

FEDERAL RESERVE press release

For release at 2:00 p.m. EDT

June 17, 2026

The Federal Open Market Committee approved the following statement for release by a 12 – 0 vote:

The Committee decided to maintain the target range for the federal funds rate at 3-1/2 to 3-3/4 percent, in support of the Federal Reserve’s dual mandate. The Committee reaffirmed its policy of maintaining ample reserves in the banking system.

Economic activity is expanding at a solid pace despite elevated uncertainty that owes, in part, to the conflict in the Middle East. Productivity growth and capital investment are strong. Job gains have kept pace with the workforce, and the unemployment rate has changed little.

Inflation remains elevated relative to the Committee’s 2 percent goal, in part reflecting supply shocks that have driven price increases in certain sectors, including energy. The Committee will deliver price stability.

Decisions Regarding Monetary Policy Implementation

The Federal Reserve has made the following decisions to implement the monetary policy stance announced by the Federal Open Market Committee in its [statement](#) on June 17, 2026:

- The Board of Governors of the Federal Reserve System voted unanimously to maintain the interest rate paid on reserve balances at 3.65 percent, effective June 18, 2026.
- As part of its policy decision, the Federal Open Market Committee voted to direct the Open Market Desk at the Federal Reserve Bank of New York, until instructed otherwise, to execute transactions in the System Open Market Account in accordance with the following domestic policy directive:
 - "Effective June 18, 2026, the Federal Open Market Committee directs the Desk to:
 - Undertake open market operations as necessary to maintain the federal funds rate in a target range of 3-1/2 to 3-3/4 percent.
 - Conduct standing overnight repurchase agreement operations at a rate of 3.75 percent.
 - Conduct standing overnight reverse repurchase agreement operations at an offering rate of 3.5 percent and with a per-counterparty limit of \$160 billion per day.
 - When appropriate, increase the System Open Market Account holdings of securities through purchases of Treasury bills and, if needed, other Treasury securities with remaining maturities of 3 years or less to maintain an ample level of reserves.
 - Roll over at auction all principal payments from the Federal Reserve's holdings of Treasury securities. Reinvest all principal payments from the Federal Reserve's holdings of agency securities into Treasury bills."
- In a related action, the Board of Governors of the Federal Reserve System voted unanimously to approve the establishment of the primary credit rate at the existing level of 3.75 percent.

This information will be updated as appropriate to reflect decisions of the Federal Open Market Committee or the Board of Governors regarding details of the Federal Reserve's operational tools and approach used to implement monetary policy.
