

BOARD DF GOVERNORS OF THE FEDERAL RESERVE SYSTEM WASHINGTON, D. C. 20551

TO:Federal Open Market CommitteeDATE:August 16, 1982FROM:Murray AltmannMSUBJECT:Tentative meeting
schedule for 1983.

The tentative schedule for Committee meetings in 1983 is shown below. It is described as tentative because the Committee has followed the practice of confirming the date for each meeting at the preceding meeting.

February	8-9	(TuesWed.)	August	23
March	29		October	4
May	17		November	15
July	12-13	(TuesWed.)	December	20

The schedule is generally similar to the one for this year. The principal difference is that two-day meetings are indicated for February and July, rather than only noted as probable, and the date for each meeting is later in the month and thus closer to the date for testimony on the semi-annual report to Congress under Humphrey-Hawkins. Those meetings are indicated to be Tuesday-Wednesday (presumably beginning in the afternoon of the first day) rather than Monday-Tuesday because of BIS meetings.

Please advise me by September 3 whether this is agreeable with you.
