

**Meeting Between Governor Waller and Staff of the Federal Reserve Board and
an Individual from the Academic Community
April 1, 2024**

Participants: Governor Christopher J. Waller, Jane Ihrig, Asad Kudiya, and Robert Sarama
(Federal Reserve Board)

Kathryn Judge (Columbia University)

Summary: Governor Waller and staff of the Federal Reserve Board met with an individual from the academic community to discuss her views regarding the agencies' Basel III endgame notice of proposed rulemaking (Basel III endgame proposal). The individual discussed her views on the implications of the Basel III endgame proposal for banks and the broader financial system. The views expressed were generally consistent with those expressed in a comment letter she (along with others not present at this meeting) co-signed titled "Re: Regulatory Capital Rule: Large Banking Organizations and Banking Organizations with Significant Trading Activity."
