The board of directors of First Capital shall take appropriate steps to fully utilize First Capital’s financial and managerial resources, pursuant to section 225.4(a) of Regulation Y of the Board of Governors of the Federal Reserve System (the “Board of Governors”) (12 C.F.R. § 225.4(a)), to serve as a source of strength to the Bank, including, but not limited to, taking steps to ensure that the Bank complies with the Consent Order entered into with the Office of the Comptroller of the Currency (“OCC”) on December 15, 2009, and any other supervisory action taken by the Bank’s federal regulator.

**Dividends and Distributions**

2. (a) First Capital shall not declare or pay any dividends without the prior written approval of the Reserve Bank and the Director of the Division of Banking Supervision and Regulation (the “Director”) of the Board of Governors.

(c) First Capital and its nonbank subsidiary shall not make any distributions of interest, principal, or other sums on subordinated debentures or trust preferred securities without the prior written approval of the Reserve Bank and the Director.

(d) All requests for prior approval shall be received by the Reserve Bank at least 30 days prior to the proposed dividend declaration date, proposed distribution on

subordinated debentures, and required notice of deferral on trust preferred securities. All requests shall contain, at a minimum, current and projected information on First Capital's capital, earnings, and cash flow; the Bank's capital, asset quality, earnings, and allowance for loan and lease losses; and identification of the sources of funds for the proposed payment or distribution. For requests to declare or pay dividends, First Capital must also demonstrate that the requested declaration or payment of dividends is consistent with the Board of Governors' Policy Statement on the Payment of Cash Dividends by State Member Banks and Bank Holding Companies, dated November 14, 1985 (Federal Reserve Regulatory Service, 4-877 at page 4-323).

(b) First Capital shall not, directly or indirectly, purchase or redeem any shares of its stock without the prior written approval of the Reserve Bank.

### **Cash Flow Projections**

4. Within 60 days of this Agreement, First Capital shall submit to the Reserve Bank a written statement of First Capital's planned sources and uses of cash for debt service, operating expenses, and other purposes ("Cash Flow Projection") for the remainder of 2010. First Capital shall submit to the Reserve Bank a Cash Flow Projection for each calendar year subsequent to 2010 at least one month prior to the beginning of that calendar year.
