Your monthly payment is determined as shown below:

Gross capitalized cost. The agreed upon value of the vehicle ($ ) and any items you pay over the lease term (such as service contracts, insurance, and any outstanding prior credit or lease balance) $.

If you want an itemization of this amount, please check this box.

Capitalized cost reduction. The amount of any net trade-in allowance, rebate, noncash credit, or cash you pay that reduces the gross capitalized cost $.

Adjusted capitalized cost. The amount used in calculating your base monthly payment $.

Residual value. The value of the vehicle at the end of the lease used in calculating your base monthly payment $.

Depreciation and any amortized amounts. The amount charged for the vehicle’s decline in value through normal use and for other items paid over the lease term $.

Rent charge. The amount charged in addition to the depreciation and any amortized amounts $.

Total of base monthly payments. The depreciation and any amortized amounts plus the rent charge $.

Lease payments. The number of payments in your lease $.

Base monthly payment $.

Monthly sales/use tax $.

Total monthly payment $.

Early Termination. You may have to pay a substantial charge if you end this lease early. The charge may be up to several thousand dollars. The actual charge will depend on when the lease is terminated. The earlier you end the lease, the greater this charge is likely to be.

Excessive Wear and Use. You may be charged for excessive wear based on our standards for normal use [and for mileage in excess of miles per year at the rate of ].

Purchase Option at End of Lease Term. [You have an option to purchase the vehicle at the end of the lease term for $ and a purchase option fee of $ ] [You do not have an option to purchase the vehicle at the end of the lease term.]

Other important terms. See your lease documents for additional information on early termination, purchase options and maintenance responsibilities, warranties, late and default charges, insurance, and any security interest, if applicable.

#### Official Fees and Taxes.

The total amount you will pay for official and license fees, registration, title, and taxes over the term of your lease, whether included with your monthly payments or assessed otherwise: $______

#### Insurance.

The following types and amounts of insurance will be acquired in connection with this lease:

1. __________ We (lessee) will provide the insurance coverage quoted above for a total premium cost of $__________
2. __________ You (lessor) agree to provide insurance coverage in the amount and types indicated above.

#### End of Term Liability.

(a) The residual value ($) _______ of the vehicle is based on a reasonable, good faith estimate of the value of the vehicle at the end of the lease term. If the actual value of the vehicle at that time is greater than the residual value, you will have no further liability under this lease, except for charges already incurred and not yet paid or refunded by the lessor. If the actual value of the vehicle is less than the residual value, you will be liable for any difference up to $__________ (less the monthly payment). For any difference in excess of that amount, you will be liable only if:

1. __________ you are not responsible for any damage (as described in paragraph __________) [representing more than normal wear and use] resulting in an unusually low value of the vehicle at the end of the term.
2. __________
3. __________

(b) You voluntarily agree with us after the end of the lease term to make a higher payment.

Should we bring a lawsuit against you, we must prove that our original estimate of the value of the leased property at the end of the lease term was reasonable and was made in good faith. For example, we might prove that the actual value was less than the original estimated value, although the original estimate was reasonable, because of an unanticipated decline in value for that type of vehicle. We must also pay your attorney’s fees.

#### Standards for Wear and Use.

The following standards are applicable for determining unreasonable or excess wear and use of the leased vehicle:

#### Maintenance.

(You are responsible for the following maintenance and servicing of the leased vehicle:

#### Warranties.

The leased vehicle is subject to the following express warranties:

#### Early Termination and Default.

(a) You may terminate this lease before the end of the lease term under the following conditions:

The charge for such early termination is:

(b) We may terminate this lease before the end of the lease term under the following conditions:

Upon such termination, we shall be entitled to the following charge(s) for:

(c) To the extent these charges take into account the value of the vehicle at termination, if you disagree with the value we assign to the vehicle, you may obtain, at your own expense, from an independent third party appraiser to both of us, a professional appraisal of the value of the leased vehicle which could be realized at sale. The appraised value shall then be used in the actual value.

#### Security Interest.

We reserve a security interest in the following type of the property listed below to secure performance of your obligations under this lease:

#### Late Payments.

The charge for late payments is:

#### Option to Purchase Leased Property Prior to the End of the Lease.

[You have an option to purchase the leased vehicle prior to the end of the term.]

The price will be: $__________ (the method of determining the price.) [You do not have an option to purchase the leased vehicle.]
