

BOARO OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM WASHINGTON, D. C. 20551

TO: Federal Open Market Committee FROM: Stephen H. Axilrod DATE: September 21, 1983 SUBJECT: Tentative meeting schedule for 1984

The tentative schedule for Committee meetings in 1984 is shown below. It is described as tentative because the Committee has followed the practice of confirming the date for each meeting at the preceding meeting.

February 6-7 (Mon./Tues.)	August 21
March 27	October 2
May 22	November 7 (Wednesday)
July 10-11 (Tues./Wed.)	December 18

The schedule calls for two-day meetings in February and July and is generally similar to the one for this year. The principal difference is that the November meeting is one week earlier in order to avoid a conflict with a BIS meeting and is scheduled for a Wednesday so that Reserve Bank Presidents may be in their home states on Tuesday, November 6, election day.

Please advise Mr. Bernard by September 30 whether this is agreeable with you.
