarter, showing separately each principal group of assets, liabilities, and capital accounts; debit and credit adjustments (explained by detailed footnotes) reflecting the proposed transaction; and the resulting pro forma balance sheets; and the financial information provided should be prepared in accordance with GAAP, and be in sufficient detail to reflect any:

Please see Confidential Exhibit 24.

d. For an applicant regardless of whether it is subject to consolidated capital standards, provide a breakdown of the pro forma equity of the applicant by dollar amount, number of shares and class of stock, as appropriate, including voting and non-voting shares of the applicant.

Please see Confidential Exhibit 5 for pro forma equity of the resultant institution by dollar amount. As of October 22, 2025, Enova had 24,801,579 shares of common stock outstanding. As of November 12, 2025, 36,115,044 shares of common stock, par value \$0.01 per share, of Grasshopper Common Stock were issued and outstanding, and no shares of Grasshopper preferred stock were issued and outstanding. Enova does not currently have, and does not expect to have following the Mergers, any shares of nonvoting common stock or any shares of preferred stock outstanding.

²³ This type of applicant includes a company or similar organization that on a pro forma basis would not be subject to Board's Small Bank Holding Company Policy Statement.

²⁴ Other qualifying capital includes, but is not limited to, trust preferred securities.

- 11. Provide for the applicant and any other Bank(s)/Bank Holding Company(ies) that would result from the proposal:**

Specify the amount, purpose, name and location of the issuer and/or lender; provide a copy of any loan agreement, loan commitment letter from the lender, or other underlying agreement which provides the interest rate, maturity, collateral, and proposed amortization schedule; and discuss what resources would be used to service any debt or capital instruments arising from the proposed transaction; and**

Enova is proposing to issue approximately 1,551,801 shares of Enova common stock in connection with the Merger for the payment of the Stock Consideration. However, an increase or decrease in the number of outstanding shares of Grasshopper common stock prior to completion of the Merger could cause the actual number of shares issued in connection with the Merger to change. The issuance of these shares does not require any funds. The source of funds for payment of the aggregate Cash Consideration will be proceeds from secured debt facilities.

b. Cash flow projections under the following limited circumstances:

- i. For an applicant that is or would be subject to consolidated capital standards following consummation of the proposed transaction and that would incur or assume any debt in the proposal such that parent company long-term debt would exceed 30 percent of parent company equity capital, provide cash flow projections for the parent company for each of the next three years, along with supporting schedules for each material cash receipt and disbursement. If an applicant projects that dividends or other payments from subsidiary banks will be used to service parent company debt and/or other obligations, provide projections of subsidiary bank(s) assets, earnings, and dividends, as well as common equity tier 1, additional tier 1, total capital, and leverage ratios (including the supplementary leverage ratio, if applicable) or Community Bank Leverage Ratio, pursuant to the capital adequacy regulations. If the combined assets of the subsidiary banks exceed the asset threshold of the Board's Small Bank Holding Company Policy Statement, subsidiary bank data may be shown on an aggregate basis.**

Enova's cash consideration for the Mergers will be derived from proceeds from secured debt facilities and has provided cash flow projections for three years in the Confidential Volume.

- ii. For an applicant that is not or would not be subject to consolidated capital standards following consummation of the proposed transaction and that would incur or assume any debt or other obligations in the proposal such that parent company debt²⁵ would exceed 30 percent of parent company equity capital, provide cash flow projections for the parent company for each of the next twelve years, along with supporting schedules for each material cash receipt and disbursement. These projections must clearly demonstrate the ability of the parent company to reduce the debt to equity ratio to 30 percent or less within twelve years of consummation and must take into account the schedule of principal reduction required by the parent company's creditor(s). Include projections of subsidiary bank(s) assets, earnings, dividends, and other payments to affiliates, as well as common equity tier 1 capital, tier 1 capital, total capital and leverage ratios or Community Bank Leverage Ratio, as appropriate. Explain the methods and assumptions utilized in the projections.**

Not applicable. Enova will be subject to consolidated capital standards following consummation of the Mergers.

²⁵ Including any debt issued/incurred by nonbanking subsidiaries, such as trust preferred securities.

- c. Provide a current and pro forma shareholders list of the ownership of applicant. For the current and pro forma shareholders of the applicant identify those shareholders who are, or would be, presumed to be acting in concert pursuant to 12 CFR Section 225.41(d).**

Enova is a publicly-traded company, with shares of its common stock traded on the New York Stock Exchange, and thus its securities are generally widely-held with dispersed ownership. Enova is not aware of shareholders with 5 percent or more of the stock of Enova that are acting in concert pursuant to 12 C.F.R. § 225.41(d). Enova’s shareholders are expected to be diluted, to a level to be determined, as a result of the stock component of the Merger Consideration.

As of the most recently-available beneficial ownership filings, the largest holders of Enova’s outstanding common stock are the following:

Enova International, Inc. Common Stock Ownership²⁶		
Investor	Number of Shares Beneficially Owned²⁷	Percent of Class²⁸

The Vanguard Group	2,087,747.00	8.42
Dimensional Fund Advisors LP	1,182,662.00	4.77

No additional entity or individual will become a 5 percent or greater stockholder of Enova as a result of the Mergers.

- 16. Describe any litigation or investigation by local, state, or federal authorities involving the applicant or any of its subsidiaries or the target or any of its subsidiaries that is currently pending or was resolved within the last two years.**

Other than the following, there is no litigation or investigation by local, state, or federal authorities involving Enova or any of its subsidiaries or Grasshopper or any of its subsidiaries that is currently pending or was resolved within the last two years.

- On January 25, 2019, the Consumer Financial Protection Bureau (the “CFPB”) issued an order against Enova. The CFPB found that Enova violated the Consumer Financial Protection Act of 2010 and required Enova to, among other things, pay a \$3.2 million civil money penalty. The Consent Order was set to terminate 5 years after the effective date.
- On November 15, 2023, Enova consented to the issuance of a Consent Order by the CFPB pursuant to which Enova agreed, without admitting or denying any of the facts or conclusions, to pay a civil money penalty of \$15 million. The Consent Order related to issues, the majority of which were self-disclosed, including payment processing and debiting errors. Effective August 29, 2025, the CFPB terminated the Consent Order in full and waived any alleged non-compliance therewith.
- On August 6, 2024, a Final Order was entered by the Commissioner of the Florida Office of Financial Regulation approving the Stipulation and Consent Agreement with CashNetUSA of Florida, LLC, for alleged violations related to its historical payday lending activity from April 1, 2017 to March 31, 2019. CashNetUSA of Florida, LLC paid a fine of \$13,000. The Commissioner alleged that CashNetUSA of Florida, LLC had: (i) failed to include the drawer’s date of birth and social security number in the deferred presentment transaction agreements; (ii) failed to maintain copies of the drawer’s verifiable means of identification; (iii) failed to enter the correct information into the Deferred Presentment Provider database; (iv) failed to pay 1/2 of its fee to the credit counseling program; and (v) failed to accurately complete the Security Device Calculation Form.

Additional information regarding litigation, administrative actions, and investigations may be found in Confidential Exhibit 25 and Confidential Exhibit 26.

III. Competition

If the subject transaction is a bank holding company formation involving only one bank or an application filed pursuant to section 3(a)(3) or 3(a)(5) of the BHC Act to acquire a de novo bank, a response to items 17 and 18 is not required. Otherwise, the applicant should contact the appropriate Reserve Bank to determine whether a response to items 15 and 16 will be necessary. If a response is required, the applicant should obtain a preliminary definition of the relevant banking markets from the appropriate Reserve Bank. If the applicant disagrees with the Reserve Bank’s preliminary definition of the banking market(s), it may in addition to supplying the information requested on the basis of the Reserve Bank’s definition of the banking market(s), include its own definition of the banking market(s), with supportive data, and answer the questions based on its definition. If later analysis leads Federal Reserve staff to alter the preliminary definition provided, The applicant will be so informed.

- 17. Discuss the effects of the proposed transaction on competition considering the structural criteria specified in the Board’s Rules Regarding Delegation of Authority (section 265.20(c)(12)(v)(A)). The applicant may be required to provide additional information if Federal Reserve staff determines that the proposal exceeds existing competitive guidelines. Also, if divestiture of all or any portion of any bank or nonbanking company constitutes part of this proposal, discuss in detail the specifics and timing of such divestiture.**

Not applicable, as the Merger results in a bank holding company formation involving only one bank. *See* Section VI.A of the Overview for detail regarding the pro-competitive impacts on competition that will result from the Proposed Transactions.

- 18. If the proposal involves the acquisition of non-bank operations under sections 4(c)(8) and 4(j) of the Bank Holding Company Act, a Form FR Y-4 should be submitted in connection with FR Y-3 filing. At a minimum, the information related to the nonbank operations should include the following:**

- a. A description of the proposed activity(ies);
- b. The name and location of the applicant’s and the Bank’s direct or indirect subsidiaries that engage in the proposed activity(ies);
- c. Identification of the geographic and product markets in which competition would be affected by the proposal;
- d. A description of the effect of the proposal on competition in the relevant markets; and
- e. A list of major competitors in each affected market.
- f. In addition, the applicant should identify any other nonbank operations to be acquired, with brief descriptions of the activities provided.

Not applicable, as the Merger results in a bank holding company formation involving only one bank.

- 19. In an application in which any principal of the applicant or the Bank/Bank Holding Company is also a principal of any other insured depository institution or depository institution holding company, give the name and location of each office of such other institution that is located within the relevant banking market of the Bank/Bank Holding Company, and give the approximate road miles by the most accessible and traveled route between those offices and each of the offices of Bank/Bank Holding Company.**

Not applicable, as the Merger results in a bank holding company formation involving only one bank.

IV. Convenience and Needs

- 20. Describe how the proposal would assist in meeting the convenience and needs of the community(ies) to be served, including but not limited to the following:**

The foundation of Enova’s business is to support the credit needs of consumers and small businesses that are underserved by the banking sector, including nonprime borrowers. Enova has deep

experience managing credit risk of nonprime consumers and small businesses through a range of business cycles with steady performance resulting from a consistent focus on risk-based unit economics decisioning and a highly adaptable, online-first operating model, along with a liquidity profile supported by cost-effective and diverse funding, maturity laddering, customer payment frequency and demonstrated access to secured and unsecured capital markets that will support regulatory capital requirements and expectations. Through the Proposed Transactions, Enova will acquire an FDIC-insured bank that will provide it access to a consistent and stable source of funds for lending to these segments throughout the economic cycle. The Proposed Transactions will enhance Enova's ability to serve its customers through a broader range of products and services and expand Enova's base of customers.

a. Summarize efforts undertaken or contemplated by the applicant to ascertain and address the needs of the community(ies) to be served, including community outreach activities, as a result of the proposal.

The Target Bank has an active CRA program through which it ascertains and addresses the needs of the community in which it is located, though the Target Bank also fulfills needs of its nationwide client base outside of its New York assessment area. As a result of the Proposed Transactions, Enova and the resulting Bank will continue to serve a nationwide customer base, including residents and businesses located in the area surrounding the resulting Bank's Utah main office.

The resulting Bank will work with community groups to develop a CRA plan that will effectively serve the needs of its community, including the needs of low- and moderate- income individuals. The resulting Bank plans to complete a needs assessment during its first year of operation, opening a dialogue and engaging with local community leaders.

b. For the combining institutions, list any significant anticipated changes in services or products offered by the depository subsidiary (ies) of the applicant or target that would result from the consummation of the transaction.

The resulting Bank's post-merger strategy and operations will include contributed businesses with associated products consisting of NetCredit consumer installment loans and lines of credit, along with OnDeck small business installment loans and lines of credit and Headway Capital small business lines of credit. The business strategy and operations will add to the Bank's current focus on deposit-gathering and lending to consumers and growing small businesses. The Target Bank will maintain its strategy of offering a premier banking experience for commercial and consumer customers, adapting to the demographics served by the NetCredit, OnDeck, and Headway Capital products.

As described in more detail in the Bank Business Plan, included as Confidential Exhibit 1, following the Proposed Transactions, the Target Bank will maintain or expand certain key Target Bank business lines, including SBA lending small business lending and banking, consumer auto lending, and the BaaS business lines. Enova will migrate its existing small business lending business line and existing NetCredit installment loans and lines of credit products to the resulting Bank, such that the resulting Bank will originate new loans in these segments following the Proposed Transactions. The Target Bank also will make certain other changes to existing business lines that are not expected to impact LMI consumers or small businesses. For additional information regarding the proposed changes to the Target Bank's products and services, please see the Bank Business Plan, included as Confidential Exhibit 1.

- c. To the extent that any products or services of the depository subsidiary (ies) of the applicant or target would be offered in replacement of any products or services to be discontinued, indicate what these are and how they would assist in meeting the convenience and needs of the communities affected by the transaction.**

Not applicable.

- d. Discuss any enhancements in products or services expected to result from the transaction.**

As part of the Contribution and Business Plan Execution, following the Bank Merger, Enova will contribute the operations of the following business lines to the resulting Bank: NetCredit (Consumer Loans and Lines of Credit), OnDeck Capital (Small Business Loans and Lines of Credit), and Headway Capital (Small Business Lines of Credit). As a result, the underlying technology, employees, intellectual property, and other operational assets for the contributed businesses will be contributed to the Bank. These contributions will provide the Bank the infrastructure and expertise needed to responsibly extend new forms of retail credit with an expanded product suite. Additionally, current customers of Enova and Grasshopper will enjoy enhancements to the set of products and services available to them. Specifically, Grasshopper's current customers will gain access to Enova's consumer and small business loan products, and Enova's current customers will gain access to the Bank's deposit products.

- 21. Describe how the applicant and resultant institution, including its depository subsidiary (ies) would assist in meeting the existing and anticipated needs of its community(ies) under the applicable criteria of the Community Reinvestment Act (CRA) and its implementing regulations, including the needs of low- and moderate-income geographies and individuals. This discussion should include, but not necessarily be limited to, a description of the following:**

- a. The significant current and anticipated programs, products, and activities, including lending, investments, and services, as appropriate, of the depository subsidiary (ies) of the applicant and the resultant institution.**

Enova does not currently operate an FDIC-insured institution and has not historically been subject to the CRA. Nevertheless, Enova engages in initiatives to connect with and give back to the community. As just one example, Enova currently partners with Granite Education Foundation, a nonprofit organization based in Salt Lake City, Utah, dedicated to reducing barriers to learning and increasing access to opportunities for students and educators in the Granite School District. Enova donated \$10,000 to the Foundation. In 2025, Enova employees packed hundreds of backpacks with school supplies for underprivileged students.

The public portion of the most recent CRA performance evaluation report for the Target Bank is provided on the OCC website.³² As of the dates of its most recent CRA performance evaluation, the Target Bank received a rating of Satisfactory overall. The resulting Bank will work with community groups in the community surrounding the main office to ascertain the needs of the community and how best to serve those needs. At this time, Enova anticipates that the resulting Bank will be able to make the

greatest impact in its communities through a strategic plan to be developed in consultation with community members following the consummation of the Mergers.

- b. The anticipated CRA assessment areas of the depository subsidiary(ies) of the combined institution. If assessment areas of the depository subsidiary(ies) of the resultant institution would not include any portion of the current assessment area of that subsidiary, describe the excluded areas.**

Following the Mergers, the resulting Bank will have no branches aside from its main office. Enova anticipates designating a single assessment area to include the community surrounding this office. The resulting Bank plans to designate an assessment area where the Bank's headquarters are located in the Salt Lake City-Provo-Orem, UT-ID Combined Statistical Area.

- c. The plans for administering the CRA program for the depository subsidiary (ies) of the resultant institution following the transaction.**

As noted above, Enova anticipates that the resulting Bank will be able to make the greatest impact in its communities through a strategic plan to be developed in consultation with community members following the consummation of the Mergers.

- d. The plans for administering the CRA program for the depository subsidiary (ies) of the resultant institution following the transaction. For a subsidiary of the applicant or target that has received a CRA composite rating of "needs to improve" or "substantial noncompliance" institution-wide or, where applicable, in a state or multi-state Metropolitan Statistical Area (MSA), or has received an evaluation of less than satisfactory performance in an MSA or in the non-MSA portion of a state in which the applicant is expanding as a result of the transaction, describe the specific actions, if any, that have been taken to address the deficiencies in the institution's CRA performance record since the rating.**

As described in Section VI.C of the Overview (Convenience and Needs of the Communities to Be Served), the overall rating for the Target Bank at the institution level was Satisfactory in its most recent CRA evaluation.

- 22. List all offices of the depository subsidiary (ies) of the applicant or target that (a) will be established or retained as branches, including the main office, of the target's depository subsidiary (ies), (b) are approved but unopened branch(es) of the target's depository subsidiary (ies), including the date the current federal and state agencies granted approval(s), and (c) are existing branches that will be closed or consolidated as a result of the proposal (to the extent the information is available) and indicate the effect on the branch customers served. For each branch, list the popular name, street address, city, county, state, and zip code specifying any that are in low- and moderate-income geographies.³³**

The resulting Bank intends to close the main office of the Target Bank, 261 5th Ave Ste 610, New York, NY 10016. Additionally, unrelated to the merger, the Target Bank plans to close the "Auto Club

Trust Branch” located at 1 Auto Club Drive, Dearborn, Michigan, 48126. Neither branch is located in an LMI census tract. The resulting Bank intends to operate from a main office in South Jordan, Utah.

V. Interstate Banking

23. If the transaction involves the acquisition of a bank located in a State other than the home State of the applicant, please provide the following information, as applicable:

- a. Identify any host state(s) involved with this transaction that require the target to be in operation for a minimum number of years and discuss compliance with this age requirement.**
- b. Discuss compliance with nationwide and statewide deposit concentration limits to the transaction.**
- c. Discuss compliance with state-imposed deposit caps.**
- d. Discuss compliance with community reinvestment laws.**
- e. Discuss any other restrictions that the host state(s) seek to apply (including state antitrust restrictions).**

Section 3(d)(1) of the BHCA permits the Federal Reserve to approve a bank holding company that is well capitalized and well managed to acquire control of a bank that is located in a state other than the home state of the bank holding company, notwithstanding state law prohibiting the transaction.³⁴ The home state for a bank holding company is the state in which the total deposits of all banking subsidiaries of such company are the largest on the later of (i) July 1, 1966; or (ii) the date on which the company becomes a bank holding company.³⁵ This section does not apply to this Application. Prior to the Merger, Enova is not a bank holding company and has no banking subsidiaries or deposits.

The parties will comply with the requirements of the Riegle-Neal Act with respect to the Bank Merger.

VI. Financial Stability

If either the acquirer or the target’s total assets exceeds \$10 billion as of the most recent quarter for which data is available, address the following questions:

- 24. If either the acquirer or the target conducts any cross-border activities, please describe the nature of these activities and the amounts of cross-border assets and liabilities as of the most recent quarter for which data is available.**
- 25. For each financial service below, if the dollar volume related to the service provided either by the acquirer or the target exceeds \$1 billion, please report the annual volume over the past 12 months (otherwise, do not report).**

FINANCIAL HOLDING COMPANY ELECTION

Enova currently engages in, and plans to continue to engage in post-Mergers, certain nonbanking activities and to operate nonbanking subsidiaries. In connection with its application to become a bank holding company, Enova International, Inc. thus elects to become a financial holding company pursuant to section 4(l) of the BHCA and section 225.82 of Regulation Y. A “financial holding company” is a bank holding company that is well capitalized and well managed, the insured depository institution subsidiaries of which are well capitalized and well managed, and that makes an election under Federal Reserve Regulation Y.³⁶ Additionally, for a financial holding company to commence a new activity under the authority of section 4(k) of the BHCA, each insured depository institution subsidiary of the company must have a CRA rating of Satisfactory or better.³⁷

Pursuant to Regulation Y, a bank holding company may elect to become a financial holding company as a part of its bank holding company application by (i) stating that the company seeks to become a financial holding company on consummation of its proposal to become a bank holding company; and (ii) certifying that each depository institution that would be controlled by the company on consummation of its proposal to become a bank holding company will be both well capitalized and well managed as of the date the company consummates the proposal.^{38, 39}

The term “well managed” means “[a]t its most recent inspection or examination or subsequent review by the appropriate Federal banking agency for the company or institution (or the appropriate state banking agency in an examination described in section 10(d) of the Federal Deposit Insurance Act (12 U.S.C. 1820(d)), the company or institution received: (A) At least a satisfactory composite rating; and (B) At least a satisfactory rating for management, if such rating is given. (ii) In the case of a company or depository institution that has not received an inspection or examination rating, the Board has determined, after a review of the managerial and other resources of the company or depository institution and after consulting with the appropriate Federal and state banking agencies, as applicable, for the company or institution, that the company or institution is well managed.”⁴⁰ The Bank received an overall rating of Satisfactory as of its most recent CRA performance evaluation, dated February 14, 2022.⁴¹

The head office address of Enova International, Inc. is as follows: Enova International, Inc., 175 West Jackson Blvd., Suite 600, Chicago, Illinois, 60604. Following the Proposed Transactions, Enova

³⁹ The Federal Reserve Bank of San Francisco recently approved such an election as a part of a Section 3 application in the case of SoFi Technologies and SoFi, Inc. See Letter from Sebastian Astrada, Assistant Vice President, Financial Institution Formations + Transactions + Supervision + Credit, Federal Reserve Bank of San Francisco, to Mr. Richard Kim, Wachtell, Lipton, Rosen & Katz (Jan. 18, 2022), available at <https://www.federalreserve.gov/foia/files/sofi-technologies-application-approval-letter.pdf>. The Federal Reserve Bank of San Francisco stated that “SoFi Technologies and SoFi, Inc. have certified that they and Golden Pacific Bank, the depository institution they would control, are well capitalized and well managed and have provided all of the information required under the BHC Act and Regulation Y.”

⁴¹ See Community Reinvestment Act Performance Evaluation, Grasshopper Bank, National Association (Feb. 14, 2022), <https://occ.gov/static/cra/craeval/Jul22/25152.pdf>.

International, Inc. will own one depository institution, the resulting Bank, with its main office located in South Jordan, Utah. As detailed further in the financial statements provided as Confidential Exhibit 5, upon consummation of the Proposed Transactions, Enova International and the resulting Bank will each be “well capitalized” as defined in Regulation Y. Capital ratio projections are included in Confidential Exhibit 5.

Additionally, Enova does not have any reason to believe that it or the resulting Bank would not be “well managed” upon consummation of the Proposed Transactions. The Target Bank currently has a Satisfactory rating as of its most recent Community Reinvestment Act evaluation, and the resulting Bank will implement a plan to comply with the resulting Bank’s obligations under the Community Reinvestment Act.⁴²

The following is a summary of the major proposed nonbanking business operations of Enova following the Proposed Transactions. Additional information is provided in Confidential Exhibit 20.

1. **CashNetUSA** (Consumer Installment Loans and Lines of Credit). Under the CashNetUSA line of business, an Enova subsidiary, CNU Online Holdings, LLC, will offer or arrange loans or lines of credit through its own wholly-owned subsidiaries that collectively do business as CashNetUSA. Generally, the subsidiaries will provide (a) unsecured installment loans for amounts ranging between \$300 and \$2,500, with terms ranging from five to 12 months, and annual percentage rates (“APRs”) ranging from 222% to 579% and (b) unsecured lines of credit with total outstanding amounts ranging from \$100 to \$3,000 and APRs ranging from 149% to 325% on an annualized basis. CashNetUSA loan products are originated solely online.
2. **Simplic** (Consumer Installment Loans in Brazil). Under the Simplic line of business, LH1010 Serviços de Correspondente Bancário Ltda., a limited liability company registered to do business in Brazil (“Simplic”), and subsidiary of CNU Online Holdings, LLC, acts as a banking correspondent of a third-party bank and lender, Banco Afinz S/A Banco Multiplo. Simplic is a wholly-owned subsidiary of Enova that facilitates consumer access to loan products from the third-party bank and other third-party financial institutions using the website, www.simplic.com.br, and does not itself serve as the lender. Simplic installment loans range between approximately \$100 and \$700, with terms of three to 12 months, and annual rates ranging from 189% to 215%, per year. While Simplic is not subject to regulatory licensing requirements in Brazil, the partner bank is subject to prudential regulation by the Central Bank of Brazil.
3. **Align Balance** (Consumer Debt Collection Services). Under the Align Balance line of business, Align Balance, LLC provides debt collections services for Enova’s U.S. consumer loans and lines of credit under the CashNetUSA and NetCredit business units. Align Balance maintains the www.alignbalance.com website and has a license to operate in all states where one is required.
4. **Pangea** (Money Transmission). Under the Pangea lines of business, Pangea USA, LLC provides international money remittance services that can be used by U.S. consumers to

⁴² See Community Reinvestment Act Performance Evaluation, Grasshopper Bank, National Association (Feb. 14, 2022), <https://occ.gov/static/cra/craeval/Jul22/25152.pdf>.

send money abroad (primarily to Latin America and Asia). Pangea provides services through the <https://pangeamoneytransfer.com/> website and mobile application.

5. **Run-off Portfolio** (NetCredit, OnDeck and Headway Capital loans and lines of credit). The consumer and small business loans from NetCredit, OnDeck, and Headway Capital that were previously originated by Enova prior to consummation of the Mergers will be retained by Enova, but the operational assets supporting the NetCredit, OnDeck, and Headway Capital business units will be contributed to the Bank. Due to subsequent draws on the lines of credit in the run-off portfolio, it is difficult to accurately estimate the duration of the run-off portfolio, but after three years it is anticipated that it will be immaterial. The portfolio will be serviced by the Bank pursuant to an Intercompany Services Agreement.

Additionally, Enova owns 5.84% of the outstanding common equity of SmartBiz Bancshares, Inc., arising from an investment in 2013. There is no ongoing business relationship between Enova and SmartBiz other than this investment.

Enova's businesses are subject to well developed and tested compliance and risk management processes, and Enova will continue to invest in these processes.

Elements of Notice Pursuant to Regulation Y

Pursuant to Section 4(j) of the BHCA, a bank holding company may not “engage in any nonbanking activity or acquire or retain ownership or control of the shares of a company engaged in activities based on subsection (c)(8) or (a)(2) or in any complementary activity under subsection (k)(1)(B) without providing the Board with written notice of the proposed transaction or activity at least 60 days before the transaction or activity is proposed to occur or commence.”⁴³ This notice addresses the requirements of Federal Reserve Regulation Y, Section 225.24,⁴⁴ for a bank holding company seeking to engage in nonbanking activities.

1. A description of the proposal, including a description of each proposed activity, and the effect of the proposal on competition among entities engaging in each proposed activity in each relevant market with relevant market indexes;

As described above, Enova proposes to merge with Grasshopper and become a bank holding company that owns a single insured depository institution, the resulting Bank. In addition to banking activities within the resulting Bank, Enova also proposes to engage in certain nonbanking activities that are permissible under Section 4(c)(8) of the BHCA and that Enova conducts today. These activities include CashNetUSA (consumer installment loans and lines of credit), Simplic (consumer installment loans in Brazil), Align Balance (consumer debt collection services), Pangea (money transmission), and a run-off portfolio consisting of NetCredit, OnDeck, and Headway Capital loans and lines of credit. Please see the accompanying FR Y-3 form for additional information on the effect of the Proposed Transactions on competition.

2. The identity of any entity involved in the proposal, and, if the notificant proposes to conduct the activity through an existing subsidiary, a description of the existing activities of the subsidiary;

As described elsewhere in this Submission, Enova proposes to become a bank holding company through the acquisition of Grasshopper and its national bank subsidiary, the Target Bank. Please see Confidential Exhibit 13 for information regarding the current and pro-forma entity structure and Confidential Exhibit 20 for a description of the various Enova entities’ activities.

3. A statement of the public benefits that can reasonably be expected to result from the proposal;

As described above, the Proposed Transactions will allow Enova to further expand its ability to provide access to the banking system to underserved businesses and customers throughout the credit cycle. By acquiring a bank with complimentary capabilities to Enova’s online-lending practice, the Bank Merger will create a cohesive portfolio of financing, deposit, and financial management solutions to meet the needs of consumers and small businesses that are not well served by other financial institutions. This portfolio will include affordable checking accounts, loans, lines of credit, financial management products and services. Moreover, following the Bank Merger, Enova would no longer depend on bank partners to originate loans in the United States, nor rely on bank-fintech partnerships.

⁴³ 12 U.S.C. § 1843(j)(1)(A).

⁴⁴ 12 C.F.R. § 225.24(a)(2).

4. If the bank holding company has consolidated assets of \$150 million or more:

- (A) Parent company and consolidated pro forma balance sheets for the acquiring bank holding company as of the most recent quarter showing credit and debit adjustments that reflect the proposed transaction;**

Parent company and consolidated pro forma balance sheets for Enova as of the most recent quarter showing credit and debit adjustments that reflect the proposed transaction are included as Confidential Exhibit 5.

- (B) Consolidated pro forma risk-based capital and leverage ratio calculations for the acquiring bank holding company as of the most recent quarter (or, in the case of a qualifying community banking organization (as defined in § 217.12 of this chapter) that is subject to the community bank leverage ratio framework (as defined in § 217.12 of this chapter), consolidated pro forma leverage ratio calculations under § 217.12 of this chapter for the acquiring bank holding company as of the most recent quarter); and**

Consolidated pro forma risk-based capital and leverage ratio calculations for the acquiring bank holding company as of the most recent quarter are provided in Confidential Exhibit 5.

- (C) A description of the purchase price and the terms and sources of funding for the transaction;**

Enova proposes to acquire 100 percent of the issued and outstanding capital stock of Grasshopper for an aggregate value of approximately \$369 million, with (i) approximately \$350 million being allocated to the purchase of the shares of Grasshopper Common Stock issued and outstanding immediately prior to the Effective Time (50 percent to be paid in cash and 50 percent to be paid in shares of Enova common stock), (ii) approximately \$2.5 million being allocated to the cancellation of certain Grasshopper warrant outstanding and unexercised immediately prior to the Effective Time, to be paid in cash and (iii) approximately \$16.5 million being allocated to the cancellation of all the in-the-money Grasshopper stock options outstanding immediately prior to the Effective Time, to be paid in cash. The source of the funds for the cash payments will be proceeds from secured debt facilities.

5. If the bank holding company has consolidated assets of less than \$150 million:

- (A) A pro forma parent-only balance sheet as of the most recent quarter showing credit and debit adjustments that reflect the proposed transaction; and**

Not applicable.

- (B) A description of the purchase price and the terms and sources of funding for the transaction and, if the transaction is debt funded, one-year income statement and cash flow projections for the parent company, and the sources and schedule for retiring any debt incurred in the transaction;**

Not applicable.

6.

(A) For each insured depository institution (that is not a qualifying community banking organization (as defined in § 217.12 of this chapter) that is subject to the community bank leverage ratio framework (as defined in § 217.12 of this chapter)) whose Tier 1 capital, total capital, total assets or risk-weighted assets change as a result of the transaction, the total risk-weighted assets, total assets, Tier 1 capital and total capital of the institution on a pro forma basis; and

Not applicable. The Bank is a qualifying community banking organization.

(B) For each insured depository institution that is a qualifying community banking organization (as defined in § 217.12 of this chapter) that is subject to the community bank leverage ratio framework (as defined in § 217.12 of this chapter) whose Tier 1 capital (as defined in § 217.2 of this chapter and calculated in accordance with § 217.12(b) of this chapter) or total assets change as a result of the transaction, the total assets and Tier 1 capital of the institution on a pro forma basis;

Not applicable. The Bank does not have a community bank leverage ratio framework election in effect as of September 30, 2025.

7. A description of the management expertise, internal controls and risk management systems that will be utilized in the conduct of the proposed activities; and

To manage credit risk, Enova's business management teams conduct weekly meetings to review recent overall business performance, including credit performance. Results are reviewed and adjustments to credit risk taking are made based on risk appetite measures such as early default rates, payment rates, overall portfolio performance, and expected unit economics. Monthly meetings are also held by each business to review key functional areas and broader monthly business performance, including credit performance. Monthly compliance meetings covering all consumer and small business products are held to review identified exceptions and remediation of previously identified issues. These weekly and monthly forums are attended by cross-functional teams and business and corporate services executives. A quarterly credit review by the Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO") and Chief Analytics/Credit Officer is conducted to review all business line credit performance and make adjustments to risk appetite as appropriate. The results of these reviews are reported to the Audit Committee of the Board of Directors, and overall credit performance is reported to the entire Board of Directors at its regular meetings, while any significant issues occurring between quarterly Board of Directors and Committee meetings may be reported in interim Board of Directors meetings or ad hoc, as appropriate.

In addition, Enova maintains a risk-focused Compliance Management System ("CMS") tailored to the complexity and risk profile of its non-prime lending activities. The CMS is overseen by the Board of Directors and operates on a "three lines of defense" model. The first line (business units) integrates regulatory requirements directly into the loan origination system and ensures that underwriting logic—including an ability to repay analysis—is applied systematically, preventing manual override discretion. The second line (compliance department) conducts independent testing and monitoring, tracks regulatory updates, and actively works with the first line to support regulatory change management processes. The

third line (internal audit) performs periodic, independent validation of the control framework's effectiveness.

To mitigate risks associated with the Equal Credit Opportunity Act ("ECOA"), 15 U.S.C. §§ 1691 *et seq.*, and prohibition on unfair, deceptive, or abusive acts or practices ("UDAAP"), 12 U.S.C. § 5531, Enova uses a model governance approach (as described in greater detail below) that evaluates data to be included in algorithmic models for fair lending risk factors and reviews models before full deployment to identify and remediate potential impacts on prohibited basis groups. In addition, Enova periodically contracts with third parties to conduct fair lending audits for consumer lending businesses, conducts its own periodic fair lending audits, and has contacted a third party to conduct a fair lending audit of its OnDeck small business lending operations. All marketing materials, customer disclosures, and collection scripts undergo strict legal and compliance review prior to implementation to ensure terms are transparent and non-deceptive. Furthermore, Enova uses a centralized complaint management system to aggregate and analyze consumer feedback. Root cause analyses are performed on complaints to identify trends and potential systemic weaknesses, with findings reported regularly to management and quarterly to the Enova Board of Directors' Audit Committee.

Enova has a robust model governance framework that serves as a comprehensive risk management system. The framework relies on three primary pillars:

1. *Model Inventory and Documentation*: Models are risk-rated (High, Medium, Low, or Immaterial) to determine the appropriate depth of documentation and validation required.
2. *Independent Validation*: To ensure segregation of duties, validation is conducted by analytics staff independent of model development. This process focuses on conceptual soundness, effective challenge to assumptions, and rigorous outcome analysis, including back-testing.
3. *Ongoing Monitoring*: Models undergo continuous assessment via risk-based active and passive monitoring. The framework establishes clear scoring metrics and mandatory remediation protocols for out-of-bounds indicators.

All models are subject to mandatory approval by Legal and Compliance teams, as well as ongoing revalidation pursuant to internal policy and bank partner reporting standards.

Enova adheres to industry standard guidance on third-party risk management, subjecting all critical vendors, specifically marketing partners and debt collectors, to enhanced due diligence and ongoing monitoring. This oversight includes regular reviews of vendors' compliance with consumer protection laws and data security standards. Enova ensures that it has authority under its vendor contracts to mandate remediation or terminate the agreements if the vendors fail to meet established compliance and performance standards.

Finally, Enova will continue to invest in and bolster its risk management and compliance resources.

8. A copy of the purchase agreements, and balance sheet and income statements for the most recent quarter and year-end for any company to be acquired.

Preamble

The respective boards of directors of Enova and Grasshopper have approved this Agreement and declared that this Agreement and the transactions contemplated hereby are advisable and in the best interests of their respective companies and their respective stockholders.

Upon the terms and subject to the conditions of this Agreement and in accordance with Delaware General Corporation Law (the “DGCL”), Grasshopper will merge with and into Enova (the “Merger”), with Enova as the surviving corporation in the Merger (sometimes referred to in such capacity as the “Surviving Corporation”).

Immediately following the Merger, an interim national bank and wholly owned subsidiary of Enova to be formed following the date hereof (the “Enova Interim Bank”), will merge with and into Grasshopper Bank, a national bank and wholly owned subsidiary of Grasshopper (“Grasshopper Bank”), with Grasshopper Bank as the surviving bank (the “Bank Merger”, and together with the Merger, the “Mergers”).

Immediately following the Bank Merger, Enova will contribute certain assets to Grasshopper Bank, and Grasshopper Bank will execute its proposed business plan (the “Contribution and Business Plan Execution”). The Mergers and the Contribution and Business Plan Execution, are collectively referred to herein as the “Core Transactions” and are also included within the scope of the transactions contemplated by this Agreement.

As a condition and an inducement for Enova to enter into this Agreement, each stockholder of Grasshopper listed on Exhibit A hereto has simultaneously herewith entered into a voting agreement substantially in the form attached hereto as Exhibit B (the “Grasshopper Voting Agreement”).

As a condition and an inducement for Enova to enter into this Agreement, certain employees of Grasshopper set forth on Exhibit C have simultaneously herewith entered into (i) offer letters, to be effective upon the Closing, and (ii) settlement agreements.

It is the intention of the Parties that the Merger and the Bank Merger, for federal income tax purposes, shall each qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code, and this Agreement is intended to be and is adopted as a “plan of reorganization” for purposes of Sections 354, 361, and 368 of the Internal Revenue Code and within the meaning of Treasury Regulation Section 1.368-2(g) for each such Merger.

The Parties desire to make certain representations, warranties, covenants and agreements in connection with the Mergers and also to prescribe certain conditions to the Mergers.

Capitalized terms used in this Agreement and not otherwise defined herein are defined in Section 10.1 of this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual warranties, representations, covenants, and agreements set forth herein, and intending to be legally bound hereby, the Parties agree as follows:

(i) for each share of Grasshopper Common Stock with respect to which an election to receive Enova Common Stock (a “Stock Election”) has been effectively made and not revoked or deemed revoked pursuant to ARTICLE 3 (collectively, the “Stock Election Shares”), the Stock Consideration;

(ii) for each share of Grasshopper Common Stock with respect to which an election to receive cash (a “Cash Election”) has been effectively made and not revoked or deemed revoked pursuant to ARTICLE 3 (collectively, the “Cash Election Shares”), the Cash Consideration; and

(iii) for each share of Grasshopper Common Stock other than shares with respect to which a Stock Election or a Cash Election has been effectively made and not revoked pursuant to ARTICLE 3 (collectively, the “Non-Election Shares”), the right to receive Stock Consideration or Cash Consideration as is determined in accordance with Section 2.2.

(d) All shares of Grasshopper Common Stock, when so converted pursuant to Section 2.1(c), shall automatically be canceled and retired and shall cease to exist, and each holder of a certificate (a “Certificate”) or book entry share (a “Book-Entry Share”) registered in the transfer books of Grasshopper that immediately prior to the Effective Time represented shares of Grasshopper Common Stock shall cease to have any rights with respect to such Grasshopper Common Stock other than the right to receive the Stock Consideration and/or Cash Consideration in accordance with, and subject to, Sections 2.1 and 2.2 and ARTICLE 3, including the right, if any, to receive the Fractional Share Payment together with the amounts, if any, payable pursuant to Section 3.2(d) (collectively, the “Merger Consideration”).

2.2. Proration.

(a) Notwithstanding any other provision contained in this Agreement, the maximum number of Cash Election Shares shall be equal to the product obtained by multiplying (i) the total number of shares of Grasshopper Common Stock outstanding immediately prior to Closing, by (ii) 0.5 (the “Cash Election Cap”). All other shares of Grasshopper Common Stock (excluding Canceled Shares and Dissenting Shares) shall be converted into the right to receive the Stock Consideration.

(b) Within five Business Days after the Closing Date, the Exchange Agent shall effect the allocation among Holders of rights to receive the Cash Consideration or Stock Consideration in accordance with the Election Forms and as set forth in this Section 2.2.

(c) Cash Election Number Under Cash Election Cap. If the aggregate number of Cash Election Shares (which, for this purpose, shall be deemed to include the Dissenting Shares determined as of the Effective Time) (the “Cash Election Number”) is less than the Cash Election Cap (the amount by which the Cash Election Cap exceeds the Cash Election Number being referred to herein as the “Shortfall Number”), then:

(i) all Cash Election Shares shall be converted into the right to receive the Cash Consideration; and

(ii) all Stock Election Shares and all Non-Election Shares shall be treated in the following manner:

(A) If the number of Non-Election Shares is equal to the Shortfall Number, then all Stock Election Shares shall be converted into the right to receive the Stock Consideration and all Non-Election Shares shall be converted into the right to receive the Cash Consideration;

(B) If the number of Non-Election Shares is greater than the Shortfall Number, then all Stock Election Shares shall be converted into the right to receive the Stock Consideration, and the Non-Election Shares of each holder thereof shall be converted into the right to receive the Cash Consideration in respect of that number of Non-Election Shares equal to the product obtained by multiplying (x) the number of Non-Election Shares held by such holder by (y) a fraction, the numerator of which is the Shortfall Number and the denominator of which is the total number of Non-Election Shares, with the remaining number of such holder’s Non-Election Shares being converted into the right to receive the Stock Consideration.

(C) If the number of Non-Election Shares is less than the Shortfall Number, then all Non-Election Shares shall be converted into the right to receive the Cash Consideration, and Stock Election Shares of each holder thereof shall be converted into the right to receive the Cash Consideration in respect of that number of Stock Election Shares equal to the product obtained by multiplying (x) the number of Stock Election Shares held by such holder by (y) a fraction, the numerator of which is the amount by which the Shortfall Number exceeds the total number of Non-Election Shares, and the denominator of which is the total number of Stock Election Shares, with the remaining number of such holder’s Stock Election Shares being converted into the right to receive the Stock Consideration.

(d) Cash Election Number Over Cash Election Cap. If the Cash Election Number is greater than the Cash Election Cap, then:

(i) all Stock Election Shares and all Non-Election Shares shall be converted into the right to receive the Stock Consideration; and

(ii) the Cash Election Shares of each holder thereof will be converted into the right to receive the Cash Consideration in respect of that number of Cash Election Shares equal to the product obtained by multiplying (A) the number of Cash Election Shares held by such holder by (B) a fraction, the numerator of which is the Cash Election Cap (minus the aggregate number of Dissenting Shares determined as of the Effective Time) and the denominator of which is the Cash

Election Number (minus the aggregate Dissenting Shares determined as of the Effective Time), with the remaining number of such holder's Cash Election Shares being converted into the right to receive the Stock Consideration. For the avoidance of doubt, Dissenting Shares determined as of the Effective Time will not be converted into the right to receive the Stock Consideration.

(e) Cash Election Cap Satisfied. If the number of Cash Election Shares (which, for this purpose, shall be deemed to include the Dissenting Shares determined as of the Effective Time) is equal to the Cash Election Cap, then subparagraphs (c) and (d) above shall not apply and all Cash Election Shares shall be converted into the right to receive the Cash Consideration and all Non-Election Shares and Stock Election Shares, shall will be converted into the right to receive the Stock Consideration.

(f) Tax Amendments. If, in the judgment of legal counsel to Enova or to Grasshopper, the application of the provisions of Sections 2.2(c) or 2.2(d) may reasonably create material and adverse Tax consequences to Enova, Grasshopper, or the stockholders of Grasshopper, then the Parties agree to mutually cooperate to amend or remove these provisions or otherwise mitigate any such material and adverse Tax consequences, so long as such amendment, removal or mitigation is not materially prejudicial to the interests of Enova or the stockholders of Grasshopper.

2.3. Anti-Dilution Provisions.

Without limiting the other provisions of this Agreement and subject to Sections 6.2(d) and 6.2(f), if at any time during the period between the date of this Agreement and the Effective Time, the issued and outstanding shares of Grasshopper Common Stock or securities convertible or exchangeable into or exercisable for shares of Grasshopper Common Stock or the issued and outstanding shares of Enova Common Stock or securities convertible or exchangeable into or exercisable for shares of Enova Common Stock, shall have been changed into a different number of shares or a different class by reasons of any reclassification, stock split (including reverse stock split), stock dividend or distribution, reorganization, recapitalization, redenomination, merger, issuer tender or exchange offer or other similar transaction, or there shall be any special or extraordinary dividend or distribution, then, the Merger Consideration shall be equitably and proportionately adjusted, if necessary and without duplication, to reflect fully the effect of any such change and to give holders of Grasshopper Common Stock the same economic effect as contemplated by this Agreement prior to such event; provided that, in any case, nothing in this Section 2.3 shall be construed to permit either Party to take any action with respect to its securities that is prohibited by the terms of this Agreement.

2.4. Treatment of Grasshopper Equity Awards.

(a) Grasshopper Stock Options. At the Effective Time, each option granted by Grasshopper to purchase a share of Grasshopper Common Stock under the Grasshopper Stock Plan, whether vested or unvested (a "Grasshopper Stock Option"), that is outstanding and unexercised immediately prior to the Effective Time shall, automatically and without any required action on the part of the holder thereof, be fully vested and then canceled and converted into the right to receive from Enova, no later than 10 Business Days following the Closing Date, a cash payment (less any required Tax withholding) equal to the product (rounded up to the nearest whole cent) of (i) the number of shares of Grasshopper Common Stock subject to such Grasshopper Stock Option immediately prior to the Effective Time, multiplied by (ii) the difference, if positive, between the Cash Consideration and the exercise price of the Grasshopper Stock Option. Any Grasshopper Stock Option with an exercise price that equals or exceeds the Cash Consideration shall be canceled with no consideration being paid to the optionholder with respect to such Grasshopper Stock Option.

(b) Grasshopper Warrants. In accordance with Section 7.19, at the Effective Time, Grasshopper shall ensure that each warrant granted by Grasshopper to purchase shares of Grasshopper Common Stock under any individual award agreement, whether vested or unvested, that is outstanding and unexercised immediately prior to the Effective Time (a “Grasshopper Warrant”) shall, automatically and without any required action on the part of the holder thereof, be canceled such that the holder thereof shall have no further rights with respect to such Grasshopper Warrant; provided that if prior to the Effective Time the holder thereof executes a warrant cancellation agreement in form and substance reasonably satisfactory to Enova (providing a full release of any rights such holder has with respect to a Grasshopper Warrant, other than the right to receive the cash payment described in this Section 2.4(b)) (a “Warrant Cancellation Agreement”), the Grasshopper Warrant subject to such executed Warrant Cancellation Agreement shall instead be canceled and converted into the right to receive from Enova a cash payment (less any required withholding) equal to its Grasshopper Warrant Pro Rata Amount. In no event shall the aggregate amount payable by Enova in respect of the Grasshopper Warrants be more than the Cash Warrant Amount.

(c) As of the Effective Time, the Grasshopper Stock Plan and equity awards shall be terminated, effective as of the Closing Date and contingent upon the occurrence of the Closing, and no further Grasshopper Stock Options, Grasshopper Warrants, shares of restricted stock, restricted stock units, equity interests or other equity awards or rights with respect to shares of capital stock of Grasshopper shall be granted thereunder.

(d) Prior to the Effective Time, Grasshopper, the board of directors of Grasshopper or any committee thereof, as applicable, shall adopt any resolutions and take any actions, and cause any actions to be taken, that are reasonably necessary or advisable to effectuate the provisions of this Section 2.4 and Section 7.19.

2.5. Fractional Shares.

No certificate, book-entry share or scrip representing fractional shares of Enova Common Stock shall be issued upon the surrender for exchange of Certificates or Book-Entry Shares, no dividend or distribution of Enova shall be payable on or with respect to any such fractional share interests, and such fractional share interests will not entitle the owner thereof to vote or to any other rights of a stockholder of Enova. Notwithstanding any other provision of this Agreement, each Holder who would otherwise have been entitled to receive a fraction of a share of Enova Common Stock pursuant to the Merger (after taking into account all Certificates or Book-Entry Shares delivered by such Holder) shall receive, in lieu thereof, a cash payment (less any required withholding), rounded up to the nearest cent (without interest), which payment shall be determined by multiplying (a) the fraction of a share (rounded to the nearest thousandth when expressed in decimal form) of Enova Common Stock that such Holder would otherwise have been entitled to receive pursuant to Section 2.1(c) by (b) the Average Closing Price (the “Fractional Share Payment”).

2.6. Statutory Rights of Appraisal.

(a) Notwithstanding anything in this Agreement to the contrary, if required by the DGCL (but only to the extent required thereby), shares of Grasshopper Common Stock that are issued and outstanding immediately prior to the Effective Time and which are held by any Holder who has not voted in favor of the adoption of this Agreement or consented thereto in writing and who is entitled to and has properly demanded appraisal rights with respect thereto in accordance with, and who has complied with, Section 262 of the DGCL and not effectively withdrawn such demand with respect to any such Grasshopper Common Stock held by any such Holder (the “Dissenting Shares”) shall not be converted into the right to receive any of the Merger Consideration as specified in this Agreement. Such Holders shall be entitled to receive payment of the appraised value of such Dissenting Shares in accordance with the provisions of

Section 262 of the DGCL except that all Dissenting Shares held by Holders who shall have failed to perfect or who shall have effectively withdrawn or lost their rights to appraisal of such Dissenting Shares pursuant to Section 262 of the DGCL will thereupon be deemed to have been converted into, and to have become exchangeable for, as of the Effective Time, the right to receive the Merger Consideration in accordance with Section 2.1(c) of this Agreement.

(b) Grasshopper shall give Enova prompt written notice (but in any event within 48 hours) to Enova of any demands for payment in respect of any shares of Grasshopper Common Stock and any withdrawals of such demands, and any other instruments served pursuant to Law with respect to appraisal rights, and Enova shall have the right to participate in and direct all negotiations and proceedings with respect to such demands. Grasshopper shall not, except with the prior written consent of Enova, voluntarily make, or commit or agree to make, any payment with respect to, or settle, or offer or agree to settle, any such demand for payment.

ARTICLE 3 EXCHANGE OF SHARES

3.1. Election Procedures.

Subject to the terms of the Exchange Agent Agreement, each holder of record of shares of Grasshopper Common Stock (excluding the Canceled Shares and Dissenting Shares) issued and outstanding immediately prior to the Effective Time (a “Holder”) shall have the right, subject to the limitations set forth in this ARTICLE 3, to submit an election on or prior to the Election Deadline in accordance with the following procedures:

(a) Each Holder may specify in a request made in accordance with the provisions of this Section 3.1 (herein called an “Election”): (i) the number of shares of Grasshopper Common Stock owned by such Holder with respect to which such Holder desires to make a Cash Election; (ii) the number of shares of Grasshopper Common Stock owned by such Holder with respect to which such Holder desires to make a Stock Election; and (iii) the number of shares of Grasshopper Common Stock owned by such Holder with respect to which such Holder makes no election.

(b) Prior to the Mailing Date, Enova shall appoint an exchange agent (the “Exchange Agent”), for the purpose of receiving Elections and exchanging shares of Grasshopper Common Stock represented by Certificates or Book-Entry Shares for the Merger Consideration, pursuant to an exchange agent agreement entered into prior to the Mailing Date (the “Exchange Agent Agreement”).

(c) Enova shall, or shall cause the Exchange Agent to, prepare a form reasonably acceptable to Grasshopper (the “Election Form”) (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates or Book-Entry Shares shall pass, only upon delivery of the Certificates or Book-Entry Shares to the Exchange Agent, together with a properly completed and duly executed Election Form and related transmittal materials, duly executed on behalf of each Person effecting the surrender of such Certificates or Book-Entry Shares, and shall be in such form and have such other provisions as Enova or the Exchange Agent may reasonably specify) so as to permit those Holders to exercise their right to make an Election prior to the Election Deadline.

(d) The Election Form and instructions for use in effecting the surrender of the Certificates or Book-Entry Shares in exchange for the Merger Consideration shall be mailed on the same date as the Proxy Statement/Prospectus is mailed to Grasshopper stockholders or on such other date as Enova and Grasshopper shall mutually agree (the “Mailing Date”) to each Holder of record of a Certificate or Book-Entry Share. Subject to the terms of the Exchange Agent Agreement, any Election shall have been made

properly only if the Exchange Agent shall have received, by the Election Deadline, an Election Form and related transmittal materials properly completed and validly executed. As used herein, unless otherwise agreed in advance by Enova and Grasshopper, “Election Deadline” means 5:00 p.m. local time (in the city in which the principal office of the Exchange Agent is located) on the date that is 60 Business Days following the Mailing Date.

(e) Any Holder may, at any time prior to the Election Deadline, change or revoke his, her, or its Election only by written notice received by the Exchange Agent prior to the Election Deadline accompanied by a properly completed and signed revised Election Form or by withdrawal prior to the Election Deadline of his, her, or its Certificates or Book-Entry Shares, or any documents, previously deposited with the Exchange Agent. In the event an Election Form is revoked prior to the Election Deadline, unless a subsequent properly completed Election Form together with the revoking Holder’s Certificates or Book-Entry Shares, and related transmittal materials is submitted and actually received by the Exchange Agent by the Election Deadline, the shares of Grasshopper Common Stock represented by such revoked Election Form shall become Non-Election Shares and Enova shall cause the Certificates to be promptly returned without charge to the Holder revoking such prior Election. Subject to the terms of the Exchange Agent Agreement and this Agreement, the Exchange Agent shall have reasonable discretion to determine if any Election is not properly made with respect to any shares of Grasshopper Common Stock and to disregard immaterial defects; provided, that neither Enova nor Grasshopper nor the Exchange Agent shall be under any duty to notify any Holder of any such defect; in the event the Exchange Agent makes such a determination, such Election shall be deemed to be not in effect, and the shares of Grasshopper Common Stock covered by such Election shall, for purposes hereof, be deemed to be Non-Election Shares, unless a proper Election is thereafter timely made with respect to such shares. Any shares of Grasshopper Common Stock with respect to which the Exchange Agent has not received an effective, properly completed, and validly executed Election Form (together with any Certificates and related transmittal materials, as applicable) on or before the Election Deadline shall also be deemed Non-Election Shares. To the extent a holder of Grasshopper Dissenting Shares submits an Election Form, such holder’s election shall have no effect, the Exchange Agent will disregard such Election Form, and the Grasshopper Dissenting Shares shall be converted in accordance with Section 2.6.

(f) Subject to the terms of the Exchange Agent Agreement, Enova, in the exercise of its reasonable discretion, shall have the right to make all determinations, not inconsistent with the terms of this Agreement, governing (i) the manner and extent to which Elections are to be taken into account in making the determinations prescribed by Section 2.2, (ii) the issuance and delivery of evidence of shares in book-entry form or, at the option of Enova, certificates (collectively referred to as “Enova Certificates”) representing the number of shares of Enova Common Stock into which shares of Grasshopper Common Stock are converted into the right to receive in the Merger and (iii) the method of payment of cash for shares of Grasshopper Common Stock that are converted into the right to receive the Cash Consideration and the Fractional Share Payment.

3.2. Exchange Procedures.

(a) Deposit of Merger Consideration. At or immediately prior to the Effective Time, Enova shall deposit, or shall cause to be deposited, with the Exchange Agent, for the benefit of the Holders (excluding the Canceled Shares), for exchange in accordance with this ARTICLE 3, (i) Enova Certificates for shares of Enova Common Stock equal to the aggregate Stock Consideration and (ii) immediately available funds for (A) the aggregate Cash Consideration, (B) any Fractional Share Payment, to the extent then determinable, and (C), after the Effective Time, if applicable, any dividends or distributions which such Holders have the right to receive pursuant to Section 3.2(d) (collectively, the “Exchange Fund”). The Exchange Agent shall invest any cash included in the Exchange Fund as directed by Enova, provided, that no such investment or losses thereon shall affect the amount of Merger Consideration. Any interest and

other income resulting from such investments shall be paid to Enova. Enova shall instruct the Exchange Agent to timely pay the Merger Consideration in accordance with this Agreement.

(b) Delivery of Merger Consideration. As soon as reasonably practicable after the Effective Time, and in any event not later than five Business Days following the Effective Time, Enova shall cause the Exchange Agent to mail to each Holder of a Certificate (and Book-Entry Share, if required by the Exchange Agent or at the request of Enova) representing Non-Election Shares, a notice advising such Holders of the effectiveness of the Merger, including appropriate transmittal materials specifying that delivery shall be effected, and risk of loss and title to the Certificates or Book-Entry Shares shall pass, only upon proper delivery of the Certificates or Book-Entry Shares, together with a properly completed and duly executed transmittal materials, duly executed on behalf of each Person effecting the surrender of such Certificates or Book-Entry Shares, and shall be in such form and have such other provisions as Enova or the Exchange Agent may reasonably specify, and instructions for surrendering the Certificates or Book-Entry Shares to the Exchange Agent in exchange for the consideration for which such Person may be entitled pursuant to ARTICLE 2 and this ARTICLE 3 (such materials and instructions to include customary provisions with respect to delivery of an “agent’s message” with respect to book-entry shares). After completion of the allocation procedure set forth in Section 2.2 and upon proper surrender of a Certificate or Book-Entry Share for exchange and cancellation to the Exchange Agent, together with the appropriate transmittal materials, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the Holder of such Certificate or Book-Entry Share shall be entitled to receive in exchange therefor the Merger Consideration, which the Holder shall receive (i) the Stock Consideration in non-certificated book-entry form which such Holder has the right to receive in respect of the Certificate or Book-Entry Share surrendered pursuant to the provisions of this Agreement and/or (ii) a check representing the amount of (A) the Cash Consideration which such Holder has the right to receive in respect of the Certificate or Book-Entry Share surrendered pursuant to the provisions of this Agreement, (B) any Fractional Share Payment (if any), and (C) any dividends or distributions (if any) which the Holder thereof has the right to receive pursuant to Section 3.2(d), and the Certificate or Book-Entry Share so surrendered shall forthwith be canceled. No interest will be paid or accrued for the benefit of Holders on the Merger Consideration or any Fractional Share Payment (if any) payable upon the surrender of the Certificates or Book-Entry Shares.

(c) Share Transfer Books. At the Effective Time, the share transfer books of Grasshopper shall be closed, and thereafter there shall be no further registration of transfers of shares of Grasshopper Common Stock. From and after the Effective Time, Holders who held shares of Grasshopper Common Stock immediately prior to the Effective Time shall cease to have rights with respect to such shares, except as otherwise provided for herein. Until surrendered for exchange in accordance with the provisions of this Section 3.1, each Certificate or Book-Entry Share theretofore representing shares of Grasshopper Common Stock (other than the Canceled Shares) shall from and after the Effective Time represent for all purposes only the right to receive the Merger Consideration provided in this Agreement in exchange therefor, subject, however, to Enova’s obligation to pay any dividends or make any other distributions with a record date prior to the Effective Time which have been declared or made by Grasshopper in respect of such shares of Grasshopper Common Stock in accordance with the terms of this Agreement and which remain unpaid at the Effective Time. On or after the Effective Time, any Certificates or Book-Entry Shares presented to the Exchange Agent or the Surviving Corporation for any reason shall be canceled and exchanged for the Merger Consideration, any Fractional Share Payment (if any) and any dividends or distributions (if any) pursuant to Section 3.2(d) with respect to the shares of Grasshopper Common Stock formerly represented thereby.

(d) Dividends with Respect to Enova Common Stock. No dividends or other distributions declared with respect to Enova Common Stock with a record date after the Effective Time shall be paid to the Holder of any unsurrendered Certificate or Book-Entry Share with respect to the whole shares of Enova

Common Stock issuable with respect to such Certificate or Book-Entry Share in accordance with this Agreement until the surrender of such Certificate or Book-Entry Share (or affidavit of loss in lieu thereof) in accordance with this Agreement. Subject to applicable Laws, following surrender of any such Certificate or Book-Entry Share (or affidavit of loss and other documentation required by the Exchange Agent or Surviving Corporation hereunder in lieu thereof) there shall be paid to the record holder of the whole shares of Enova Common Stock, if any, issued in exchange therefor, without interest, (i) all dividends and other distributions payable in respect of any such whole shares of Enova Common Stock with a record date after the Effective Time and a payment date on or prior to the date of such surrender and not previously paid and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and with a payment date subsequent to such surrender payable with respect to such shares of Enova Common Stock.

(e) Termination of Exchange Fund. Any portion of the Exchange Fund (including any interest and other income received with respect thereto) which remains undistributed to the former Holders on the first anniversary of the Effective Time shall be delivered to Enova, and any former Holders who have not theretofore received any Merger Consideration (including any Fractional Share Payment and any applicable dividends or other distributions with respect to Enova Common Stock) to which they are entitled under this Agreement shall thereafter look only to Enova for payment of their claims with respect thereto (subject to applicable abandoned property, escheat or similar Law, as general creditors thereof).

(f) No Liability. None of Enova, Grasshopper, the Surviving Corporation, the Exchange Agent or any of their respective Affiliates, or any employee, officer, director, agent or Affiliate of any of them, shall be liable to any Holder in respect of any amount that would have otherwise been payable in respect of any Certificate or Book-Entry Share from the Exchange Fund delivered to a Public Official pursuant to any applicable abandoned property, escheat or similar Law. Any amounts remaining unclaimed by Holders immediately prior to the time at which such amounts would otherwise escheat to, or become property of, any Regulatory Authority shall, to the extent permitted by applicable Law, become the property of the Surviving Corporation, free and clear of any claims or interest of any such Holders or their successors, assigns or personal representatives previously entitled thereto.

(g) Withholding Rights. Each and any of Enova, the Surviving Corporation or the Exchange Agent, as applicable, shall be entitled to deduct and withhold from the Merger Consideration, Fractional Share Payment, cash dividends or distributions payable pursuant to Section 3.2(d), or any other cash amounts otherwise payable pursuant to this Agreement to any Person, such amounts or property (or portions thereof) as Enova, the Surviving Corporation or the Exchange Agent, as applicable, reasonably determines is required to be deducted and withheld with respect to the making of such payment or distribution under the Internal Revenue Code, and the rules and regulations promulgated thereunder, or any provision of applicable Tax Law. Any amounts so deducted or withheld by Enova, the Surviving Corporation, or the Exchange Agent, as applicable, and paid over to the appropriate Regulatory Authority shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made by Enova, the Surviving Corporation, or the Exchange Agent, and shall be paid over to the appropriate Regulatory Authority.

(h) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, then upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by the Exchange Agent or Surviving Corporation, the posting by such Person of a bond in such reasonable and customary amount as the Exchange Agent or Surviving Corporation may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration to which the Holder thereof is entitled pursuant to this Agreement.

(i) Transferred Ownership. In the event of a transfer of ownership of Grasshopper Common Stock that is not registered in the transfer records of Grasshopper, payment of the Merger Consideration may be made to a Person other than the Person in whose name the Certificate or Book-Entry Share so surrendered are registered if such Certificate shall be properly endorsed or otherwise be in proper form for transfer or such Book-Entry Shares shall be properly transferred and the Person requesting such issuance shall pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of such Certificate or Book-Entry Share or establish to the satisfaction of Enova and Exchange Agent that such Tax has been paid or is not applicable.

(aa) notwithstanding any other provisions hereof, take any action that could reasonably be expected to (i) impede or materially delay consummation of the transactions contemplated by this Agreement, (ii) require the receipt of any Permit or Consent of any Regulatory Authority or third party not referenced in Section 7.4(a), (iii) result in any of the conditions set forth in ARTICLE 8 not being satisfied, or (iv) materially impair or delay its ability to perform its obligations under this Agreement or to consummate the transactions contemplated hereby; or

(bb) agree to take, make any commitment to take, or adopt any resolutions of Grasshopper's or Grasshopper Bank's board of directors in support of, any of the actions prohibited by this Section 6.2.

6.3. Covenants of Enova.

From the date of this Agreement until the earlier of the Effective Time or the termination of this Agreement, unless the prior written consent of Grasshopper shall have been obtained (such consent not to be unreasonably withheld, conditioned or delayed), and except as required by Law, otherwise expressly contemplated herein, or as set forth in Section 6.3 of Enova's Disclosure Memorandum, Enova covenants and agrees that it shall not, or permit any of the Enova Subsidiaries to:

(a) amend the certificate of incorporation, bylaws or other governing instruments of Enova or any Significant Subsidiaries (as defined in Regulation S-X promulgated by the SEC) in a manner that would adversely affect Grasshopper or the Holders relative to other holders of Enova Common Stock;

(b) take any action, or knowingly fail to take any action, which action or failure to act prevents or impedes, or could reasonably be expected to prevent or impede, the Merger, from qualifying as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code;

(c) notwithstanding any other provisions hereof, take any action that could reasonably be expected to (i) impede or materially delay consummation of the transactions contemplated by this Agreement, (ii) require the receipt of any Permit or Consent of any Regulatory Authority or third party not referenced in Section 7.4(a), (iii) result in any of the conditions set forth in ARTICLE 8 not being satisfied, or (iv) materially impair or delay its ability to perform its obligations under this Agreement or to consummate the transactions contemplated hereby; or

(d) agree to take, make any commitment to take, or adopt any resolutions of Enova's board of directors in support of, any of the actions prohibited by this Section 6.3.

ARTICLE 7
ADDITIONAL AGREEMENTS

7.1. Registration Statement; Proxy Statement/Prospectus; Stockholder Approval.

(a) Enova and Grasshopper shall promptly prepare the Proxy Statement/Prospectus and Enova shall prepare and file with the SEC the Registration Statement (including the Proxy Statement/Prospectus) as promptly as reasonably practicable, and within 60 days after the date of this Agreement. Enova and Grasshopper agree to cooperate, and to cause their respective Subsidiaries to cooperate, with the other Party and its counsel and its accountants in the preparation of the Registration Statement and the Proxy Statement/Prospectus. Each of Enova and Grasshopper agrees to use its reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as reasonably practicable after filing thereof, and Grasshopper shall thereafter mail or deliver the Proxy Statement/Prospectus to its stockholders promptly following the date of effectiveness of the Registration Statement. Enova also agrees to use its reasonable best efforts to obtain all necessary state securities Law or “Blue Sky” permits and approvals required to carry out the transactions contemplated by this Agreement, and Grasshopper shall furnish all information concerning Grasshopper and the holders of Grasshopper Common Stock as may be reasonably requested in connection with any such action.

(b) Grasshopper shall take, in accordance with applicable Law and Grasshopper’s certificate of incorporation and bylaws, all actions necessary to call, give notice of, establish a record date for, convene and hold a stockholders’ meeting (the “Grasshopper Meeting”), to be held as promptly as reasonably practicable after the Registration Statement is declared effective by the SEC, for the purpose of obtaining the Grasshopper Stockholder Approval and, if so desired and mutually agreed, to approve such other matters of the type customarily brought before an annual or special meeting of stockholders.

(c) The board of directors of Grasshopper shall (i) unanimously recommend to its stockholders the approval of this Agreement and the transactions contemplated hereby (the “Grasshopper Board Recommendation”), (ii) include such Grasshopper Board Recommendation in the Proxy Statement/Prospectus, and (iii) use its reasonable best efforts to obtain the Grasshopper Stockholder Approval. If requested by Enova, Grasshopper shall retain a proxy solicitor reasonably acceptable to, and on terms reasonably acceptable to, Enova in connection with obtaining the Grasshopper Stockholder Approval.

(d) Neither the board of directors of Grasshopper nor any committee thereof shall withhold, withdraw, qualify or modify, or propose publicly to withdraw, qualify or modify, in a manner adverse to Enova, the Grasshopper Board Recommendation or take any action, or make any public statement, filing or release inconsistent with the Grasshopper Board Recommendation.

(e) Grasshopper shall adjourn or postpone the Grasshopper Meeting if, as of the time for which such meeting is originally scheduled there are insufficient shares of Grasshopper Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such meeting. Grasshopper shall also adjourn or postpone its respective stockholder meeting if, as of the time for which such meeting is scheduled, Grasshopper has not recorded proxies representing a sufficient number of shares necessary to obtain the Grasshopper Stockholder Approval. Notwithstanding anything to the contrary herein, unless this Agreement has been terminated in accordance with its terms, the Grasshopper Meeting shall be convened and this Agreement shall be submitted to the stockholders of Grasshopper at the Grasshopper Meeting for the purpose of voting on the approval of this Agreement and the other matters contemplated hereby, and nothing contained herein shall be deemed to relieve Grasshopper of such obligation. Grasshopper shall only be required to adjourn or postpone the Grasshopper Meeting two times pursuant to the first sentence of this Section 7.1(e).

7.2. Acquisition Proposals.

(a) From and after the date of this Agreement, Grasshopper shall not, and shall cause its Subsidiaries not to and shall not authorize or permit any of its or any Subsidiaries or Representatives to, directly or indirectly (i) initiate, solicit, or take any action to facilitate or encourage, or participate or engage in any negotiations, inquiries or discussions with respect to any Acquisition Proposal, (ii) in connection with any potential Acquisition Proposal, disclose or furnish any information or data to any Person or afford any Person other than Enova or its Representatives access to its properties or Books and Records, except pursuant to a request for information from any Regulatory Authority, or (iii) enter into or execute, or propose to enter into or execute, any agreement relating to an Acquisition Proposal. Without limiting the foregoing, it is agreed that any violation of any of the restrictions set forth in the preceding sentence by any Representatives of Grasshopper or its Subsidiaries shall be a breach of this Section 7.2 by Grasshopper. Grasshopper shall not submit to the vote of its stockholders any Acquisition Proposal other than the Merger.

(b) To the extent not already done, Grasshopper shall, and shall cause its Subsidiaries and the Grasshopper's and its Subsidiaries' respective Representatives to, immediately cease and cause to be terminated any activities, discussions or negotiations with any Person conducted heretofore with respect to an Acquisition Proposal, and promptly (but in no event later than 48 hours following the execution of this Agreement) request and use reasonable best efforts to obtain the return from all such Persons, or cause the destruction, of all copies of confidential information previously provided to such Persons by or on behalf of Grasshopper Entities or their respective Representatives (and all analyses and other materials prepared by or on behalf of such Persons that contain, reflect or analyze such confidential information).

(c) Grasshopper shall as promptly as practicable, and in any event no later than 24 hours after receipt thereof, advise Enova, in writing, of any Acquisition Proposal, or any inquiry, proposal or offer that expressly contemplates or could reasonably be expected to lead to an Acquisition Proposal. The terms and conditions of the Confidentiality Agreement shall apply to any information provided pursuant to this Section 7.2(c).

7.3. Exchange Matters.

Enova shall use its reasonable best efforts to list, prior to the Effective Time, on NYSE, subject to official notice of issuance, the shares of Enova Common Stock to be issued to the Holders pursuant to this Agreement.

7.4. Consents of Regulatory Authorities.

(a) The Parties shall, and shall cause their respective Subsidiaries to cooperate with each other and use their respective reasonable best efforts to prepare all documentation, to effect all applications, notices, petitions, and filings (and in the case of the applications, notices, petitions and filings required to obtain the Requisite Regulatory Approvals, use their reasonable best efforts to make such filings as soon as reasonably practicable and in no event later than 45 days after the date of this Agreement, unless a Regulatory Authority has advised or requested that the Party should file such application, notice, petition, or filing at a later date), and to obtain all Permits and Consents of all third parties and Regulatory Authorities that are necessary or advisable to consummate the transactions contemplated by this Agreement (including the Core Transactions), and to comply with the terms and conditions of all such Permits and Consents. Each of Enova and Grasshopper shall use its respective reasonable best efforts to resolve objections, if any, which may be asserted with respect to this Agreement or the transactions contemplated hereby by any Regulatory Authority or under any applicable Law or Order. Notwithstanding the foregoing, in no event shall any Enova Entities be required, and the Grasshopper Entities shall not be permitted (without Enova's prior written consent in its sole discretion), to take any action, or commit to take any action, or to accept

any restriction, commitment or condition, involving the Enova Entities or the Grasshopper Entities, which would reasonably be expected to be materially financially burdensome to the business, operations, financial condition or results of operations of Enova and its Subsidiaries, taken as a whole after giving effect to the Core Transactions (any such action, condition, commitment or restriction, a “Burdensome Condition”).

(b) Each of the Parties shall have the right to review in advance, and each will consult with the other, in each case subject to applicable Laws relating to the exchange of information, with respect to, all material written information submitted to any third party or Regulatory Authority in connection with the transactions contemplated by this Agreement, provided, that Grasshopper shall not have the right to review portions of material filed by Enova with a Regulatory Authority that contain competitively sensitive business or other proprietary information or sensitive personal information and which are contained in a confidential exhibit or annex thereto. In exercising the foregoing right, each of the Parties agrees to act reasonably and as promptly as practicable. Each Party agrees that it will consult with the other Party with respect to the obtaining of all Permits and Consents of third parties and Regulatory Authorities necessary or advisable to consummate the transactions contemplated by this Agreement and each Party will keep the other Party promptly apprised of the status of material matters relating to completion of the transactions contemplated hereby, including promptly providing the other Party with a copy of any written communication or a summary of any oral communication from a Regulatory Authority the Consent of which is required for the consummation of the Core Transactions and the other transactions contemplated by this Agreement that pertain to such material matters. Each Party shall (i) consult with the other Party and/or its counsel in advance of any meeting, conference or discussion with any Regulatory Authority in connection with the transactions contemplated by this Agreement (other than non-material and routine communications between counsel and a Regulatory Authority regarding the regulatory approval process or status); and (ii) to the extent permitted by such Regulatory Authority, give the other Party and/or its counsel the opportunity to attend and participate in any meeting, conference or discussion with any Regulatory Authority (other than non-material and routine communications between counsel and a Regulatory Authority regarding the regulatory approval process or status).

(c) Subject to Section 10.14, each Party agrees, upon request, subject to applicable Laws, to promptly furnish the other Party with all information concerning itself, its Subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with the Proxy Statement/Prospectus or any other statement, filing, notice or application made by or on behalf of Enova, Grasshopper or any of their respective Subsidiaries to any third party or Regulatory Authority in connection with the transactions contemplated by this Agreement.

7.5. Access to Information; Confidentiality and Notification of Certain Matters.

(a) Grasshopper and Enova shall each promptly advise the other of any (i) fact, change, event, effect, condition, occurrence, development or circumstance which it believes would or would be reasonably likely to cause the failure of any of the conditions in ARTICLE 8, or (ii) any notice or other communication from any Person alleging that the Consent of such Person is or may be required in connection with the transactions contemplated hereby; provided, that any failure to give notice in accordance with the foregoing with respect to any breach shall not be deemed to constitute a violation of this Section 7.5(a) or the failure of any condition set forth in ARTICLE 8 to be satisfied, or otherwise constitute a breach of this Agreement by the Party failing to give such notice, in each case unless the underlying breach would independently result in a failure of the conditions set forth in ARTICLE 8 to be satisfied; and provided, further, that the delivery of any notice pursuant to this Section 7.5(a) shall not cure any breach of, or noncompliance with, any other provision of this Agreement or limit the remedies available to Enova and Grasshopper.

(b) Prior to the Effective Time, subject to Section 10.14, Grasshopper shall permit, and cause Grasshopper Bank and the Representatives of the Grasshopper Entities to afford to, the Representatives of

Enova to make or cause to be made such investigation of the business, Assets, information technology systems, Contracts, Books and Records, and personnel and such other information of the Grasshopper Entities and of their respective financial and legal conditions as Enova may reasonably request and furnish to Enova promptly all other information concerning its business, Assets, information technology systems, Contracts, Books and Records, and personnel and such other information as Enova may reasonably request, provided that such investigation or requests shall not unreasonably interfere with normal operations of Grasshopper. No investigation by Enova shall affect or be deemed to modify or waive the representations, warranties, covenants and agreements of Grasshopper in this Agreement, or the conditions of Enova's obligation to consummate the transactions contemplated by this Agreement. Neither Enova nor Grasshopper nor any of their respective Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would violate or prejudice the rights of Enova's or Grasshopper's, as the case may be, customers, jeopardize the attorney-client privilege of the institution in possession or control of such information (after giving due consideration to the existence of any common interest, joint defense or similar agreement between the Parties) or contravene any Law, fiduciary duty or binding Contract entered into prior to the date of this Agreement. The Parties will make appropriate substitute arrangements to permit reasonable disclosure under circumstances in which the restrictions of the preceding sentence apply.

(c) Each Party shall, and shall cause its Subsidiaries and Representatives to, hold and use any information obtained in connection with this Agreement and the transactions contemplated hereby in accordance with the terms of the Confidentiality Agreement, dated July 29, 2025, between Enova and Grasshopper (the "Confidentiality Agreement").

(d) Subject to Section 10.14, each of Grasshopper and Grasshopper Bank shall file all reports required to be filed by it with Regulatory Authorities between the date of this Agreement and the Effective Time, and Grasshopper shall deliver to Enova copies of all such reports promptly after the same are filed.

7.6. Press Releases.

The Parties shall consult with each other before issuing any press release or other public disclosure or communication (including communications to employees, agents and contractors) related to this Agreement or the transactions contemplated hereby and shall not issue such press release or other public disclosure without the prior written consent of the other Party (which consent shall not be unreasonably withheld, delayed or conditioned); provided, that nothing in this Section 7.6 shall be deemed to prohibit any Party from (a) making any press release or other public disclosure as, upon the advice of the outside counsel, is required by Law or the rules or regulations of any securities exchange and (b) making any public disclosure in response to questions from the press, analysts, investors or those attending industry conferences, making internal announcements to employees or making disclosures in any documents filed with or furnished to the SEC, in each case, to the extent that such statements are consistent with previous press releases or public disclosures made by the parties and otherwise in compliance with this Section 7.6. Notwithstanding anything in this Section 7.6 to the contrary, the Parties agree that Enova and its Affiliates shall be entitled to issue a press release and present an investor presentation announcing the execution of this Agreement substantially in the form attached hereto as Exhibit E.

7.7. Tax Treatment.

(a) Each of the Parties intends, and undertakes and agrees to use its reasonable best efforts to cause the Merger to, and to take no action which would cause the Merger not to, in each case, qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code for federal income tax purposes. The Parties shall cooperate and use their reasonable best efforts in order to obtain the Tax

Opinion. The Parties adopt this Agreement as a “plan of reorganization” within the meaning of Treasury Regulation Section 1.368-2(g) and for purposes of Sections 354, 361 and 368 of the Internal Revenue Code.

(b) Each of the Parties shall use its reasonable best efforts to cause their appropriate officers to execute and deliver to Covington & Burling LLP certificates containing appropriate representations and covenants, reasonably satisfactory in form and substance to such counsel, at such time or times as may be reasonably requested by such counsel, including as of the effective date of the Proxy Statement/Prospectus and the Closing Date, in connection with such counsel’s deliveries of Tax Opinions with respect to the Tax treatment of the Merger.

(c) Unless otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Internal Revenue Code, each of the Parties shall report the Merger as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code and shall not take any inconsistent position therewith in any Tax Return.

7.8. Transfer Taxes.

Holders of Grasshopper Common Stock shall be responsible for and shall pay all transfer, documentary, sales, use stamp, registration and other such Taxes, and any conveyance fees or recording charges (collectively, “Transfer Taxes”) incurred in connection with the transactions contemplated by this Agreement. Holders of Grasshopper Common Stock shall prepare and timely file (or cause to be prepared and timely filed) at their own expense all Tax Returns required to be filed in respect of any such Transfer Taxes and timely pay such Transfer Taxes.

7.9. Employee Benefits and Contracts.

(a) Enova shall cause to be provided to each employee who is actively employed by a Grasshopper Entity as of immediately prior to the Closing (each, a “Covered Employee”), while employed by Enova or one of its Affiliates following the Closing Date and except as otherwise provided in an agreement with a Covered Employee, (i) through the end of the year in which the Effective Time occurs, (A) base salary or wages at least equal to the base salary or wages provided to such Covered Employee by a Grasshopper Entity as of immediately prior to the Closing, and (B) target cash incentive compensation opportunities at least equal to the target cash incentive compensation opportunities provided to such Covered Employee by a Grasshopper Entity as of immediately prior to the Closing; provided, however, that Enova shall not be required to pay an aggregate amount for annual cash bonuses to Covered Employees of more than the amount set forth in Section 7.9(a) of Grasshopper’s Disclosure Schedule, and (ii) for a period of twelve (12) months following the Effective Time, employee benefits, terms and conditions, which are, in the aggregate, substantially comparable to those provided by Enova Entities to their similarly situated employees, including severance benefits in accordance with the applicable severance policy of Enova; provided, that in no event shall any Covered Employee be eligible to participate in any closed or frozen plan of any Enova Entity. Until such time as Enova shall cause the Covered Employees to participate in the applicable Enova Benefit Plans providing health and welfare benefits, the continued participation of the Covered Employees in the Grasshopper Benefit Plans providing health and welfare benefits shall be deemed to satisfy the foregoing provision (iii) of this clause (it being understood that participation in Enova Benefit Plans may commence at different times with respect to each of Enova Benefit Plans). For purposes of determining eligibility to participate, vesting and level of benefits under Enova Benefit Plans in which Covered Employees are eligible to participate, the service of the Covered Employees with all Grasshopper Entities (and predecessors thereto) prior to the Effective Time shall be treated as service with an Enova Entity, to the same extent that such service was recognized by the Grasshopper Entities for purposes of a similar benefit plan; provided, that such recognition of service shall not (x) operate to duplicate any benefits of a Covered Employee with respect to the same period of service, or (y) apply for purposes of any plan,

program or arrangement (1) under which similarly-situated employees of Enova Entities do not receive credit for prior service, (2) that is grandfathered or frozen, either with respect to level of benefits or participation, or (3) for purposes of retiree medical benefits or level of benefits under a defined benefit pension plan.

(b) From and after the Effective Time, without limiting the generality of Section 7.9(a), with respect to each Covered Employee (and his or her beneficiaries), Enova shall (i) ensure that each Covered Employee shall be immediately eligible to participate, without waiting time, in any and all Enova Benefit Plans providing retirement or life, accident, disability medical, dental, vision or health benefits to the extent coverage under such Enova Benefit Plan replaces coverage under a similar Grasshopper Benefit Plan in which such Covered Employee participated immediately prior to such replacement and (ii) shall use commercially reasonable efforts to cause each Enova Benefit Plan providing life, accident, disability, medical, dental, vision or health benefits and in which each such Covered Employee becomes eligible to participate to (A) waive any preexisting condition limitations, (B) waive any waiting period limitation, actively-at-work requirement or evidence of insurability requirement that would otherwise be applicable to such Covered Employees and their beneficiaries on or after the Effective Time to the extent such employee or beneficiary had satisfied any similar limitation or requirement under an analogous plan prior to the Effective Time, and (C) cause any eligible expenses incurred by such Covered Employee (and his or her beneficiaries) under a Grasshopper Benefit Plan during the portion of the plan year prior to the date on which coverage begins to be taken into account under such Enova Benefit Plan for purposes of satisfying all deductibles, co-insurance, co-payment, and maximum out-of-pocket requirements for the applicable plan year as if such amounts have been paid in accordance with the Enova Benefit Plan.

(c) Prior to the Closing Date, the Grasshopper Entities shall take all reasonably necessary action (including without limitation the adoption of resolutions and, if determined to be necessary, plan amendments and the delivery of any required notices) (i) to amend the Grasshopper Bank, N.A. Retirement Plan (the “401(k) Plan”) to prohibit any participants in the 401(k) Plan from taking out a plan loan from and after such date of amendment, such prohibition to be effective as soon as commercially practicable following the date hereof and (ii) to terminate the 401(k) Plan, effective as of no later than the day before the Closing Date (but contingent on the Closing). Such resolutions and, if determined to be reasonably necessary, plan amendments, notices and other documents prepared to effectuate the termination of the 401(k) Plan shall be subject to advance review and comment by Enova, and Grasshopper shall incorporate Enova’s reasonable and timely comments to such drafts in good faith. On or prior to the Closing Date, Grasshopper shall provide Enova with the final documentation evidencing that the 401(k) Plan has been terminated. As of the Closing Date, Enova shall cause any defined contribution plan sponsored by Enova (or any of its Affiliates) that is qualified under Section 401(a) of the Code (the “Enova 401(k) Plan”) to accept a rollover of (i) the cash portion of any “eligible rollover distribution” (within the meaning of Section 402(c)(4) of the Code) to a Covered Employee from the 401(k) Plan and (ii) the portion of any such eligible rollover distribution that consists of a promissory note applicable to a loan from the 401(k) Plan to such Covered Employee. On or prior to the Closing Date, Enova shall provide Grasshopper with the final documentation evidencing that the Enova 401(k) Plan has been amended to permit the rollover of a promissory note applicable to a loan from the 401(k) Plan to such Covered Employee.

(d) Upon request by Enova in writing no later than 60 days prior to the Closing Date, the Grasshopper Entities shall cooperate in good faith with Enova prior to the Closing Date to amend, freeze, terminate or modify any Grasshopper Benefit Plan providing health or other welfare benefits to the extent and in the manner reasonably determined by Enova, to be effective upon the Closing Date (or at such later time mutually agreed to by the parties) but contingent upon Closing, and consistent with applicable Law. All resolutions and if determined to be reasonably necessary, plan amendments, notices and other documents prepared to effectuate the actions contemplated by this Section 7.9(d), as applicable, shall be subject to advance review and comment by Enova, and Grasshopper shall incorporate Enova’s reasonable

and timely comments to such drafts in good faith. On or prior to the Closing Date, Grasshopper shall provide Enova with the final documentation evidencing that the actions contemplated herein have been effectuated.

(e) Without limiting the generality of Section 10.4, nothing in this Agreement, expressed or implied, is intended to confer upon any Person, including any current or former employee, officer, director or consultant of Grasshopper or any of its Subsidiaries or Affiliates, any rights, remedies, obligations, or Liabilities under or by reason of this Agreement. In no event shall the terms of this Agreement: (i) establish, amend, or modify any Grasshopper Benefit Plan, Enova Benefit Plan or any “employee benefit plan” as defined in Section 3(3) of ERISA, or any other benefit plan, program, agreement or arrangement maintained or sponsored by Enova, Grasshopper or any of their respective Affiliates; (ii) alter or limit the ability of Surviving Corporation, Enova or any of their Subsidiaries or Affiliates to amend, modify or terminate any Grasshopper Benefit Plan, employment agreement, or any other benefit or employment plan, program, agreement or arrangement after the Closing Date, in each case in accordance with their terms; or (iii) confer upon any current or former employee, officer, director or consultant of Grasshopper or any of its Subsidiaries or Affiliates, any right to employment or continued employment or continued service with Enova or any Enova Subsidiaries, the Surviving Corporation or the Grasshopper Entities, or constitute or create an employment agreement with any employee, or interfere with or restrict in any way the rights of the Surviving Corporation, Grasshopper, Enova or any Subsidiary or Affiliate thereof to discharge or terminate the services of any employee, officer, director or consultant of Grasshopper or any of its Subsidiaries or Affiliates at any time for any reason whatsoever, with or without cause.

(f) No later than the Closing Date, Grasshopper shall (i) update Sections 4.3(a), 4.16(b), and 4.16(c) of Grasshopper’s Disclosure Memorandum so that it is current as of the Determination Date and Section 10.1 of Grasshopper’s Disclosure Memorandum so that it includes the wire instructions for the receipt of the Grasshopper Warrant Pro Rata Amount and (ii) provide Enova with true, complete and correct list of each employee who has suffered an “employment loss” within the meaning of the WARN Act in the 90 days prior to the Closing Date.

7.10. D&O Indemnification.

(a) For a period of six years after the Effective Time, the Surviving Corporation shall indemnify, defend and hold harmless the present and former directors or officers of the Grasshopper Entities (each, an “D&O Indemnified Party”), against all Liabilities incurred in connection with any Litigation arising out of or pertaining to, the fact that such Person is or was a director or officer of the Grasshopper Entities or, at Grasshopper’s request, of another corporation, partnership, joint venture, trust or other enterprise, and pertaining to matters, acts or omissions existing or occurring at or prior to the Effective Time (including matters, acts or omissions occurring in connection with the approval of this Agreement and the transactions contemplated by this Agreement), whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent provided under Grasshopper’s certificate of incorporation and bylaws as in effect as of the date of this Agreement (subject to applicable Law), including provisions relating to advances of expenses incurred in the defense of any Litigation; provided, that the D&O Indemnified Party to whom expenses are advanced provides a written undertaking to repay such advances if it is ultimately determined that such D&O Indemnified Party is not entitled to indemnification.

(b) The Surviving Corporation shall use its reasonable best efforts (and Grasshopper shall reasonably cooperate prior to the Effective Time in these efforts) to maintain in effect for a period of six years after the Effective Time Grasshopper’s existing directors’ and officers’ liability insurance policy (provided that the Surviving Corporation may substitute therefor (i) policies of at least the same coverage and amounts containing terms and conditions which are substantially no less advantageous to the insured or (ii) with the consent of Grasshopper given prior to the Effective Time, any other policy) with respect to

claims arising from facts or events which occurred prior to the Effective Time; provided, that the Surviving Corporation shall not be obligated to make aggregate premium payments for such six-year period in respect of such policy (or coverage replacing such policy) which exceed, for the portion related to Grasshopper's directors and officers, 250% of the annual premium payments currently paid on Grasshopper's current policy in effect as of the date of this Agreement (the "Maximum Amount"). If the amount of the premiums necessary to maintain or procure such insurance coverage exceeds the Maximum Amount, the Surviving Corporation shall use its reasonable best efforts to maintain the most advantageous policies of directors' and officers' liability insurance obtainable for a premium equal to the Maximum Amount. In lieu of the foregoing, Enova, or Grasshopper in consultation with Enova, may obtain on or prior to the Effective Time, a six-year "tail" prepaid policy providing equivalent coverage to that described in this Section 7.10(b) at a premium not to exceed the Maximum Amount. If the premium necessary to purchase such "tail" prepaid policy exceeds the Maximum Amount, Enova or Grasshopper in consultation with Enova may purchase the most advantageous "tail" prepaid policy obtainable for a premium equal to the Maximum Amount, and in each case, Enova and the Surviving Corporation shall have no further obligations under this Section 7.10(b) other than to maintain such "tail" prepaid policy.

(c) If the Surviving Corporation or any successors or assigns shall consolidate with or merge into any other Person and shall not be the continuing or surviving Person of such consolidation or merger or if the Surviving Corporation (or any successors or assigns) shall transfer all or substantially all of its Assets to any Person, then and in each case, proper provision shall be made so that the successors and assigns of the Surviving Corporation shall assume the obligations set forth in this Section 7.10.

(d) The provisions of this Section 7.10 are intended to be for the benefit of and shall be enforceable by, each Grasshopper D&O Indemnified Party and their respective heirs and Representatives.

(e) Notwithstanding anything in this Section 7.10 to the contrary, no indemnification payments will be made to a D&O Indemnified Party with respect to an administrative proceeding or civil action initiated by any federal banking agency unless all of the following conditions are met: (i) Enova's board of directors determines in writing that the D&O Indemnified Party acted in good faith and in the best interests of Grasshopper or Grasshopper Bank; (ii) Enova's board of directors determines that the payment will not materially affect Enova's safety and soundness; (iii) the payment does not fall within the definition of a prohibited indemnification payment under 12 C.F.R. Part 359; and (iv) the D&O Indemnified Party agrees in writing to reimburse Enova, to the extent not covered by permissible insurance, for payments made in the event that the administrative or civil action instituted by a banking Regulatory Authority results in a final Order or settlement in which the D&O Indemnified Party is assessed a civil money penalty, is prohibited from banking, or is required to cease an action or perform an affirmative action.

7.11. Operating Functions.

Grasshopper and Grasshopper Bank shall reasonably cooperate with Enova in connection with planning for the efficient and orderly combination of the Parties and the operation of the Surviving Corporation and Surviving Bank, and in preparing for the consolidation of appropriate operating functions to be effective at the Effective Time or such later date as Enova may decide. Each Party shall cooperate with the other Party in preparing to execute after the Effective Time conversion or consolidation of systems and business operations generally (including by entering into customary confidentiality, non-disclosure and similar agreements with service providers of the other Party). Prior to the Effective Time, each Party shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

7.12. Litigation.

Each of Grasshopper and Enova shall promptly notify each other in writing of any action, arbitration, audit, hearing, investigation, litigation, suit, subpoena or summons issued, commenced, brought, conducted or heard by or before, or otherwise involving, any Regulatory Authority or arbitrator pending or, to the Knowledge of Grasshopper or Enova, as applicable, threatened against Grasshopper, Enova or any of their respective Subsidiaries or Representatives that (a) questions or would reasonably be expected to question the validity of this Agreement or the other agreements contemplated hereby or thereby or any actions taken or to be taken by Grasshopper, Enova or their respective Subsidiaries with respect hereto or thereto, or (b) seeks to enjoin or otherwise restrain the transactions contemplated hereby or thereby. Grasshopper shall give Enova prompt notice of any stockholder litigation against Grasshopper or its directors or officers relating to the transactions contemplated by this Agreement and shall give Enova every opportunity to participate in the defense or settlement of such litigation, provided that no such settlement shall be agreed to by any Grasshopper Entity without Enova's prior written consent (such consent not to be unreasonably withheld, delayed or conditioned).

7.13. Legal Conditions to Merger; Additional Agreements.

Subject to Sections 7.1 and 7.5 of this Agreement, each of Grasshopper and Enova shall, and shall cause each of their respective Subsidiaries to, use their reasonable best efforts (a) to take, or cause to be taken, all actions necessary, proper or advisable to comply promptly with all legal and regulatory requirements that may be imposed on such Party or its Subsidiaries with respect to the Core Transactions and, subject to the conditions set forth in ARTICLE 8 hereof, to consummate the transactions contemplated by this Agreement, and (b) to obtain (and to cooperate with the other Party to obtain) any Permit or Consent by any Regulatory Authority and any other third party that is required to be obtained by Grasshopper or Enova or any of their respective Subsidiaries in connection with, or to effect, the Core Transactions and the other transactions contemplated by this Agreement. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement (including, any merger between a Enova Subsidiary, on the one hand, and Grasshopper Bank, on the other hand) or to vest the Surviving Corporation and the Surviving Bank with full title to all Assets, rights, Consents, Permits, immunities and franchises of any of the Parties to the Mergers, the proper officers and directors of each Party and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by Enova.

7.14. Closing Financial Statements.

(a) Grasshopper shall provide to Enova, on the date that is two (2) Business Days prior to the anticipated Effective Time, Grasshopper's consolidated balance sheet and related statement of income (including Grasshopper's Tier 1 Leverage Ratio described in Section 8.2(f) and its calculation) as of and through the close of business on the last day of the most recently concluded calendar month prior to the anticipated Effective Time (the "Closing Financial Statements").

(b) The Closing Financial Statements shall (i) have been prepared (A) in good faith based on all available information at such time and in accordance with GAAP and regulatory accounting principles, and (B) in the same manner as the Reference Financial Statements, and (ii) reflect all period-end accruals, other adjustments, and provisions to be consistent with the Reference Financial Statements. The Closing Financial Statements shall also (1) reflect as of their date accruals for all fees, costs and expenses incurred or expected to be incurred (whether or not doing so is in accordance with GAAP) in connection (directly or indirectly) with the transactions contemplated by this Agreement, including any transaction, sale, change-of-control, retention costs or bonuses or other payments owed by Grasshopper or any Grasshopper Entity and (2) be accompanied by (x) a certificate of Grasshopper's chief financial officer, dated as of the date of the Closing Financial Statements, to the effect that such financial statements meet the requirements

of Section 7.14(a), were prepared in good faith based on all available information at such time and in accordance with GAAP and regulatory accounting principles and in the same manner as the Reference Financial Statements and reflect all period-end accruals, other adjustments and provisions, and reflect accurately the consolidated balance sheet and related statement of income of Grasshopper in all material respects and (y) all supporting information from the Closing Financial Statements, including all books and records.

(c) Subject to Section 10.14, beginning no later than two weeks prior to the anticipated Effective Time and until calculation of Grasshopper's Tier 1 Leverage Ratio is agreed in accordance with this Section 7.14, Grasshopper shall, and shall cause Grasshopper Bank, and each of their respective Representatives to (i) reasonably cooperate in good faith with and reasonably assist Enova and its Representatives in preparing for and completing their review of the Closing Financial Statements, including Loan valuation, and their investigation and evaluation of any material developments in Grasshopper or Grasshopper Bank from the date hereof (including the status of the Grasshopper Contracts and BaaS Contracts, any Default under any Law or Order applicable to any Grasshopper Entity, any notification or communication from any Regulatory Authority asserting that any Grasshopper Entity is not in compliance with any Laws, Orders, or Permits or engaging in an unsafe or unsound activity or is in troubled condition, or any Litigation instituted or pending, or, to the Knowledge of Grasshopper, threatened against any Grasshopper Entity and significant Loan issuances), and (ii) provide Enova and its Representatives with any books, records or other information reasonably requested by Enova or its Representatives and in Grasshopper's possession in connection with such review, investigation and evaluation.

(d) Following the delivery of the Closing Financial Statements: (i) Grasshopper will consider in good faith Enova's reasonable comments to the Closing Financial Statements, and (ii) Enova and Grasshopper shall work together in good faith to agree on the Closing Financial Statements, including the calculation of Grasshopper's Tier 1 Leverage Ratio contained therein. The Closing Financial Statements and the calculation of Grasshopper's Tier 1 Leverage Ratio contained therein agreed between the Parties shall become final and binding.

(e) If, no later than the day before the anticipated Effective Time, Enova and Grasshopper are unable to agree upon the Closing Financial Statements or Grasshopper's Tier 1 Leverage Ratio contained therein, Enova and Grasshopper shall promptly submit any items over which a disagreement remains (each dispute, an "Objection") to an independent, nationally recognized accounting firm mutually agreed to by Enova and Grasshopper (the "Independent Accountants"), which will act as an expert and not as an arbitrator to resolve the remaining disputed items. The Independent Accountants shall be instructed to resolve the matters that remain in dispute with respect to the Objection based solely on written submissions of Grasshopper, on the one hand, and Enova, on the other hand, and not by independent investigation. Enova and Grasshopper will use commercially reasonable efforts to cause the Independent Accountants to resolve any dispute and issue final Closing Financial Statements confirming the correct Grasshopper's Tier 1 Leverage Ratio (as determined in accordance with the standards and definitions in this Agreement), within ten days following such engagement. Enova and Grasshopper will reasonably cooperate with, and furnish such information including work papers and documentation used by Grasshopper and Enova in preparing the Closing Financial Statements and any Objection, as may be requested to, the Independent Accountants. The final Closing Financial Statements issued by the Independent Accountants, as well as the amount of Grasshopper's Tier 1 Leverage Ratio contained therein, will be final and binding on Enova and Grasshopper; provided, however, that if Grasshopper's Tier 1 Leverage Ratio provided in the Closing Financial Statements delivered by Grasshopper pursuant to Section 7.14(a) is no less than 8%, but Grasshopper's Tier 1 Leverage Ratio contained in the final Closing Financial Statements issued by the Independent Accountants is less than 8%, then Grasshopper shall have up to 45 days after the Independent Accountants issue such final Closing Financial Statements (provided that such period shall not extend beyond the date that is 15 days prior to the Termination Date) in which to take such actions as may be

mutually agreed by the parties such that Grasshopper's Tier 1 Leverage Ratio shall be no less than 8%. If, following such 45-day (or shorter) period, Enova and Grasshopper are unable to agree upon Grasshopper's Tier 1 Leverage Ratio being no less than 8%, Enova and Grasshopper shall re-submit any items over which a disagreement remains to the Independent Accountants as described in the foregoing and the determination of the Independent Accountants in such process shall be final and binding on Enova and Grasshopper.

(f) Each of Enova and Grasshopper will bear all costs and fees incurred by it in connection with the foregoing arbitration; provided that the fees and expenses of the Independent Accountants shall be borne by Grasshopper and Enova in the same proportion that the aggregate amount of disputed items submitted to the Independent Accountants that are unsuccessfully disputed by Grasshopper and Enova, respectively (as determined by the Independent Accountants), bears to the total amount of items submitted to the Independent Accountants.

(g) Following the determination of the final Grasshopper Tier 1 Leverage Ratio as agreed between Enova and Grasshopper pursuant to Section 7.14(d) or as determined by the Independent Accountants pursuant to Section 7.14(e) (the "Final Grasshopper Tier 1 Leverage Ratio"), Grasshopper may, upon prior written notice to Enova and subject to Grasshopper obtaining all required regulatory Permits or Consents from the applicable Regulatory Authorities, prior to the anticipated Effective Time, declare and pay a special cash dividend to its stockholders of record in an amount not to exceed (1) the excess cash held by Grasshopper which if not held would cause the Final Grasshopper Tier 1 Leverage Ratio to equal 8% *minus* (2) (i) an amount equal to \$8.19 per share of Grasshopper Common Stock issued upon the exercise of any Grasshopper Warrant on or after the date hereof and prior to the Effective Time, (ii) the aggregate exercise prices payable for all shares of Grasshopper Common Stock issued upon the exercise of any Grasshopper Stock Option on or after the date hereof and prior to the Effective Time and (iii) an amount equal to the amount that would be payable for this dividend to each share of Grasshopper Common Stock underlying each Grasshopper Stock Option (vested or unvested) had all such shares been issued and outstanding prior to the payment of such dividend, together with the employer portion of payroll tax attributable to paying this aggregate amount to the holders of such Grasshopper Stock Options. The special dividend payable pursuant to this Section 7.14(g) shall be allocated pro rata to such Grasshopper stockholders of record and Grasshopper shall adopt a bonus plan at the same time as declaring such special dividend providing for the payment to each Grasshopper Stock Option (whether vested or unvested) that is outstanding and unexercised immediately prior to the payment of such special dividend of an amount equal to the amount that would be payable for such special dividend to each share of Grasshopper Common Stock underlying each Grasshopper Stock Option (vested or unvested) had all such shares been issued and outstanding prior to the payment of such dividend.

7.15. Dividends.

From the date of this Agreement until the earlier of the Effective Time or the termination of this Agreement, each of Enova and Grasshopper shall coordinate with the other regarding the declaration of any dividends in respect of Enova Common Stock (to the extent permitted by this Agreement) and Grasshopper Common Stock and the record dates and payment dates relating thereto, it being the intention of the Parties that Holders shall not receive two dividends, or fail to receive one dividend, in any quarter with respect to their shares of Grasshopper Common Stock and any shares of Enova Common Stock any such Holder receives in exchange therefor in the Merger.

7.16. Change of Method.

Enova may at any time prior to the Effective Time change the method or structure of effecting the combination of the Grasshopper and Enova (including by providing for the merger of Grasshopper with a wholly owned Subsidiary of Enova) if and to the extent requested by Enova, and Grasshopper agrees to

enter into such amendments to this Agreement as Enova may reasonably request in order to give effect to such restructuring; provided, that no such change or amendment shall (a) alter or change the amount or kind of the Merger Consideration provided for in this Agreement, (b) adversely affect the Tax treatment of the Mergers with respect to Grasshopper's stockholders, or (c) materially delay or impede the consummation of the transactions contemplated by this Agreement.

7.17. Restructuring Efforts.

If Grasshopper shall have failed to obtain the Grasshopper Stockholder Approval at the duly convened Grasshopper Meeting, or any adjournment or postponement thereof, each of the Parties shall in good faith use its reasonable best efforts to negotiate a restructuring of the transaction provided for herein (it being understood that neither Party shall have any obligation to alter or change any material terms, including the amount or kind of the Merger Consideration, in a manner adverse to such Party or its stockholders or adversely affect the Tax treatment of the Mergers with respect to Grasshopper's stockholders) and resubmit this Agreement or the transactions contemplated hereby (or as restructured pursuant to this Section 7.17) to Grasshopper's stockholders for approval.

7.18. Takeover Statutes.

None of Enova or Grasshopper or their respective board of directors shall take any action that would cause any Takeover Statute to become applicable to this Agreement, the Mergers, or any of the other transactions contemplated hereby, and each shall take all necessary steps to exempt (or ensure the continued exemption of) the Mergers and the other transactions contemplated hereby from any applicable Takeover Statute now or hereafter in effect. If any Takeover Statute may become, or may purport to be, applicable to the transactions contemplated hereby, each of Enova and Grasshopper and the members of their respective board of directors will grant such approvals and take such actions as are necessary so that the transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms contemplated hereby and otherwise act to eliminate or minimize the effects of any Takeover Statute on any of the transactions contemplated by this Agreement, including, if necessary, challenging the validity or applicability of any such Takeover Statute.

7.19. Cancellation of Grasshopper Warrants.

Prior to the Effective Time, Grasshopper shall use reasonable best efforts to cause any outstanding and unexercised Grasshopper Warrant, whether vested or unvested, as of immediately prior to the Effective Time be canceled at the Effective Time in a manner satisfactory to Enova in its reasonable discretion without any consideration other than, subject to the execution of a Warrant Cancellation Agreement, the right to receive a cash payment payable to such holder of such Grasshopper Warrants as described in Section 2.4(b) and no longer represent any Grasshopper Equity Rights or any other securities of, or other rights with respect to, the Grasshopper, Enova, the Surviving Corporation or any other Person, including obtaining an executed Warrant Cancellation Agreement from each holder of a Grasshopper Warrant.

ARTICLE 8 CONDITIONS PRECEDENT TO OBLIGATIONS TO CONSUMMATE

8.1. Conditions to Obligations of Each Party.

The respective obligations of each Party to consummate the Mergers and the other transactions contemplated hereby are subject to the satisfaction at or prior to the Effective Time of the following conditions, unless waived by both Parties pursuant to Section 10.6:

(a) Grasshopper Stockholder Approval. The Grasshopper Stockholder Approval shall have been obtained.

(b) Regulatory Approvals. (i) All required regulatory Permits or Consents from the OCC, Federal Reserve and any other Regulatory Authority, and (ii) any other regulatory Permits or Consents contemplated by Section 7.4(a) the failure of which to obtain has had or would reasonably be expected to have a Material Adverse Effect on Enova and Grasshopper (considered as a consolidated entity), in each case required to consummate the transactions contemplated by this Agreement, including the Core Transactions (provided that the obtaining of any Consent over the declaration and payment of the special dividend set forth in Section 7.14(g) shall not be a condition hereunder), shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired (all such approvals and the expiration of all such waiting periods being referred to as the “Requisite Regulatory Approvals”).

(c) Legal Proceedings. No court or Regulatory Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Law or Order (whether temporary, preliminary or permanent) or taken any other action which prohibits, restricts or makes illegal the consummation of the transactions contemplated by this Agreement (including the Core Transactions).

(d) Registration Statement. The Registration Statement shall be effective under the Securities Act, no stop orders suspending the effectiveness of the Registration Statement shall have been issued, and no action, suit, proceeding or investigation by the SEC to suspend the effectiveness thereof shall have been initiated and be continuing.

(e) Exchange Listing. The shares of Enova Common Stock issuable pursuant to the Merger shall have been approved for listing on NYSE, subject to official notice of issuance, if required.

(f) Tax Matters. Each Party shall have received a written opinion of Covington & Burling LLP, in form reasonably satisfactory to such Parties (the “Tax Opinion”), to the effect that the Merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code. In rendering such Tax Opinion, such counsel shall be entitled to rely upon representations of officers of Grasshopper and Enova reasonably satisfactory in form and substance to such counsel.

8.2. Conditions to Obligations of Enova.

The obligations of Enova to consummate the Mergers and the other transactions contemplated hereby are subject to the satisfaction at or prior to the Effective Time of the following conditions, unless waived by Enova pursuant to Section 10.6:

(a) Representations and Warranties. For purposes of this Section 8.2(a), the accuracy of the representations and warranties of Grasshopper set forth in this Agreement shall be assessed as of the date of this Agreement and as of the Effective Time with the same effect as though all such representations and warranties had been made on and as of the Effective Time (provided that representations and warranties which are confined to a specified date shall speak only as of such date). The representations and warranties set forth in Sections 4.3(a) and 4.3(c) (Capitalization of Grasshopper), 4.4(a) (Capitalization of Grasshopper Bank), 4.9(a) (Absence of Certain Changes or Events), and 4.32 (Brokers and Finders) shall be true and correct (except, with respect to the representations and warranties set forth in Sections 4.3(a) and 4.3(c) (Capitalization of Grasshopper) and 4.4(a) (Capitalization of Grasshopper Bank), for inaccuracies which are *de minimis* in amount). The representations and warranties set forth in Sections 4.1 (Organization, Standing, and Power), 4.2 (Authority of Grasshopper; No Breach by Agreement), 4.3(b) and 4.3(d) (Capitalization of Grasshopper), 4.4(b), 4.4(c), and 4.4(d) (Capitalization of Grasshopper Bank), qualified

by references to “Material Adverse Effect” shall be true and correct in all respects, and all other representations and warranties described in this sentence shall be true and correct in all material respects; provided that those representations and warranties which are qualified by references to “material” shall be deemed not to include such qualifications. The representations and warranties set forth in each other Section in ARTICLE 4 shall, in the aggregate, be true and correct in all respects except where the failure of such representations and warranties to be true and correct has not had or would not reasonably be expected to have a Material Adverse Effect; provided, that, for purposes of this sentence only, those representations and warranties which are qualified by references to “material” or “Material Adverse Effect” shall be deemed not to include such qualifications.

(b) Performance of Agreements and Covenants. Grasshopper shall have performed in all material respects all obligations, covenants and agreements required to be performed by it under this Agreement at or prior to the Effective Time.

(c) Certificates. Grasshopper shall have delivered to Enova (i) a certificate, dated as of the Closing Date and signed on its behalf by its chief executive officer and its chief financial officer, to the effect that the conditions set forth in Section 8.1 as such conditions relate to Grasshopper and in Sections 8.2(a), 8.2(b) and 8.2(h) have been satisfied, (ii) certified copies of resolutions duly adopted by Grasshopper’s board of directors and stockholders evidencing the taking of all corporate action necessary to authorize the execution, delivery and performance of this Agreement, and the consummation of the transactions contemplated hereby, all in such reasonable detail as Enova and its counsel shall request, and (iii) a certificate (in such form as may be reasonably requested by counsel to Enova) that satisfies the requirements of Treasury Regulation section 1.897-2(h) (as described in Treasury Regulation section 1.1445-2(c)(3)(i) (together with an IRS notice prepared in accordance with Treasury Regulation section 1.897-2(h)(2), and written authorization from Grasshopper for Enova to submit such certificate and notice to the IRS on behalf of Grasshopper)).

(d) Termination of Contracts and Release. Grasshopper shall have delivered to Enova evidence satisfactory to Enova in its discretion that (i) each Contract listed in Section 8.2(d) of Grasshopper’s Disclosure Memorandum has been terminated in its entirety and (ii) each party to a Shareholder Rights Agreement has agreed to the termination thereof, in form and substance reasonably satisfactory to Enova, including an express release of Grasshopper, Enova and each of their Subsidiaries and Affiliates in respect of prior equity ownership and any rights such Persons had under such Shareholder Rights Agreement.

(e) Dissenting Shares. Holders of not more than two percent of the outstanding shares of Grasshopper Common Stock shall have demanded, properly and in writing, appraisal for such shares of Grasshopper Common Stock held by each such Holder under the DGCL.

(f) Regulatory Capital. In each case as reflected in the Closing Financial Statements (as may be revised prior to the Effective Time in accordance with Section 7.14), (i) Grasshopper Bank shall be “well capitalized” as defined under applicable Law, (ii) Grasshopper’s Tier 1 Leverage Ratio shall be no less than 8% and (iii) Grasshopper Bank shall not have received any notification from the OCC or FDIC to the effect that the capital of Grasshopper Bank is insufficient to permit Grasshopper Bank to engage in all aspects of its business and its currently proposed businesses without material restrictions, including the imposition of a Burdensome Condition.

(g) Burdensome Condition. No Requisite Regulatory Approval contains, shall have resulted in or would reasonably be expected to result in, the imposition of a Burdensome Condition.

(h) No Grasshopper Material Adverse Effect. Since the date of this Agreement, there shall not have occurred any Material Adverse Effect on Grasshopper, nor shall any event or events have occurred that, with or without the lapse of time, could reasonably be expected to result in a Material Adverse Effect on Grasshopper.

(i) Grasshopper Warrant Cancellation. Grasshopper shall have delivered to Enova a Warrant Cancellation Agreement from each of (x) the holders of Grasshopper Warrants representing at least 65% of the aggregate number of shares of Grasshopper Common Stock underlying all Grasshopper Warrants (including any Grasshopper Warrants held by directors of Grasshopper) and (y) the holders of all Grasshopper Warrants described on Section 4.3(e)(i) of Grasshopper's Disclosure Memorandum.

(j) Third Party Consents. Each of the Consents set forth in Section 8.2(j) of Grasshopper's Disclosure Memorandum shall have been obtained and must be in full force and effect at the Effective Time, provided, however that if the Consents set forth in items 3, 7 and 8 of Section 8.2(j) of Grasshopper's Disclosure Memorandum are not obtained, then Grasshopper shall, prior to the Effective Time, take such other actions described in Section 8.2(j) of Grasshopper's Disclosure Memorandum.

8.3. Conditions to Obligations of Grasshopper.

The obligations of Grasshopper to consummate the Mergers and the other transactions contemplated hereby are subject to the satisfaction at or prior to the Effective Time of the following conditions, unless waived by Grasshopper pursuant to Section 10.6:

(a) Representations and Warranties. For purposes of this Section 8.3(a), the accuracy of the representations and warranties of Enova set forth in this Agreement shall be assessed as of the date of this Agreement and as of the Effective Time with the same effect as though all such representations and warranties had been made on and as of the Effective Time (provided that representations and warranties which are confined to a specified date shall speak only as of such date). The representations and warranties of Enova set forth in Sections 5.3(a) and 5.3(c) (Capitalization of Enova), 5.8 (Absence of Certain Changes or Events), and 5.17 (Brokers and Finders) shall be true and correct (except, with respect to the representations and warranties of Enova set forth in Sections 5.3(a) and 5.3(c) (Capitalization of Enova), for inaccuracies which are *de minimis* in amount). The representations and warranties of Enova set forth in Sections 5.1 (Organization, Standing, and Power), 5.2 (Authority of Enova; No Breach by Agreement), and 5.3(b) (Capitalization of Enova) qualified by references to "Material Adverse Effect" shall be true and correct in all respects, and all other representations and warranties described in this sentence shall be true and correct in all material respects; provided that those representations and warranties which are qualified by references to "material" shall be deemed not to include such qualifications. The representations and warranties set forth in each other Section in ARTICLE 5 shall, in the aggregate, be true and correct in all respects except where the failure of such representations and warranties to be true and correct has not had or would not reasonably be expected to have a Material Adverse Effect; provided, that, for purposes of this sentence only, those representations and warranties which are qualified by references to "material" or "Material Adverse Effect" shall be deemed not to include such qualifications.

(b) Performance of Agreements and Covenants. Enova shall have performed in all material respects all obligations, covenants and agreements required to be performed by it under this Agreement at or prior to the Effective Time.

(c) Certificates. Enova shall have delivered to Grasshopper (i) a certificate, dated as of the Closing Date and signed on its behalf by its chief executive officer and its chief financial officer, to the effect that the conditions set forth in Section 8.1 as such conditions relate to Enova and in Sections 8.3(a), 8.3(b) and 8.3(d) have been satisfied, and (ii) certified copies of resolutions duly adopted by Enova's board

of directors evidencing the taking of all corporate action necessary to authorize the execution, delivery and performance of this Agreement, and the consummation of the transactions contemplated hereby, all in such reasonable detail as Grasshopper and its counsel shall request.

(d) No Enova Material Adverse Effect. Since the date of this Agreement, there shall not have occurred any Material Adverse Effect on Enova, nor shall any event or events have occurred that, with or without the lapse of time, could reasonably be expected to result in a Material Adverse Effect on Enova.

ARTICLE 9 TERMINATION

9.1. Termination.

Notwithstanding any other provision of this Agreement, and notwithstanding the Grasshopper Stockholder Approval, this Agreement may be terminated and the Mergers abandoned at any time prior to the Effective Time:

(a) by mutual written agreement of Enova and Grasshopper;

(b) by either Party, by written notice to the other Party, in the event (i) (A) any Regulatory Authority has denied a Requisite Regulatory Approval and such denial has become final, or has advised either Party in writing or both Parties orally that it will not grant (or intends to rescind or revoke if previously approved) a Requisite Regulatory Approval, or (B) any Regulatory Authority shall have requested that Enova, Grasshopper, or any of their respective Affiliates withdraw (other than for technical reasons), and not be permitted to resubmit within 60 days, any application with respect to a Requisite Regulatory Approval; provided, that the right to terminate this Agreement under this Section 9.1(b) (i) shall not be available to any Party whose failure to comply with any provision of this Agreement in any material respect has been the principal cause of, or resulted in, such denial, lack of grant or request, (ii) subject to the terminating Party's compliance with Section 7.17, the stockholders of Grasshopper fail to vote their approval of the matters relating to this Agreement and the transactions contemplated hereby at the Grasshopper Meeting where such matters were presented to such stockholders for approval and voted upon (taking into account any adjournment or postponement thereof as required by this Agreement), or (iii) any Law or Order permanently restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement shall have become final and non-appealable, provided that the Party seeking to terminate this Agreement pursuant to this Section 9.1(b)(iii) shall, subject to Section 7.4, have used its reasonable best efforts to contest, appeal and remove such Law or Order prior to such Law or Order becoming final and non-appealable;

(c) by either Party, by written notice to the other Party, in the event that the Merger shall not have been consummated by December 4, 2026 (the "Termination Date"); provided, that Enova and Grasshopper may mutually agree to extend the Termination Date until the date that is 90 days following the initial Termination Date so long as Enova pays to Grasshopper an amount equal to \$5,000,000 in same-day funds to the account specified by Grasshopper by no later than two Business Days prior to the initial Termination Date for that purpose, in which case the "Termination Date" shall be deemed to be the date that is 90 days following the initial Termination Date; provided, further, that the right to terminate this Agreement under this Section 9.1(c) shall not be available to (i) any Party seeking to terminate if such Party is in material breach of, or has materially breached, this Agreement prior to the Closing where such breach primarily caused the failure of the Closing to occur by the Termination Date or (ii) any Party during the determination of the Final Grasshopper Tier 1 Leverage Ratio pursuant to Section 7.14 (including any period during which Grasshopper is taking action to increase Grasshopper's Tier 1 Leverage Ratio in accordance with the terms of Section 7.14);

(d) by either Party, by written notice to the other Party (provided that the terminating Party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties (or any such representation or warranty shall cease to be true and correct) set forth in this Agreement on the part of Grasshopper, in the case of a termination by Enova, or Enova, in the case of a termination by Grasshopper, which breach or failure to be true and correct, individually or in the aggregate with all other breaches by such Party (or failures of such representations or warranties to be true and correct), would constitute, if occurring or continuing on the Closing Date, the failure of a condition set forth in Section 8.2, in the case of a termination by Enova, or Section 8.3, in the case of a termination by Grasshopper, and which is not cured within 45 days following written notice to Grasshopper, in the case of a termination by Enova, or Enova, in the case of a termination by Grasshopper, or by its nature or timing cannot be cured during such period (or such fewer days as remain prior to the date specified in Section 9.1(c)); or

(e) by Enova, if any Regulatory Authority has granted a Requisite Regulatory Approval but such Requisite Regulatory Approval contains, or shall have resulted in or would reasonably be expected to result in, the imposition of a Burdensome Condition.

9.2. Effect of Termination; Termination Fee.

(a) Effect of Termination. In the event of the termination and abandonment of this Agreement pursuant to Section 9.1, this Agreement shall become void and have no further force or effect and there shall be no Liability on the part of any Party for matters addressed herein or other claim relating to this Agreement and the transactions completed hereby, except that (i) the provisions of this Section 9.2, Section 7.5(c), and ARTICLE 10, shall survive any such termination and abandonment and (ii) subject to Section 9.2(b), no such termination shall relieve the breaching Party from any Liability resulting from any actual and intentional fraud or willful breach by that Party of this Agreement occurring prior to such termination or abandonment.

(b) Termination Fee. In the event that Enova terminates this Agreement pursuant to Sections 9.1(b)(i), 9.1(b)(iii) or 9.1(e) prior to the 12-month anniversary of the date hereof, then Enova shall pay to Grasshopper an amount equal to \$5,000,000 (the “Reverse Termination Fee”) in same-day funds to the account specified by Grasshopper within two Business Days from the date of termination of this Agreement for that purpose. The payment of the Reverse Termination Fee by Enova pursuant to this Section 9.2(b) shall constitute liquidated damages and not a penalty, and, except in the case of actual and intentional fraud, the receipt of such fee by Grasshopper shall be the sole and exclusive remedy for damages against Enova for any loss suffered by Grasshopper as a result of any breach of any representation, warranty, covenant or agreement set forth herein, the failure of the transactions contemplated hereby to be consummated or any other theory of liability related to any of the foregoing or otherwise, whether at law or in equity, in contract, in tort or otherwise, and upon receipt by the Grasshopper of the Reverse Termination Fee, none of Enova or its Affiliates and representatives shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated hereby. The Parties acknowledge that the agreements contained in Section 9.2(b) are an integral part of the transactions contemplated by this Agreement, and that without these agreements, they would not enter into this Agreement. If Enova fails promptly to pay the amount due pursuant to this Section 9.2(b), and, in order to obtain such payment, Grasshopper commences a suit which results in a final and non-appealable judgment against Enova for the Reverse Termination Fee or any portion thereof, Enova shall pay the costs and expenses of Grasshopper (including reasonable attorneys’ fees and expenses) in connection with such suit. In addition, if Enova fails to pay the amounts payable pursuant to this Section 9.2(b), then Enova shall pay interest on such overdue amounts (for the period commencing as of the date that such overdue amount was originally required to be paid and ending on the date that such overdue amount is actually paid in full) at a rate per annum equal to the “prime rate”

as published in *The Wall Street Journal* on the date on which such payment was required to be made for the period commencing as of the date that such overdue amount was originally required to be paid.

9.3. Non-Survival of Representations and Covenants.

The respective representations, warranties, obligations, covenants, and agreements of the Parties in this Agreement shall not survive the Effective Time except this Section 9.3, Sections 7.6, 7.7, 7.9, and 7.10, and ARTICLE 1, ARTICLE 2, ARTICLE 3, and ARTICLE 10, which shall survive in accordance with their respective terms. Notwithstanding the foregoing, nothing in this Agreement shall limit or restrict any party's right or ability to make any claim against, or recover any amounts from, any Party that has committed actual and intentional fraud in the making of the representations and warranties set forth herein.

ARTICLE 10 MISCELLANEOUS

The representations and warranties in this Agreement are the product of negotiations

among the Parties and are for the sole benefit of the Parties. Any inaccuracies in such representations and warranties are subject to waiver by the Parties in accordance herewith without notice or liability to any other Person. In some instances, the representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date. Notwithstanding any other provision hereof to the contrary, no Consent of any third party beneficiary will be required to amend, modify or waive any provision of this Agreement.

10.5. Amendments.

To the extent permitted by Law, this Agreement may be amended by a subsequent writing signed by each of the Parties upon the approval of each of the Parties, whether before or after the Grasshopper Stockholder Approval has been obtained; provided, that after obtaining the Grasshopper Stockholder Approval, there shall be made no amendment that requires further approval by such stockholders.

10.6. Waivers.

At any time prior to the Effective Time, the Parties, by action taken or authorized by their respective boards of directors, may, to the extent permitted by Law, (a) extend the time for the performance of any of the obligations or other acts of the other Parties, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto, and (c) waive compliance with any of the agreements or satisfaction of any conditions contained herein; provided, that after the Grasshopper Stockholder Approval has been obtained, there may not be, without further approval of such stockholders, any extension or waiver of this Agreement or any portion thereof that requires further approval under applicable Law. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such Party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply with an obligation, covenant, agreement or condition. No failure or delay by any Party in exercising any right, power, remedy or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power or privilege.

10.7. Assignment.

Except as expressly contemplated hereby, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any Party (whether by operation of Law or otherwise) without the prior written consent of the other Party. Any purported assignment in contravention hereof shall be null and void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and assigns.

10.8. Notices.

All notices or other communications which are required or permitted hereunder shall be in writing and sufficient if delivered by hand, by registered or certified mail, postage pre-paid, return receipt requested, or by courier or overnight carrier, or by email (with confirmed receipt) to the Persons at the addresses set forth below (or at such other address as may be provided hereunder), and shall be deemed to have been delivered as of the date so delivered; provided, that delivery by email shall be deemed delivered when transmitted if transmitted prior to 6:00 p.m. Central Time, and, if not, the next Business Day:

10.9. Governing Law; Jurisdiction; Waiver of Jury Trial

(a) The Parties agree that this Agreement shall be governed by and construed in all respects in accordance with, and all disputes arising out of or in connection with this Agreement or the transactions contemplated hereby shall be resolved under, the Laws of the State of Delaware without regard to any conflict of Laws or choice of Law principles that might otherwise refer construction or interpretation of this Agreement to the substantive Law of another jurisdiction.

(b) Each Party agrees that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby (whether brought by any Party or any of its Affiliates or against any Party or any of its Affiliates) shall be brought in the Delaware Chancery Court or, if such court shall not have jurisdiction, in any federal or other state court of competent jurisdiction located in the State of Delaware (the “Chosen Courts”), and, solely in connection with such suit, action or proceeding, (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party, and (iv) agrees that service of process upon such party in any such action or proceeding will be effective if notice is given in accordance with Section 10.8.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR OTHER PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR

RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT: (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (IV) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.9.

10.10. Counterparts; Signatures.

This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments or waivers hereto or thereto, to the extent signed and delivered by electronic means, including by e-mail delivery of a “.pdf” format data file, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party to any such agreement or instrument shall raise the use of electronic means, including e-mail delivery of a “.pdf” format data file, to deliver a signature to this Agreement or any amendment or waiver hereto or any agreement or instrument entered into in connection with this Agreement or the fact that any signature or agreement or instrument was transmitted or communicated through the use of electronic means, including e-mail delivery of a “.pdf” format data file, as a defense to the formation of a Contract and each Party forever waives any such defense.

10.11. Interpretation.

(a) The captions, table of contents and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Unless otherwise indicated, all references to particular Articles, Sections or Exhibits shall mean and refer to the referenced Articles, Sections and Exhibits of this Agreement.

(b) Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against any Party, whether under any rule of construction or otherwise. No Party shall be considered the draftsman. The Parties acknowledge and agree that this Agreement has been reviewed, negotiated, and accepted by all Parties and their attorneys and, unless otherwise defined herein, the words used shall be construed and interpreted according to their ordinary meaning so as fairly to accomplish the purposes and intentions of all Parties.

10.12. Enforcement of Agreement.

The Parties agree that irreparable damage would occur and that the Parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement was not performed in accordance with its specific terms or was otherwise breached. It is accordingly agreed that the Parties shall be entitled, without the requirement of posting bond, to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of the United States or any state having jurisdiction, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties waives any defense in any action for specific performance that a remedy at law would be adequate.

10.13. Severability.

Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

10.14. Confidential Supervisory Information.

Information and documents commonly known as “confidential supervisory information” that is prohibited from disclosure under 12 C.F.R. § 261.2(b) or 12 C.F.R. § 4.32(b) shall not be disclosed by any Party, and nothing in this Agreement shall require such disclosure or be understood as constituting such disclosure. To the extent legally permissible, appropriate substitute or alternative disclosures or actions shall be made or taken under circumstances in which the limitations of the preceding sentence apply.

Amendment to the Merger Agreement

**AMENDMENT NO. 1
TO
AGREEMENT AND PLAN OF MERGER**

THIS AMENDMENT NO. 1 (this “Amendment”) to the Agreement and Plan of Merger, dated as of December 10, 2025 (the “Merger Agreement”) is made and entered into as of December 18, 2025, by and between Enova International, Inc. (“Enova”), a Delaware corporation, and Grasshopper Bancorp, Inc. (“Grasshopper”), a Delaware corporation.

WHEREAS, in accordance with Section 10.5 of the Merger Agreement, Enova and Grasshopper desire to amend certain provisions of the Merger Agreement as described herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in the Merger Agreement and this Amendment, and for other good and valuable consideration, the receipt and adequacy of which are acknowledged, the Parties agree as follows:

1. Definitions. Terms used herein and not defined shall have the meanings ascribed thereto in the Merger Agreement.

2. Amendments.

(a) Section 2.1(c) of the Merger Agreement is hereby amended and restated in its entirety as follows:

“Each share of Grasshopper Common Stock issued and outstanding immediately prior to the Effective Time (excluding the Canceled Shares and the Dissenting Shares) shall be converted, in accordance with the procedures set forth in this Agreement, into the right to receive the following consideration from Enova, in each case without interest:

(i) the Stock Consideration; and

(ii) the Cash Consideration.”

(b) Section 2.1(d) of the Merger Agreement is hereby amended and restated in its entirety as follows:

“All shares of Grasshopper Common Stock, when so converted pursuant to Section 2.1(c), shall automatically be canceled and retired and shall cease to exist, and each holder of a certificate (a “Certificate”) or book entry share (a “Book-Entry Share”) registered in the transfer books of Grasshopper that immediately prior to the Effective Time represented shares of Grasshopper Common Stock shall cease to have any rights with respect to such Grasshopper Common Stock other than the right to receive the Stock Consideration and the Cash Consideration in accordance with, and subject to, Section 2.1 and ARTICLE 3, including the right, if any, to receive the Fractional Share Payment together with the amounts, if any, payable pursuant to Section 3.2(d) (collectively, the “Merger Consideration”).”

(c) Section 2.2 of the Merger Agreement is hereby amended and restated in its entirety as follows.

“Intentionally Omitted.”

(d) Section 2.4(a) of the Merger Agreement is hereby amended and restated in its entirety as follows:

“Grasshopper Stock Options. At the Effective Time, each option granted by Grasshopper to purchase a share of Grasshopper Common Stock under the Grasshopper Stock Plan, whether vested or unvested (a “Grasshopper Stock Option”), that is outstanding and unexercised immediately prior to the Effective Time shall, automatically and without any required action on the part of the holder thereof, be fully vested and then canceled and converted into the right to receive from Enova, no later than 10 Business Days following the Closing Date, a cash payment (less any required Tax withholding) equal to the product (rounded up to the nearest whole cent) of (i) the number of shares of Grasshopper Common Stock subject to such Grasshopper Stock Option immediately prior to the Effective Time, multiplied by (ii) the difference, if positive, between the Per Share Cash Amount and the exercise price of the Grasshopper Stock Option. Any Grasshopper Stock Option with an exercise price that equals or exceeds the Per Share Cash Amount shall be canceled with no consideration being paid to the optionholder with respect to such Grasshopper Stock Option.”

(e) Section 3.1 of the Merger Agreement is hereby amended and restated in its entirety as follows:

“Intentionally Omitted.”

(f) Section 3.2(a) of the Merger Agreement is hereby amended and restated in its entirety as follows:

“Deposit of Merger Consideration. At or immediately prior to the Effective Time, Enova shall deposit, or shall cause to be deposited, with an exchange agent appointed by Enova (the “Exchange Agent”), for the benefit of holders of record of shares of Grasshopper Common Stock (excluding the Canceled Shares and Dissenting Shares) issued and outstanding immediately prior to the Effective Time (“Holders”), for exchange in accordance with this ARTICLE 3, (i) evidence of shares in book-entry form or, at the option of Enova, certificates (collectively referred to as “Enova Certificates”) for shares of Enova Common Stock equal to the aggregate Stock Consideration and (ii) immediately available funds for (A) the aggregate Cash Consideration, (B) any Fractional Share Payment, to the extent then determinable, and, (C) after the Effective Time, if applicable, any dividends or distributions which such Holders have the right to receive pursuant to Section 3.2(d) (collectively, the “Exchange Fund”). The Exchange Agent shall invest any cash included in the Exchange Fund as directed by Enova, provided, that no such investment or losses thereon shall affect the amount of Merger Consideration. Any interest and other income resulting from such investments shall be paid to Enova. Enova shall instruct the Exchange Agent to timely pay the Merger Consideration in accordance with this Agreement.”

(g) Section 3.2(b) of the Merger Agreement is hereby amended and restated in its entirety as follows:

“Delivery of Merger Consideration. As soon as reasonably practicable after the Effective Time, and in any event not later than five Business Days following the Effective Time, Enova shall cause the Exchange Agent to mail to each Holder of a Certificate (and Book-Entry Share, if required by the Exchange Agent or at the request of Enova), a notice

advising such Holders of the effectiveness of the Merger, including appropriate transmittal materials specifying that delivery shall be effected, and risk of loss and title to the Certificates or Book-Entry Shares shall pass, only upon proper delivery of the Certificates or Book-Entry Shares, together with properly completed and duly executed transmittal materials, duly executed on behalf of each Person effecting the surrender of such Certificates or Book-Entry Shares, and shall be in such form and have such other provisions as Enova or the Exchange Agent may reasonably specify, and instructions for surrendering the Certificates or Book-Entry Shares to the Exchange Agent in exchange for the consideration for which such Person may be entitled pursuant to ARTICLE 2 and this ARTICLE 3 (such materials and instructions to include customary provisions with respect to delivery of an “agent’s message” with respect to book-entry shares). Upon proper surrender of a Certificate or Book-Entry Share for exchange and cancellation to the Exchange Agent, together with the appropriate transmittal materials, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the Holder of such Certificate or Book-Entry Share shall be entitled to receive in exchange therefor (i) the Stock Consideration in non-certificated book-entry form which such Holder has the right to receive in respect of the Certificate or Book-Entry Share surrendered pursuant to the provisions of this Agreement and (ii) a check representing the amount of (A) the Cash Consideration which such Holder has the right to receive in respect of the Certificate or Book-Entry Share surrendered pursuant to the provisions of this Agreement, (B) any Fractional Share Payment (if any), and (C) any dividends or distributions (if any) which the Holder thereof has the right to receive pursuant to Section 3.2(d), and the Certificate or Book-Entry Share so surrendered shall forthwith be canceled. No interest will be paid or accrued for the benefit of Holders on the Merger Consideration or any Fractional Share Payment (if any) payable upon the surrender of the Certificates or Book-Entry Shares.”

(h) Section 3.2(c) of the Merger Agreement is hereby amended and restated in its entirety as follows:

“Share Transfer Books. At the Effective Time, the share transfer books of Grasshopper shall be closed, and thereafter there shall be no further registration of transfers of shares of Grasshopper Common Stock. From and after the Effective Time, Holders who held shares of Grasshopper Common Stock immediately prior to the Effective Time shall cease to have rights with respect to such shares, except as otherwise provided for herein. Until surrendered for exchange in accordance with the provisions of this Section 3.2, each Certificate or Book-Entry Share theretofore representing shares of Grasshopper Common Stock (other than the Canceled Shares) shall from and after the Effective Time represent for all purposes only the right to receive the Merger Consideration provided in this Agreement in exchange therefor, subject, however, to Enova’s obligation to pay any dividends or make any other distributions with a record date prior to the Effective Time which have been declared or made by Grasshopper in respect of such shares of Grasshopper Common Stock in accordance with the terms of this Agreement and which remain unpaid at the Effective Time. On or after the Effective Time, any Certificates or Book-Entry Shares presented to the Exchange Agent or the Surviving Corporation for any reason shall be canceled and exchanged for the Merger Consideration, any Fractional Share Payment (if any) and any dividends or distributions (if any) pursuant to Section 3.2(d) with respect to the shares of Grasshopper Common Stock formerly represented thereby.”

(i) The last sentence of Section 4.3(a) of the Merger Agreement is hereby amended and restated in its entirety as follows:

“As of the Effective Time, no more than (1) 36,115,245 shares of Grasshopper Common Stock will be issued and outstanding (excluding treasury shares and excluding any shares of Grasshopper Common Stock issued upon the exercise of any Grasshopper Stock Option or Grasshopper Warrant, in each case, that was issued and outstanding as of the date hereof (such shares issued upon exercise, the “Exercised Shares” and 36,115,245 plus the number of Exercised Shares, the “Maximum Shares”)), (2) 28,673 shares of Grasshopper Common Stock will be held by Grasshopper in its treasury, and (3) no shares of Grasshopper preferred stock will be issued and outstanding or held by its treasury.”

(j) The definition of “Cash Consideration” in Section 10.1 of the Merger Agreement is hereby amended and restated in its entirety as follows:

““Cash Consideration” means \$4.845; provided, that if the total number of shares of Grasshopper Common Stock (excluding treasury shares) issued and outstanding immediately prior to the Effective Time exceeds the Maximum Shares, then the Cash Consideration shall mean the amount that is equal to the quotient obtained by dividing (a) \$4.845 *multiplied by* the Maximum Shares by (b) the total number of shares of Grasshopper Common Stock issued and outstanding immediately prior to the Effective Time.”

(k) Section 10.1 of the Merger Agreement is hereby amended by inserting the following additional defined term (in appropriate alphabetical order):

““Per Share Cash Amount” means the amount that is the result of the Cash Consideration *multiplied by* two.”

(l) Section 10.2 of the Merger Agreement is hereby amended by (i) deleting the following defined terms: “Cash Election”, “Cash Election Cap”, “Cash Election Number”, “Cash Election Shares”, “Election”, “Election Deadline”, “Election Form”, “Exchange Agent Agreement”, “Mailing Date”, “Non Election Shares”, “Shortfall Floor Number”, “Stock Election”, and “Stock Election Shares”, and (ii) adding the following defined terms: “Exercised Shares” and “Per Share Cash Amount”.

3. Effect of Amendment. This Amendment shall not constitute an amendment or waiver of any provision of the Merger Agreement not expressly amended or waived herein and shall not be construed as an amendment, waiver or consent to any action that would require an amendment, waiver or consent except as expressly stated herein. The Merger Agreement, as amended by this Amendment, is and shall continue to be in full force and effect and is in all respects ratified and confirmed hereby.

4. References to the Merger Agreement. After giving effect to this Amendment, unless the context otherwise requires, each reference in the Merger Agreement to “this Agreement”, “hereof”, “hereunder”, “herein”, or words of like import referring to the Merger Agreement shall refer to the Merger Agreement as amended by this Amendment, provided that references in the Merger Agreement to “as of the date hereof” or “as of the date of this Agreement” or words of like import shall continue to refer to December 10, 2025.

5. Miscellaneous Terms. The provisions of Sections 10.3 through 10.14 of the Merger Agreement shall apply *mutatis mutandis* to this Amendment, and to the Merger Agreement as modified by this Amendment, taken together as a single agreement, reflecting the terms as modified hereby.

6. Incorporation. In any publication of the Merger Agreement, the text of the amendment of Sections 2.1(c), 2.1(d), 2.2, 2.4(a), 3.1, 3.2(a), 3.2(b), 3.2(c), 4.3(a), 10.1 and 10.2 of, the Merger Agreement may be substituted for, or supplement, as applicable, the original text of Sections 2.1(c), 2.1(d), 2.2, 2.4(a), 3.1, 3.2(a), 3.2(b), 3.2(c), 4.3(a), 10.1 and 10.2 of, the Merger Agreement and incorporated in the Merger Agreement as though they were originally set forth therein without publishing or reproducing the entirety of this Amendment.

RECITALS

A. D. Stockholder understands and acknowledges that Grasshopper and Enova are entitled to rely on (i) the truth and accuracy of Stockholder’s representations and warranties contained herein and (ii) Stockholder’s performance of the obligations set forth herein.

NOW, THEREFORE, in consideration of the premises, representations, warranties, covenants and other agreements contained in the Merger Agreement and herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as set forth herein.

1. Defined Terms. The following capitalized terms, as used in this Agreement, shall have the meanings set forth below. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in the Merger Agreement. If the terms of this Agreement

conflict in any way with the terms of the Merger Agreement, then the terms of the Merger Agreement shall control.

1.1 “Affiliate” of a Person means any other Person directly, or indirectly through one or more intermediaries, Controlling, Controlled by or under common Control with such Person.

1.2 “Beneficial Ownership” by a Person of any securities means ownership by any Person who, directly or indirectly, through any Contract, arrangement, understanding, relationship or otherwise, has or shares (a) voting power which includes the power to vote, or to direct the voting of, such security; and/or (b) investment power which includes the power to dispose, or to direct the disposition, of such security; and shall otherwise be interpreted in accordance with the term “beneficial ownership” as defined in Rule 13d-3 adopted by the SEC under the Exchange Act; provided, that for purposes of determining Beneficial Ownership, a Person shall be deemed to be the Beneficial Owner of any securities which such Person has, at any time during the term of this Agreement, the right to acquire pursuant to any Contract, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise (irrespective of whether the right to acquire such securities is exercisable immediately or only after the passage of time, including the passage of time in excess of 60 days, the satisfaction of any conditions, the occurrence of any event or any combination of the foregoing). The terms “Beneficially Own” and “Beneficially Owned” shall have a correlative meaning.

1.3 “Control” (including the terms “Controlling”, “Controlled by” and “under common Control with”), with respect to the relationship between or among two or more Persons, means (a) the ownership, control, or power to vote 25% or more of any class of voting securities of the other Person, (b) control in any manner of the election of a majority of the directors, trustees, managing members or general partners of the other Person, or (c) the possession, directly or indirectly, of the power to exercise a controlling influence over the management or policies of the other Person, whether through the ownership of voting securities, as trustee or executor, by Contract or any other means.

2. Agreement to Vote.

2.1 Stockholder hereby irrevocably and unconditionally agrees that, prior to the Expiration Time, at every meeting of Grasshopper's Stockholders, however called, including any adjournment or postponement thereof, and in connection with any written consent of stockholders of Grasshopper, Stockholder shall, in each case to the fullest extent that such matters are submitted for the vote or written consent of Stockholder and that the Covered Shares are entitled to vote thereon or consent thereto: (a) appear at each such meeting or otherwise cause the Covered Shares as to which Stockholder has the right to vote to be counted as present thereat for purposes of calculating a quorum; and (b) vote (or cause to be voted), in person or by proxy, or deliver (or cause to be delivered) a written consent covering, all of the Covered Shares as to which Stockholder controls the right to vote: (i) in favor of the approval of the Merger Agreement and the consummation of the transactions contemplated thereby, and any actions required in furtherance thereof; and (ii) against (A) any Acquisition Proposal, (B) any action or agreement that could result in a breach of any covenant, representation or warranty or any other obligation of Grasshopper under the Merger Agreement, and (C) any action, agreement, amendment to any agreement or organizational document, transaction, matter or proposal submitted for the vote or written consent of the stockholders of Grasshopper that is intended or would reasonably be expected to impede, interfere with, prevent, delay, postpone, discourage, frustrate the purposes of or adversely affect the Mergers or the other transactions contemplated by the Merger Agreement or this Agreement or the performance by Grasshopper of its obligations under the Merger Agreement. Stockholder shall not make any statement, written or oral, to the effect that he, she or it does not support the Merger or that other Stockholders of Grasshopper should not support the Merger.

2.2 Stockholder hereby covenants and agrees that, except for this Agreement, Stockholder (a) has not entered into, and shall not enter into at any time while this Agreement remains in effect, any voting agreement or voting trust or any other Contract with respect to any of the Covered Shares, (b) has not granted, and shall not grant at any time while this Agreement remains in effect, a proxy, Consent or power of attorney with respect to any of the Covered Shares, except any proxy, Consent or power of attorney to carry out the intent of this Agreement, (c) shall not commit any act, except for Permitted Transfers, that could restrict or affect his, her or its legal power, authority and right to vote any of the Covered Shares then held of record or Beneficially Owned by Stockholder, or otherwise reasonably expected to prevent, delay or disable Stockholder from performing any of his or her obligations under this Agreement, and (d) has not taken and shall not take any action that would reasonably be expected to make any representation or warranty of Stockholder contained herein untrue or incorrect or have the effect of impeding, preventing, delaying, postponing, discouraging, interfering with, disabling or adversely affecting Stockholder's performance of any of his, her or its obligations under this Agreement.

2.3 Prohibition on Transfers; Other Actions.

(a) Prior to the Expiration Time and during the period commencing as of the Effective Time and continuing to and including the 270th day after the Closing Date, Stockholder shall not (and will cause any Family Member not to): (i) Transfer any of the Covered Shares, Beneficial Ownership thereof or any other interest specifically therein unless such Transfer is a Permitted Transfer; (ii) enter into any Contract with any Person, or take any other action, that violates or conflicts with or would reasonably be expected to violate or conflict with, or result in or give rise to a violation of or conflict with, Stockholder's representations, warranties, covenants and obligations under this Agreement (including with respect to any proposed Transfer); (iii) except as otherwise permitted by this Agreement or required by Order, take any action that could restrict or otherwise affect Stockholder's legal power, authority and right to vote all of the Covered Shares then Beneficially Owned by Stockholder or otherwise comply with and perform Stockholder's covenants and obligations under this Agreement; or (iv) publicly announce any intention to do any of the foregoing ((i) through (iv) collectively, the "Lock-Up"). Any Transfer in violation of this provision shall be void. Following (x) the date hereof, Grasshopper, and (y) the Effective Date, Enova, shall notify its transfer agent that there is a stop transfer order with respect to all of the Covered Shares and that this Agreement places limits on the voting of the Covered Shares.

(b) Stockholder understands and agrees that if Stockholder or any Family Member of Stockholder attempts to Transfer, vote or provide any other Person with the authority to vote any of the Covered Shares other than in compliance with this Agreement, Grasshopper or Enova, as applicable, shall not, and Stockholder hereby unconditionally and irrevocably instructs Grasshopper or Enova, as applicable, to not (A) permit such Transfer on its books and records, (B) issue a new certificate representing any of the Covered Shares, unless and until Stockholder shall have complied with the terms of this Agreement or (C) record such vote unless and until Stockholder shall have complied with the terms of this Agreement.

Stockholder agrees that, prior to engaging in any transaction or taking any other action that is subject to the terms of this Section 2.3(c), it will give notice thereof to Enova and will not consummate such transaction or take any such action unless it has received prior written consent from Enova.

(d) Subject to Stockholder's compliance with the terms of this Agreement, (A) as of the 90th day after the Closing Date (the "First Release Date"), the Lock-Up set forth in Section 2.3(a) shall not apply with respect to 33% of the Covered Shares as of that date that are subject to the Lock-Up, (B) as of the 180th day after the Closing Date (the "Second Release Date"), the Lock-Up set forth in Section 2.3(a) shall not apply with respect to 66% of the Covered Shares as of that date that are subject to the Lock-Up as of the Effective Time, and (C) as of the 270th day after the Closing Date (the "Third Release Date"), the Lock-Up set forth in Section 2.3(a) shall cease to apply with respect to all Covered Shares.

2.4 Certain Events. Stockholder agrees that this Agreement and the obligations hereunder shall attach to the Covered Shares and shall be binding upon any Person to which legal or Beneficial Ownership of the Covered Shares shall pass, whether by operation of Law or otherwise, including Stockholder's successors or assigns. In the event of a stock split, stock dividend, merger (other than the Merger), exchange, reorganization, recapitalization or distribution, or any change in the capital structure of Grasshopper affecting the Grasshopper Common Stock, or Enova affecting the Enova Common Stock, the terms "Existing Shares" and "Covered Shares" shall be deemed to refer to and include such shares as well as all such additional securities of Grasshopper or Enova and any securities into which or for which any or all of such securities may be changed or exchanged or which are received in such transaction.

2.5 Notice of Acquisitions. Stockholder hereby agrees to notify Grasshopper and Enova as promptly as practicable (and in any event within two Business Days after receipt) in writing of (a) any additional shares of Grasshopper Common Stock or other securities of Grasshopper, or of Enova Common Stock or other securities of Enova, of which Stockholder acquires Beneficial Ownership on or after the date hereof (including the number thereof) and (b) any proposed Permitted Transfers of the Covered Shares, Beneficial Ownership thereof or other interest specifically therein.

2.6 Acquisition Proposals. Until the Expiration Time, Stockholder (in Stockholder's capacity as such) shall not, and shall use his or her reasonable best efforts to cause his or her Affiliates and each of their respective Representatives not to, directly or indirectly, (a) solicit, initiate, seek, encourage (including by providing information or assistance), facilitate or induce any Acquisition Proposal; (b) engage or participate in any discussions or negotiations regarding, or furnish or cause to be furnished to any Person any confidential or nonpublic information or data in connection with, or afford access to the business, personnel, Assets or Books and Records of the Grasshopper Entities, in connection with, or take any other action to facilitate any inquiries or the making of any offer or proposal that constitutes, or may reasonably be expected to lead to, an Acquisition Proposal; (c) adopt, approve, endorse, recommend, agree to or accept, or propose to adopt, approve, endorse, recommend, agree to or accept, any Acquisition Proposal; (d) solicit proxies or become a "participant" in a "solicitation" (as such terms are defined in the Exchange Act) with respect to an Acquisition Proposal or otherwise encourage or assist any party in taking or planning any action that would reasonably be expected to compete with, restrain or otherwise serve to interfere with or inhibit the timely consummation of the Merger in accordance with the terms of the Merger Agreement; (e) initiate a stockholders' vote or action by consent of Grasshopper's stockholders with respect to an Acquisition Proposal; (f) except by reason of this Agreement, become a member of a "group" (as such term is used in Section 13(d) of the Exchange Act) with respect to any voting securities of Grasshopper that takes any action in support of an Acquisition Proposal; or (g) encourage or assist any party in taking or planning any action that would reasonably be expected to compete with, restrain or otherwise serve to interfere with or inhibit the timely consummation of the Merger in accordance with the terms of the Merger Agreement. In the event Stockholder shall receive or become aware of any Acquisition Proposal subsequent to the date hereof, Stockholder shall promptly inform Grasshopper, and Grasshopper shall inform Enova as contemplated by Section 7.2(c) of the Merger Agreement, as to any such matter and the details thereof to the maximum extent possible without violating his, her or its duties. Without limiting the foregoing, it is agreed that any violation of the restrictions set forth in

this Section 2.6 by any Affiliate or Representative of Stockholder shall constitute a breach of this Section 2.6 by Stockholder.

2.7 Non-Solicitation and Non-Disparagement.

For purposes of this Agreement, a business will be deemed “Competitive” with the Grasshopper Group if it performs any of the services or manufactures or sells any products of the same type provided or offered by the Grasshopper Group or if it performs any other services and/or engages in the marketing, production, manufacture, distribution or sale of any product or service similar to the services or products which were performed, produced, marketed, manufactured, distributed, sold, under development or planned by the Grasshopper Group during Stockholder’s affiliation with the Grasshopper Group, or which could substitute for such products or services, including, without limitation, the business of commercial banking.

(b) Stockholder hereby covenants and agrees that during the Restricted Period, Stockholder shall not directly or indirectly, as employee, agent, consultant, director, equity holder, member, manager, partner or in any other capacity, without Enova’s prior written consent, employ, engage, recruit, hire, solicit or induce, or cause others to solicit or induce, for employment or engagement, any employee of Grasshopper or its Affiliates (including Grasshopper Bank) from and after the date hereof (excluding (i) general solicitations of the public that are not based on any list of, or directed at, employees of Grasshopper or its Affiliates (including Grasshopper Bank), (ii) solicitations of any employee who was terminated by Grasshopper or its Affiliates (including Grasshopper Bank) following the Closing Date or, with the prior written consent of Enova, prior to the Closing Date, and, in each case, prior to the time of the hire or solicitation for hire), and (iii) solicitations of any employee who resigned from employment with Grasshopper or its Affiliates at least six months prior to the time of the hire or solicitation for hire).]

(c) Stockholder hereby covenants and agrees that during the Restricted Period, Stockholder shall not directly or indirectly (including through any Person Stockholder may be engaged by as an employee, agent, consultant, director, equity holder, member, manager, partner or in any other capacity) without Enova’s prior written consent (other than for the benefit of Enova or its Affiliates), knowingly interfere with or damage (or attempt to interfere with or damage) any relationship between Grasshopper, Grasshopper Bank, the Surviving Corporation, the Surviving Bank or any of their respective Affiliates and any Person that is or was a customer,

supplier, licensee, licensor, franchisee or other business relations of Grasshopper or any of its Affiliates (including Grasshopper Bank) during the one-year period preceding the Closing Date (including making, publishing or communicating any negative, defamatory or disparaging statements, remarks or comments concerning or alluding to Grasshopper, Grasshopper Bank, the Surviving Corporation, the Surviving Bank or any of their respective Affiliates or any of their respective officers or employees or other associated third parties or make any maliciously false statements about Grasshopper, Grasshopper Bank, the Surviving Corporation, the Surviving Bank or any of their respective Affiliates or any of their respective employees and officers); provided that, nothing in this Section 2.7(c) shall be deemed to prohibit Stockholder from making any statements, remarks, or comments (a) required by Law, or (b) in connection with any Litigation.

2.10 Reasonable Efforts. On the terms and subject to the conditions of this Agreement, Stockholder agrees to execute and deliver such additional documents as Enova may reasonably request and use its reasonable best efforts to take, or cause to be taken, all appropriate actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to consummate and make effective the transactions contemplated hereby as promptly as practicable. Without limiting the foregoing, Stockholder shall execute and deliver to Enova and any of its designees any proxies reasonably requested by Enova with respect to Stockholder's voting obligations under this Agreement.

2.11 Disclosure. Stockholder hereby authorizes Enova and Grasshopper to publish and disclose in any announcement or disclosure required by applicable Law and in the Proxy Statement/Prospectus, Stockholder's identity and ownership of the Covered Shares and the nature of Stockholder's obligation under this Agreement.

3. Agreements of Enova. Following the date hereof, Stockholder has and will have good and marketable title to the Covered Shares, free and clear of any Encumbrances other than those imposed by applicable Securities Laws. Stockholder has and will have at all times sole voting power (including the right to control such vote as contemplated herein), sole power of disposition, sole power to issue instructions with respect to the matters set forth in Section 2 hereof, and sole power to agree to all of the matters set forth in this Agreement, in each case with respect to all of Stockholder's Existing Shares and with respect to all of the Covered Shares owned by Stockholder at all times. 8.4 Interpretations. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against any party, whether under any rule of construction or otherwise. No party to this Agreement shall be considered the draftsman. The parties acknowledge and agree that this Agreement has been reviewed, negotiated, and accepted by all parties and their attorneys and, unless otherwise defined herein, the words used shall be construed and interpreted according to their ordinary meaning so as fairly to accomplish the purposes and intentions of all parties hereto. Any singular term in this Agreement shall be deemed to include the plural, and any plural term the singular. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed followed by the words "without limitation." The word "or" shall not be exclusive and "any" means "any and all." "Extent" in the phrase "to the extent" means the degree to which a subject or other thing extends, and such phrase does not mean simply "if". The words "hereby," "herein," "hereof," "hereunder" and similar terms refer to this Agreement as a whole and not to any specific Section. All pronouns and any variations thereof refer to the masculine, feminine or neuter, singular or plural, as the context may require.

8.5 Headings. The captions and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Unless otherwise indicated, all references to particular Sections shall mean and refer to the referenced Sections of this Agreement.

8.6 Counterparts; Signatures. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments or waivers hereto or thereto, to the extent signed and delivered by electronic means, including by e-mail delivery of a “.pdf” format data file, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto or to any such agreement or instrument shall raise the use of electronic means, including e-mail delivery of a “.pdf” format data file, to deliver a signature to this Agreement or any amendment or waiver hereto or any agreement or instrument entered into in connection with this Agreement or the fact that any signature or agreement or instrument was transmitted or communicated through the use of electronic means, including e-mail delivery of a “.pdf” format data file, as a defense to the formation of a contract and each party hereto forever waives any such defense.

8.7 Entire Agreement. This Agreement and, to the extent referenced herein, the Merger Agreement, together with the several agreements and other documents and instruments referred to herein or therein or annexed hereto or thereto, constitute the entire agreement among the parties hereto with respect to the transactions contemplated hereunder and thereunder and supersedes all prior arrangements or understandings with respect thereto, written or oral.

8.8 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial.

(a) The parties agree that this Agreement shall be governed by and construed in all respects in accordance with, and all disputes arising out of or in connection with this Agreement or the transactions contemplated hereby shall be resolved under, the Laws of the State of Delaware without regard to any conflict of Laws or choice of Law principles that might otherwise refer construction or interpretation of this Agreement to the substantive Law of another jurisdiction.

(b) Each party agrees that it will bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contemplated hereby exclusively in any federal or state court of competent jurisdiction located in the State of Delaware (the “Chosen Courts”), and, solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement, (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party, and (iv) agrees that service of process upon such party in any such action or proceeding will be effective if notice is given in accordance with Section 8.3.

Notices and Disclaimers

Non-GAAP Financial Information

In addition to the financial information prepared in conformity with generally accepted accounting principles in the United States (“GAAP”), Enova International, Inc. (“Enova”) provides historical non-GAAP financial information. Enova presents non-GAAP financial information because such measures are used by management in understanding the activities and business metrics of Enova’s operations. Management believes that these non-GAAP financial measures reflect an additional way of viewing aspects of Enova’s business that, when viewed with its GAAP results, provide a more complete understanding of factors and trends affecting its business.

Adjusted Earnings Measures

Enova provides adjusted earnings and adjusted earnings per share, or, collectively, the Adjusted Earnings Measures, which are non-GAAP measures. Management believes that the presentation of these measures provides investors with greater transparency and facilitates comparison of operating results across a broad spectrum of companies with varying capital structures, compensation strategies, derivative instruments and amortization methods, which can provide a more complete understanding of Enova’s financial performance, competitive position and prospects for the future. Management utilizes, and also believes that investors utilize, the Adjusted Earnings Measures to assess operating performance, recognizing that such measures may highlight trends in Enova’s business that may not otherwise be apparent when relying on financial measures calculated in accordance with GAAP. In addition, management believes that the Adjusted Earnings Measures are useful to management and investors in comparing Enova’s financial results during the periods shown without the effect of certain items that are not indicative of Enova’s core operating performance or results of operations.

Management provides such non-GAAP financial information for informational purposes and to enhance understanding of Enova’s GAAP consolidated financial statements. Readers should consider the information in addition to, but not instead of or superior to, Enova’s financial statements prepared in accordance with GAAP. This non-GAAP financial information may be determined or calculated differently by other companies, limiting the usefulness of those measures for comparative purposes.

This communication contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. You should not place undue reliance on these statements. These forward-looking statements give current expectations or forecasts of future events and reflect the views and assumptions of senior management with respect to, among other things, projections as to the anticipated benefits of the proposed transaction as well as statements regarding the impact of the proposed transaction on Enova's and the combined company's business, financial condition, operations and prospects, the amount and timing of synergies from the proposed transaction and the closing date for the proposed transaction. Key factors that could cause the actual financial results, performance or condition to differ from the expectations expressed or implied in such forward-looking statements include, but are not limited to, the following: the occurrence of any event, change or other circumstances that could give rise to the right of one or both of the parties to terminate the definitive merger agreement entered into between Enova and Grasshopper Bank, including the payment of any termination fee due thereunder; the outcome of any legal proceedings that may be instituted against Enova or Grasshopper Bank; the failure to obtain necessary regulatory approvals (and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the proposed transaction) or stockholder approvals or to satisfy any of the other conditions to the proposed transaction on a timely basis or at all; the ability to obtain or add bank functionality and a bank charter; the possibility that the anticipated benefits and synergies of the proposed transaction are not realized when expected or at all, including as a result of the impact of, or problems arising from, the integration of the two companies or as a result of the strength of the economy and competitive factors in the areas where Enova and Grasshopper Bank do business; the possibility that the proposed transaction may be more expensive to complete than anticipated; diversion of management's attention from ongoing business operations and opportunities; potential adverse reactions or changes to business or employee relationships, including those resulting from the announcement or completion of the proposed transaction; changes in Enova's share price before the closing of the proposed transaction; risks relating to the potential dilutive effect of shares of Enova common stock to be issued in the proposed transaction; and other factors that may affect future results of Enova and the combined company.

The foregoing list of factors is not exhaustive and new factors may emerge or changes to these factors may occur that could impact Enova's or the combined company's business and cause actual results to differ materially from those expressed in any of our forward-looking statements. Additional information regarding these and other factors may be contained in Enova's filings with the SEC. Readers of this communication are encouraged to review Enova's filings with the SEC, including the risks described under "Risk Factors" contained in Enova's Form 10-K and any updates to those risk factors contained in subsequent Forms 10-Q, to obtain more detail about Enova's risks and uncertainties. Transaction Press Release

Enova Announces Definitive Agreement to Acquire Grasshopper Bank

Will Unite a Leading Online Consumer and Small Business Lender with a Dynamic Digital-First Bank

CHICAGO, December 11, 2025 -- [Enova International](#), Inc. (NYSE: ENVA) ("Enova"), a leading financial services company powered by machine learning and world-class analytics, today announced it has signed a definitive agreement to acquire Grasshopper Bancorp, Inc., and its wholly owned subsidiary Grasshopper Bank N.A. ("Grasshopper"), in a cash and stock transaction valued at approximately \$369 million.

Grasshopper is a leading client-first, full-service digital bank founded in 2019 with more than \$1.4 billion in total assets as of September 30, 2025. Grasshopper offers digital financial solutions for commercial and consumer customers, including fintech-focused Banking-as-a-Service (BaaS) and API banking platforms, commercial and Small Business Administration lending and consumer banking.

This transaction unites two complementary, market-leading businesses combining Enova's consumer and small business online lending capabilities and with Grasshopper's digital banking infrastructure to create a stronger, more diversified financial services provider. Enova's advanced online lending capabilities, deep understanding of its customers and credit risk discipline have enabled it to grow and service its customers for more than 20 years, both as a direct lender and a service provider to FDIC-insured depository institutions. Through its direct and Banking-as-a-Service (BaaS) product offerings, Grasshopper holds approximately \$3 billion in total deposits as of September 30, 2025.

"Acquiring and partnering with Grasshopper creates a powerful digital bank that positions us to offer a more comprehensive suite of financial solutions across more states to empower consumers and small businesses with the products they need to succeed," said David Fisher, Enova's Chairman & CEO. "Our complementary capabilities and shared customer-first mindset mean we can grow and innovate faster, together. We're excited to welcome the Grasshopper team to Enova."

"We're thrilled to join forces with Enova, a market leader in digital lending and a true innovator in the use of technology and analytics in the financial services sector," said Mike Butler, Grasshopper's CEO. "This combination of enhanced digital lending and banking will enable us to serve an even broader set of customers while expanding and strengthening the product offerings for our current clients."

This transaction strengthens both Enova and Grasshopper's strategic goals and offers compelling benefits for customers and Enova's shareholders, including:

- **Product and operational simplification** by offering centralized and scalable lending and deposit products through a national bank charter;
- **Significant growth and diversification opportunities** by expanding Enova's ability to deliver a more comprehensive suite of financial products in more states;
- **Enhanced balance sheet strength and flexibility** from more diversified funding opportunities; and
- **Increased financial inclusion** by leveraging Enova's technology and allowing the combined company to serve more individuals and communities with convenient, transparent lending and banking services.

“This is a compelling and strategic combination that will enhance our ability to produce consistent and sustainable growth that we believe will deliver significant financial benefits,” said Steve Cunningham, Enova’s CFO. “The additional scale and diversification from this transaction should meaningfully enhance our balance sheet strength and flexibility, leading to substantial revenue and funding synergies and significant EPS accretion. I am thrilled to lead the combined company and Enova into this exciting next chapter.”

Transaction Details

Under the terms of the agreement, Enova will acquire Grasshopper for an aggregate purchase price of approximately \$369 million to be paid in a combination of cash and newly issued Enova shares. The transaction is subject to Grasshopper stockholder approval and regulatory approvals from the OCC and the Federal Reserve and other customary closing conditions, and is expected to close during the second half of 2026. The transaction is expected to generate adjusted earnings per share accretion of more than 15% within the first year and more than 25% once the synergies are fully realized beyond the first year.

After closing, Grasshopper Bank will be the bank subsidiary of Enova, which will be a newly formed bank holding company. Mike Butler will serve as President of Grasshopper Bank, reporting to Steve Cunningham, who will be appointed CEO of Grasshopper Bank. Mr. Cunningham will assume the role of Enova CEO effective January 1, 2026, as previously [announced](#).

You should not place undue reliance on these statements. These forward-looking statements give current expectations or forecasts of future events and reflect the views and assumptions of senior management with respect to, among other things, projections as to the anticipated benefits of the proposed transaction as well as statements regarding the impact of the proposed transaction on Enova's and the combined company's business, financial condition, operations and prospects, the amount and

timing of synergies from the proposed transaction and the closing date for the proposed transaction. When used in this communication, terms such as “believes,” “estimates,” “should,” “could,” “would,” “plans,” “expects,” “intends,” “anticipates,” “may,” “forecast,” “project” and similar expressions or variations as they relate to Enova, the combined company or their respective management are intended to identify forward-looking statements.

Forward-looking statements address matters that involve risks and uncertainties that are beyond the ability of Enova to control and, in some cases, predict. Accordingly, there are or will be important factors that could cause the actual results to differ materially from those indicated in these statements. Key factors that could cause the actual financial results, performance or condition to differ from the expectations expressed or implied in such forward-looking statements include, but are not limited to, the following: the occurrence of any event, change or other circumstances that could give rise to the right of one or both of the parties to terminate the definitive merger agreement entered into between Enova and Grasshopper, including the payment of any termination fee due thereunder; the outcome of any legal proceedings that may be instituted against Enova or Grasshopper; the failure to obtain necessary regulatory approvals (and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the proposed transaction) or stockholder approvals or to satisfy any of the other conditions to the proposed transaction on a timely basis or at all; the ability to obtain or add bank functionality and a bank charter; the possibility that the anticipated benefits and synergies of the proposed transaction are not realized when expected or at all, including as a result of the impact of, or problems arising from, the integration of the two companies or as a result of the strength of the economy and competitive factors in the areas where Enova and Grasshopper do business; the possibility that the proposed transaction may be more expensive to complete than anticipated; diversion of management’s attention from ongoing business operations and opportunities; potential adverse reactions or changes to business or employee relationships, including those resulting from the announcement or completion of the proposed transaction; changes in Enova’s share price before the closing of the proposed transaction; risks relating to the potential dilutive effect of shares of Enova common stock to be issued in the proposed transaction; and other factors that may affect future results of Enova and the combined company.

The foregoing list of factors is not exhaustive and new factors may emerge or changes to these factors may occur that could impact Enova’s or the combined company’s business and cause actual results to differ materially from those expressed in any of our forward-looking statements. The forward-looking statements in this communication are made as of the date of this communication, and Enova disclaims any intention or obligation to update or revise any forward-looking statements to reflect events or circumstances occurring after the date of this communication. Non-GAAP Financial Information

In addition to the financial information prepared in conformity with GAAP, Enova provides historical non-GAAP financial information. Enova presents non-GAAP financial information because such measures are used by management in understanding the activities and business metrics of Enova’s operations. Management believes that these non-GAAP financial measures reflect an additional way of viewing aspects of Enova’s business that, when viewed with its GAAP results, provide a more complete understanding of factors and trends affecting its business.

Adjusted EPS

Enova provides adjusted EPS, which is a non-GAAP measure. Management believes that the presentation of this measure provides investors with greater transparency and facilitates comparison of operating results across a broad spectrum of companies with varying capital structures, compensation strategies, derivative instruments and amortization methods, which can provide a more complete understanding of Enova’s financial performance, competitive position and prospects for the future.

Management utilizes, and also believes that investors utilize, adjusted EPS to assess operating performance, recognizing that such measure may highlight trends in Enova's business that may not otherwise be apparent when relying on financial measures calculated in accordance with GAAP. In addition, management believes that adjusted EPS is useful to management and investors in comparing Enova's financial results during the periods shown without the effect of certain items that are not indicative of Enova's core operating performance or results of operations.

Management provides such non-GAAP financial information for informational purposes and to enhance understanding of Enova's GAAP consolidated financial statements. Readers should consider the information in addition to, but not instead of or superior to, Enova's financial statements prepared in accordance with GAAP. This non-GAAP financial information may be determined or calculated differently by other companies, limiting the usefulness of this measure for comparative purposes.

Schedule RC-C Part II - Loans to Small Businesses and Small Farms(Form Type - 051)

Report the number and amount currently outstanding as of the report date of business loans with "original amounts" of \$1,000,000 or less and farm loans with "original amounts" of \$500,000 or less. The following guidelines should be used to determine the "original amount" of a loan:
 (1) For loans drawn down under lines of credit or loan commitments, the "original amount" of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was most recently approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the "original amount" is the amount currently outstanding on the report date. (2) For loan participations and syndications, the "original amount" of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the "original amount" is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.
