

BOARD OF GOVERNORS
OF THE
FEDERAL RESERVE SYSTEM
WASHINGTON, D. C. 20551

ADDRESS OFFICIAL CORRESPONDENCE
TO THE BOARD

October 31, 2012

Mr. Peter D. Stahl
Assistant Secretary
FMR LLC
Fidelity Thrift Holding Company, Inc.
82 Devonshire Street, F7B
Boston, Massachusetts 02109

Dear Mr. Stahl:

This is in response to the application by FMR LLC and Fidelity Thrift Holding Company, Inc. (together, the "Fidelity Companies"), both of Boston, Massachusetts, to deregister as savings and loan holding companies ("SLHCs") pursuant to section 604(i) of the Dodd-Frank Act, 12 U.S.C. § 1467a(a)(1)(D)(ii)(II), and the Board's Regulation LL, 12 CFR 238.4(d). The Fidelity Companies seek to deregister based on the representation that their subsidiary federal savings association, Fidelity Personal Trust Company, FSB ("Trust Company"), Boston, Massachusetts, qualifies as a trust-only company pursuant to section 2(c)(2)(D) of the Bank Holding Company Act, 12 U.S.C. § 1841(c)(2)(D).

FMR LLC is a stock brokerage company and Fidelity Thrift Holding Company, Inc. is a financial services holding company. The Fidelity Companies are SLHCs because they own Trust Company. Trust Company is a limited-purpose savings association that serves as a trustee and custodian for its customers and provides asset and investment management services.

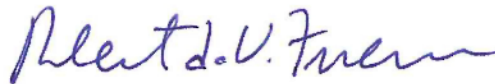

In connection with the application, the Fidelity Companies and Trust Company have committed as follows:

1. Trust Company will not, without the prior approval of the Board or its staff, engage in activities beyond those that are permissible under section 5(n) of the Home Owners' Loan Act, 12 U.S.C. § 1464(n), and its implementing regulations.
2. Trust Company will hold at least 99 percent of its deposits in a trust or fiduciary capacity (excluding from the calculation the amount required to maintain deposit insurance from the Federal Deposit Insurance Corporation ("FDIC")).
3. Trust Company does not maintain and will not accept demand deposits or deposits that the depositor may withdraw by check or similar means for payment to third parties or others.
4. Trust Company does not and will not make commercial loans.

5. Trust Company will not obtain payment or payment-related services from any Federal Reserve Bank and will not seek to exercise discount or borrowing privileges with the Federal Reserve.
6. No affiliates of Trust Company will offer or market the deposits of Trust Company that are insured by the FDIC.

Based on the foregoing and all the facts of record, including the most recent call report and report of examination of Trust Company and consultation with the Office of the Comptroller of the Currency, Trust Company's primary federal regulator, the General Counsel and the Director of the Division of Banking Supervision and Regulation, acting pursuant to authority delegated by the Board, have approved the application by the Fidelity Companies to deregister as SLHCs. This action is taken in reliance on all the facts of record, including all the representations and commitments made to the Board in connection with the application. Those representations and commitments constitute conditions imposed in writing in connection with the approval of the Fidelity Companies' application to deregister as SLHCs and, as such, may be enforced in proceedings under applicable law. Any change in the representations or commitments may result in a different conclusion and should be reported to Board staff promptly.

Sincerely yours,

Robert deV. Frierson
Secretary of the Board
