Main Street Lending Program

The Board has established a Main Street Lending Program (MSLP) to support lending to small and medium-sized businesses and nonprofit organizations that were in sound financial condition before the onset of the COVID-19 pandemic. The MSLP includes five facilities: the MSNLF, MSELF, MSPLF, NONLF, and NOELF. The Federal Reserve Bank of Boston (FRBB) has established one special purpose vehicle (SPV) to manage and operate all five facilities. This periodic update provides aggregate information about the MSLP,
Additional information about the MSLP can be found on the Board’s public website at https://www.federalreserve.gov/monetarypolicy/mainstreetlending.htm.
