

**Meeting Between Staff of the Federal Reserve Bank of New York and a Representative of  
American Express Company  
October 13, 2023**

**Participants:** Tricia Kissinger and Debra Saito (Federal Reserve Bank of New York)

Steve Squeri (American Express Company)

**Summary:** At a standing meeting with staff of the Federal Reserve Bank of New York, a representative from American Express Company shared various views, including about the agencies' Basel III endgame notice of proposed rulemaking. The representative shared views on the proposed risk-weight treatment for charge cards and credit risk, and the potential impact on the capital requirements for American Express Company.
