

Micro Report Series Description

Series Mnemonic	CUSA
Series Name	Report of Condition and Income for Credit Unions
Starting and Ending Date	December 31, 1980 Continuing
Frequency	Quarterly as of the last calendar date of the quarter.

Reporting Panel

All federally insured natural person credit unions (FICUs).

Major Changes to Reporting Panel

Prior to June 30, 2006, there are two credit union reports; a long form and a short form. All credit unions were required to file the long form in June and December. For March and September, credit unions with assets over \$10 million must file the long form and the others had the option to file a short form.

Prior to September 30, 2002, credit unions were required to file a CALL report to NCUA each June and December regardless of their asset size. If the asset size was over 50 million dollars on the December 31 CALL date they must report quarterly throughout the following year.

Data Mode

Quarterly figures
Thousands of dollars

Data Availability

Approximately four to five months after the report date.
