Federal Reserve Board Email comments

Dear Email comments,

Please take note for all credit card companies to stop abuse of the every day citizens of this country. Over-the-top fees for ridiculous amounts and not giving any grace periods or second chances for consumers is absurd. Please stop these ludicrous acts and think of

someone else and not just making profit for a change. People go through hard times unfortunately in this life, and there can always be exceptions made for extenuating circumstances.

Sincerely,

Ms. s johnson
