

BOARD OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM  
WASHINGTON, DC 20551

August 9, 2018

Ms. Danielle Getkin  
Accounting Specialist – Regulatory Reporting  
Old Point Financial Corporation  
101 East Queen Street  
Hampton, Virginia 23669

Dear Ms. Getkin:

This letter responds to the request from Old Point Financial Corporation (“Old Point”), Hampton, Virginia, for an extension of time to file the FR Y-9C and FR Y-9LP financial reports until December 31, 2018. Old Point recently crossed the threshold of \$1 billion in total consolidated assets and, without an extension, would be required to file the FR Y-9C and FR Y-9LP financial reports on August 9 and August 14, respectively.

Old Point requested additional time to file the FR Y-9C and FR Y-9LP reports due to the burden associated with filing these reports. Old Point has represented that, if an extension is granted, it will continue to file the FR Y-9SP financial report during the extension period.

Acting pursuant to authority delegated by the Board and having considered all relevant facts, I have approved Old Point’s request for an extension of time. Accordingly, Old Point is granted an extension of time, until December 31, 2018, to file the FR Y-9C and FR Y-9LP financial reports. This action is based on all the facts of record, including the information discussed above, and the representations in your submissions. Any material change in those facts or representations could affect this approval and should be communicated promptly to Board staff.

Please contact Kevin Tran, Division of Supervision and Regulation, at (202) 452-2309, if you have any questions.

Very truly yours,
