

Board of Governors of the Federal Reserve System

Notice of Community Development and Public Welfare Investments by State Member Banks Pursuant to Section 208.22 of Regulation H—FR H-6

REMINDER

For investments that do not meet one or more of the following criteria, the investing bank must submit a request for prior approval to the Federal Reserve. Such a request must include the information specified in section 208.22(d) of Regulation H, and must be submitted (by way of a letter or other submission on bank letterhead) to the Federal Reserve Bank of which the investing bank is a member.

Section 208.22 of Regulation H (12 C.F.R. § 208.22) permits Federal Reserve member banks to make certain public welfare investments. Investments that meet the requirements specified in section 208.22(b) of Regulation H may be made without prior regulatory approval. To assist it in determining if a proposed public welfare investment may be made without prior regulatory approval, a bank, at its option, may use the checklist attached to this form.

For a public welfare investment not requiring prior approval, the investing bank must notify the appropriate Reserve Bank of the investment within 30 days of making the investment. Such a notice must identify the amount of the investment and the entity in which the investment is made. To fulfill this notice requirement, a bank may use this form, or may provide the required information by way of a letter or other submission on bank letterhead.

For a public welfare investment requiring prior approval, the investing bank should not use this form. Instead, the investing bank must submit (by way of a letter or other submission on bank

letter-head) the information specified in section 208.22(d) of Regulation H to the Reserve Bank of which it is a member. The Board is required to act on a request for prior approval within 60 days of submission of the required information, unless the Board notifies the requesting member bank that a longer time period will be required to review and act on the request.

Information on community development investments by financial institutions can be found at the following sites:

- Federal Reserve Board of Governors Regulatory Guidance and Resource Information on Community Development Investments http://www.federalreserve.gov/communitydev/cdi_investment.htm
- Federal Reserve Bank of San Francisco Center on Community Development Investments <http://www.frbsf.org/community-development/>
- Office of the Comptroller of the Currency Part 24 Community Development Investments <http://www.occ.treas.gov/cdd/pt24toppage.htm>

and

Public reporting burden for this information collection is estimated to average 2 hours per response for post notification, 5 hours per response for application, and 5 hours per response for extension of divestiture period including time to gather and maintain data in the required form and to review instructions and complete the information collection. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to: Secretary, Board of Governors of the Federal Reserve System, 20th and C Streets, NW, Washington, DC 20551, and to the Office of Management and Budget, Paperwork Reduction Project (7100-0278), Washington, DC 20503.

Checklist for Notice of Community Development and Public Welfare Investments by State Member Banks Pursuant to Section 208.22 of Regulation H that Do Not Require Prior Approval

Regulation H does not require that this checklist be submitted to the Federal Reserve System. A bank may choose to use this checklist, however, as an aid in determining if a proposed public welfare investment may be made without prior regulatory approval. If the bank or the proposed investment *does not meet* the requirements described in this form, then the bank must submit a request for prior approval of the investment. Such a request must include the information specified in section 208.22(d) of Regulation H, and must be submitted (by way of a letter or other submission on bank letterhead) to the appropriate Federal Reserve Bank, as listed on the final page of this form.

To Make a Community Development and Public Welfare Investment without Prior Board Approval:

1. The investing bank must meet *all* of the following requirements:

- The bank is well-capitalized or adequately capitalized under 12 C.F.R. § 208.43(b)(1) and (2);
- The bank has received a composite CAMELS rating of "1" or "2" as of its most recent examination;
- The bank has received an overall rating of "1" or "2" as of its most recent consumer compliance examination; and
- The bank is not subject to any written agreement, cease-and-desist order, capital directive, prompt-corrective-action directive, or memorandum of understanding issued by the Board or by a Federal Reserve Bank.

2. The proposed investment must meet *all* of the following requirements:

- The investment is permitted by state law;
- The investment will not expose the bank to liability beyond the amount of the investment;
- The investment will not cause the bank's aggregate public welfare and community development investments to exceed 5 percent of the bank's capital stock and surplus; and
- The investment is in a corporation, limited partnership, or other entity.

3. The proposed investment must meet *one or more* of the following requirements:

- The Board has determined that an investment in that entity or class of entities is a public welfare investment under paragraph 23 of Section 9 of the Federal Reserve Act (12 U.S.C. § 338a) or community development investment under Regulation Y (12 C.F.R. § 225.127, *see also* 12 C.F.R. § 225.28(12)); *or*
- The Comptroller of the Currency has determined by order or regulation that an investment in that entity by a national bank is a public welfare investment under section 5136 of the Revised Statutes (12 U.S.C. § 24 (Eleventh)); *or*

The entity in which the investment is to be made is a community development financial institution as defined in section 103(5) of the Community Development Banking and Financial Institutions Act of 1994 (12 U.S.C. § 4702(5)); *or*

The entity in which the investment is to be made engages, directly or indirectly, solely in or makes loans solely for the purposes of *one or more* of the following community development activities:

Residential Property—Investing in, developing, rehabilitating, managing, selling, or renting residential property where the majority of the units will be occupied by low- and moderate-income persons,¹ or if the property is a "qualified low-income building" as defined in section 42(c)(2) of the Internal Revenue Code, 26 U.S.C. § 42 (c)(2);

Nonresidential Real Property—Investing in developing, rehabilitating, managing, selling, or renting non-residential real property or other assets located in a low- or moderate-income area² and targeted toward low- and moderate-income persons;

Small Business Development—Investing in one or more small businesses³ located in a low- or moderate-income area to stimulate economic development;

Job Training or Placement—Investing in, developing or otherwise assisting job training or placement facilities or programs that will be targeted towards low- and moderate-income persons;

Employment Opportunities—Investing in an entity located in a low- or moderate-income area if the entity creates long-term employment opportunities, a majority of which (based on full-time equivalent positions) will be held by low- and moderate-income persons;

Technical Assistance—Providing technical assistance, credit counseling, research, and program development assistance to low- and moderate-income persons, small businesses, or nonprofit corporations to help achieve community development.

1. Low- and moderate-income persons are defined in 42 U.S.C. § 5302(a)(20)(A) as families and individuals whose incomes do not exceed 80 percent of the median income of the area involved, as determined by the secretary of Housing and Urban Development with adjustments for smaller and larger families.
 2. Low- or moderate-income area is defined as one or more census tracts in a Metropolitan Statistical Area (MSA) where the median family income adjusted for the family size in each census tract is less than 80 percent of the median family income adjusted for family size of the MSA. If the area is not in a MSA, the definition is one or more census tracts where the median family income adjusted for family sizes in each census tract is less than 80 percent of the median family income adjusted for the family size of the state.
 3. Small business means a business that meets the size-eligibility standards of 13 C.F.R. § 121.108(a).
