Section 1: Introduction

Purpose

This technical specifications document provides instructions for complying with the submission requirements of Sections 204 and 305 of the Credit Card Accountability Responsibility and Disclosure Act of 2009 (“Credit CARD Act”) and 12 C.F.R. §§ 226.57(d) and 226.58. These provisions require card issuers to submit to the Board of Governors of the Federal Reserve System (“Board”):

- Agreements between the issuer and a consumer under a credit card account for an open-end (not home-secured) consumer credit plan (“consumer agreements”); and
- Any college credit card agreements to which the issuer is a party and certain additional information regarding those agreements (“college agreements”).

Deadlines for Submissions

Consumer and college agreements must be submitted at different times of the year.

- **Consumer agreements must be submitted quarterly by the first business day on or after January 31, April 30, July 31, and October 31 of each year**, as described in 12 C.F.R. § 226.58.

Consumer agreements submissions generally must reflect the consumer agreements an issuer offered to the public as of the last business day of the preceding calendar quarter. For example, the submission due on August 2, 2010 (the first business day on or after July 31, 2010) must reflect the consumer agreements offered to the public as of June 30, 2010 (the last business day of the second calendar quarter).

- **College agreements must be submitted annually by the first business day on or after March 31 of each year**, as described in 12 C.F.R. § 226.57(d). For example, if your institution was a party to a college credit card agreement at any time during calendar year 2010, you must send that agreement and information about that agreement to the Board after December 31, 2010, and no later than March 31, 2011.

Instructions for Initial and Updated Submissions

Consumer Agreements

This document includes two different sets of instructions for submission of consumer agreements.

- **If your institution has NOT previously submitted agreements to the Board**, please follow the instructions in *Section 2: Consumer Agreements – Initial Submission Requirements*.
- **If your institution has previously submitted agreements to the Board**, please follow the instructions in *Section 3: Consumer Agreements – Update Submission Requirements*.

College Agreements

This updated technical specifications document does not include instructions for initial or updated submissions of college agreements. We will update this document in the future to include instructions for making these submissions.

Confidentiality

Please be advised of the following information regarding the Board’s treatment of information you submit.

Consumer Agreements

The Board will post the consumer agreements you submit on the Board’s website, as required by Section 204 of the Credit CARD Act. The consumer agreements you submit to the Board will be posted in their entirety in the form you submit them to the Board. You are responsible for ensuring that the consumer agreements you submit comply fully with all legal requirements, accurately reflect the agreements your institution offers to the public as of the appropriate date, and do not contain errors or omissions.

College Agreements

Agreements with an Institution of Higher Education

The agreements between your institution and an institution of higher education and related information you submit are considered nonconfidential. The Board may make these agreements and related information available to the public, including in response to a request under the Freedom of Information Act (“FOIA”).

Agreements between your institution and an institution of higher education are considered nonconfidential because:

- Section 304 of the Credit CARD Act and 12 C.F.R. § 226.57(b) require institutions of higher education to disclose these agreements publicly.
- Section 305 of the Credit CARD Act requires the Board to submit to Congress and make available to the public an annual report that lists certain information about each

agreement you submit, including: (i) the total amount of payments by your institution during the year; (ii) the specific terms of the agreement under which payments are calculated; (iii) the number of accounts opened during the year; and (iv) the total number of accounts that were open at the end of the year.

*Agreements with an Affiliated Organization*¹

If you submit one or more agreements between your institution and an affiliated organization, you may file a written request for confidential treatment of those agreements (or specific portions of those agreements) if you believe such treatment is warranted under FOIA.

Certain information about each agreement with an affiliated organization will be released to the public as part of the Board's annual report pursuant to Section 305 of the Credit CARD Act and therefore is considered nonconfidential. As described above, this information includes: (i) the total amount of payments by your institution during the year; (ii) the specific terms of the agreement under which payments are calculated; (iii) the number of accounts opened during the year; and (iv) the total number of accounts that were open at the end of the year.

To request confidential treatment for an agreement with an affiliated organization, you must:

- Email a request to Credit-Card-Agreement-Submission@frb.gov with "FOIA Confidential Treatment Request" in the subject line.
- Submit your request no later than the date you submit the agreement to the Board.
- Identify in your request the specific FOIA exemption(s) you believe would apply and set forth specific factual grounds in support.

If you do not file a request for confidential treatment, we will assume that you do not object to the public release of these agreements. If you do file a request, we will evaluate your request and notify you if we disagree with your position or need further information.

Laws and Regulations

This document provides instructions you must follow when you submit agreements to the Board. However, you also must comply with the following laws and regulations:

- Section 204 of the Credit CARD Act and 12 C.F.R. § 226.58 for consumer agreements; and
- Section 305 of the Credit CARD Act and 12 C.F.R. § 226.57(d) for college agreements.

¹ "Affiliated organization" means an alumni organization or foundation affiliated with or related to an institution of higher education. 12 C.F.R. § 226.57(a)(4).

This document supplements, but is not a substitute for, these laws and regulations. In order to fully understand your obligations with respect to submitting consumer and college agreements, you must read and understand these laws and regulations.

Section 2: Consumer Agreements – Initial Submission Requirements

Does this Section Apply to Your Institution?

You should follow the instructions in this section ONLY if your institution has never submitted consumer agreements to the Board.

If your institution has previously submitted consumer agreements, please follow the instructions in *Section 3: Consumer Agreements – Update Submission Requirements*.

- Some of those agreements have not changed; or
- You are not required to make an update submission.

Submission Information

Consumer agreement update submissions (all submissions other than the issuer's initial submission) must be on CD / DVD or by email. A complete submission consists of:

 1. FR123456789_No Annual Fee.txt (and .pdf) (for a card where the annual fee is waived for the first year but charged thereafter)
 2. FR123456789_No Interest Card.txt (and .pdf) (for a card with an introductory zero percent interest rate that later increases)

 - FR123456789_Lower Rates than Other Similar Cards.txt (and .pdf)

Update Worksheet

1. Every update submission *must* include the update worksheet provided to the issuer by the Board.
 - a. The update worksheet serves two purposes.
 - i. First, the update worksheet allows the Board to verify that the submission is being sent by the issuer, not an unauthorized third party.
 - ii. Second, the update worksheet allows issuers to indicate which previously submitted agreements should be removed from the Board's consumer agreement database (for example, because an agreement is no longer offered to the public or is being replaced by an amended version).
2. The Board will email a new update worksheet each quarter to each issuer that previously submitted consumer agreements to the Board. The update worksheet will be emailed to the contact person indicated in the previous submission.
 - a. If your institution previously submitted consumer agreements to the Board, but you have not received an update worksheet, please send an email to Credit-Card-Agreement-Submission@frb.gov with "Update Worksheet Not Received" in the subject line.
3. The following information will be filled in by the Board before the update worksheet is sent to the issuer:
 - a. Issuer name
 - b. Issuer ID
 - i. The issuer ID is assigned by the Board. In general, an issuer ID will be formed by adding "FR" to the beginning of the issuer's DUNS number. For example, if an issuer's DUNS number is 123456789, the issuer's issuer ID likely would be FR123456789.
 - c. Issuer key
 - i. The issuer key is a Board-generated alphanumeric key included in the update worksheet. The issuer key allows the Board to verify that the update submission is being made by someone from your institution, not an unauthorized third party.
 - d. Number of agreements previously submitted
 - e. Names of the consumer agreements the issuer previously submitted that are currently in the Board's database and the corresponding effective dates
4. Issuers must fill in the date of their submission.
5. If any of the agreement files listed should be removed from the Board's database of consumer agreements (for example, because the agreement is no longer offered to the public or because the previously submitted version is being replaced by an amended version), this must be indicated on the update worksheet.

- a. The “Remove” column of the worksheet will be pre-populated with “No” for every agreement file.
 - b. If an agreement file is current and should remain in the Board’s database, the value should remain “No.”
 - c. Issuers must change the value to “Yes” to have an agreement file removed from the Board’s database. Unless an issuer affirmatively indicates that an agreement should be removed, it will remain in the Board’s database.
6. Issuers should *not* add the names of new agreements they are submitting to the list in the update worksheet.
 - a. The names of each new agreement an issuer submits will automatically be added to the update worksheet generated by the Board for the next quarter.
7. Issuers must *not* change the name of the update worksheet file. The update worksheet file will use the following naming convention.
 - a. Issuer ID_effective date_Update Worksheet.xlsx.
 - b. For example, if your institution’s issuer ID is FR123456789, the update worksheet you receive from the Board for the quarterly submission due August 2, 2010 (which, as described in 12 C.F.R. § 226.58, must include consumer agreements as of June 30, 2010) would be called FR123456789_20100630_Update Worksheet.xlsx.
8. Update worksheet examples are included in *Appendix A – Examples*.

Section 4: College Agreements – Initial and Update Submission Requirements

This updated technical specifications document does not include instructions for initial or updated submissions of college agreements. We will update this document in the future to include instructions for making these submissions.

Section 5: Changing Issuer Profile Information

1. You must notify the Board if information in your institution’s issuer profile changes.
2. If this information changes, send an email to Credit-Card-Agreement-Submission@frb.gov with “Issuer Profile Change” in the subject line. In the body of the email, explain what has changed and provide the new information. Also include the following information about your institution (even if it has not changed):
 - a. Issuer name
 - b. DUNS number or Board-issued issuer ID number

Update Worksheet – Example 2: Worksheet as Completed by the Issuer

In this example:

- Issuer Bank completed the “Submission Date” box to show that it is sending in its submission on August 2, 2010.
- Issuer Bank no longer offers Agreement 1 to the public. Issuer Bank therefore changed “No” to “Yes” in the “Remove” column to indicate that the Board should remove Agreement 1 from the Board’s consumer agreement database.
- Issuer Bank still offers Agreement 2 to the public and has not amended Agreement 2. Issuer Bank left “No” in the “Remove” column to indicate that Agreement 2 should remain in the Board’s consumer agreement database.
- Issuer Bank is also submitting a new agreement, Agreement 3. Issuer Bank therefore will include plain text and PDF versions of Agreement 3 in its update submission. However, Issuer Bank should not add Agreement 3 to the list in the update worksheet.

Appendix B – Submission FAQs

Consumer Agreements – General FAQs

1. When should consumer agreements be submitted?

Consumer agreements must be submitted quarterly as required by 12 C.F.R. § 226.58. Consumer agreements generally must be sent to the Board no later than the first business day on or after January 31, April 30, July 31, and October 31 of each year.

2. What is the “as of” date for my consumer agreement submission?

Consumer agreement submissions generally must reflect the consumer agreements your institution offered to the public as of the last business day of the preceding calendar quarter. For example, the submission due on August 2, 2010 (the first business day on or after July 31, 2010) must reflect the consumer agreements your institution offered to the public as of June 30, 2010 (the last business day of the second calendar quarter).

3. What is the difference between a DUNS number and an issuer ID?

When processing an initial submission, DUNS numbers are used to create an issuer profile and to verify that information is being submitted by a legitimate issuer. File names in initial submissions should include the issuer’s DUNS number, as described in *Section 2: Consumer Agreements – Initial Submission Requirements*.

The issuer ID should be used for all update submissions. Issuer IDs are assigned by the Board and will be included in the update worksheet issuers receive from the Board. Generally, an issuer ID is formed by adding “FR” to the beginning of an issuer’s DUNS number. For example, if your institution’s DUNS number is 123456789, your institution’s issuer ID likely would be FR123456789. File names in update submissions should include the issuer ID, as described in *Section 3: Consumer Agreements – Update Submission Requirements*.

4. What constitutes a complete consumer agreement file?

Each consumer agreement file must include all provisions of the agreement and pricing information, as described in 12 C.F.R. § 226.58. Pricing addenda must be included in the same file as the rest of the agreement to which they relate.

5. Can I submit a pricing addendum as a separate file?

No. The pricing addendum must not be in a separate file. The pricing addendum must be included in the same file as the rest of the agreement.

6. Can I submit my consumer agreements as Word documents?

No. Word documents are not an acceptable submission format for consumer agreements. Each consumer agreement must be submitted in two formats—plain text and PDF.

7. Are Word documents the same as plain text files?

No. Plain text documents are documents that end in .txt (not .doc or .docx). In many cases Word or Adobe Acrobat can create a plain text file from a Word or PDF document.

8. The plain text version of my agreement is not as attractive as the PDF version. What should I do?

The plain text version of an agreement may not be as neatly formatted as the PDF version because of formatting limitations for plain text files. The purpose of the plain text version is to provide Section 508 accessibility and to facilitate full text searching of the agreements.

9. What is the appropriate use of filename extensions?

Submitted files should have a single file extension (.pdf or .txt). Care should be taken to ensure files are not submitted with double file extensions (.pdf.pdf or .txt.txt).

Consumer Agreements – Initial Submission FAQs

10. What is the proper format for the transmittal sheet?

The transmittal sheet file must be a plain text file. Plain text files are files that end in .txt. Excel and other spreadsheet files and Word documents are not plain text files.

The information in the file should be tab-delimited. Tab-delimited means that data elements are separated from each other by tabs (not, for example, by spaces, commas, or lines).

The transmittal sheet should be a single record file. This means that data elements are not separated by hard returns.

Not making an update submission	Do nothing. All agreements you previously submitted will remain in the Board’s consumer agreements database.

12. What is an update worksheet?

You *must* include an update worksheet with any update submission.

If your institution previously submitted consumer agreements to the Board, you will receive an update worksheet from the Board each quarter.

The update worksheet includes information that identifies the issuer, including a Board-generated alphanumeric issuer key. The issuer key allows the Board to verify that the update submission is being made by someone from your institution, not an unauthorized third party.

The update worksheet also includes a list of the agreements your institution previously submitted that are currently in the Board’s database of consumer agreements. If an agreement your institution previously submitted should be removed from the Board’s database of consumer agreements (for example because the agreement is no longer offered to the public), you must indicate this on the update worksheet.

13. How do I get an update worksheet?

If your institution previously submitted consumer agreements to the Board, you will receive an update worksheet from the Board each quarter.

The update worksheet will be emailed to the contact person you indicated in your previous submission. If your institution previously submitted consumer agreements, but did not receive an update worksheet for this quarter, please send an email to

Credit-Card-Agreement-Submission@frb.gov with “Update Worksheet Not Received” in the subject line.

14. I did not receive an update worksheet from the Board. Can I make my own?

No. The update worksheet you receive from the Board includes a unique alphanumeric issuer key that the Board generates. The issuer key allows the Board to verify that the update submission is being made by someone at your institution, not an unauthorized third party. Without an update worksheet that includes the appropriate Board-generated issuer key, the Board will not be able to process your update submission.

If your institution previously submitted consumer agreements, but did not receive an update worksheet, please send an email to Credit-Card-Agreement-Submission@frb.gov with “Update Worksheet Not Received” in the subject line.

15. How do I withdraw an agreement I previously submitted?

To withdraw an agreement you previously submitted (for example, because the agreement is no longer offered to the public), you must indicate on the update worksheet you receive from the Board that the agreement should be removed from the Board’s database of consumer agreements.

The update worksheet will list each agreement submitted by your institution that is currently in the Board’s consumer agreements database. When you receive the worksheet, the box in the “Remove” column next to each agreement will be filled in with “No.” In order to withdraw an agreement, delete “No” and type “Yes” in this box.

16. If I am not withdrawing any agreements, do I still need to include the update worksheet with my submission?

Yes. You *must* include the update worksheet you receive from the Board with any update submission, even if you are not withdrawing any agreements. Information in the worksheet is used to verify that the submission is being made by someone from your institution, not an unauthorized third party.

Note, however, that if you are neither withdrawing agreements nor submitting new or amended agreements, you are not required to make any submission at all. Please refer to question 19 below for additional information.

17. I am submitting a new consumer agreement this quarter. Should I add that agreement to the list in the update worksheet?

No. You should not add new agreements to the list in the update worksheet. To submit a new agreement, include plain text and PDF versions of that agreement in your submission. Each new agreement you submit will be added automatically to the update worksheet you receive next quarter.

18. When I tried to email my update submission, I received a message saying that the email could not be delivered because the attachment is too large. What should I do?

Email systems, including the Board's, generally do not allow users to send or receive email messages larger than a certain size. If your email message is too large, you may need to send your update submission to the Board on a CD / DVD.

19. Do I need to submit anything if my institution has not made any changes since the last quarterly submission?

You should refer to 12 C.F.R. § 226.58 for information on whether or not you are required to make an update submission.

If you are not required to make an update submission, do nothing. You do not need to send back the update worksheet. All of the files you previously submitted will remain in the Board's consumer agreements database.

20. Can I resubmit all of my consumer agreements each quarter, even if they have not changed?

Yes. You are permitted to submit a complete set of consumer agreements each quarter, as described in 12 C.F.R. § 226.58. In order to do this, you must do the following:

- Submit the update worksheet you receive from the Board, indicating on the worksheet that all of the previously submitted agreements should be removed from the Board's database of consumer agreements by changing "No" to "Yes" in the "Remove" column; and
- Submit plain text and PDF versions of all of your consumer agreements.
